Heroic Measures Joel Shulkin, MD, 2024-09-17 The medical examiner's job is to speak for the dead and protect the living. But what happens when the dead speak for themselves? Stephen Englehart, an Armed Forces medical examiner, dedicates his life to bringing peace to the families of fallen soldiers. Tagged as one of the best, he's able to spot forensic clues others miss. But when the body of a US Marine supposedly burned beyond recognition shows up with hardly a scratch, even Stephen is stumped. Were the bodies switched? Then, in the middle of the autopsy, the impossible happens: The soldier wakes up. Something incredible and dangerous is happening to the military's elite, and Stephen may be the only one who can figure it out. And when Stephen's sister, a Green Beret, goes missing, the entire military machine seems designed to stop him from finding her. To find the truth and save his sister, one man must stand against an army. Can he be the hero he never thought he could? A Reader's Favorite 5-star pick, *Heroic Measures* is a rollercoaster ride filled with thrills and intrigue. The action starts on the first page and never stops. The ending had major twists that I did not see coming. This is an excellent read that will stay with you for quite a while.

Something Wonderful Right Away Jeffrey Sweet, 2023-06-27 Discover the behind-the-scenes story of how The Second City theater created a generation of world-class great actors, directors, and writers. In the late Fifties and Sixties, iconoclastic young rebels in Chicago opened two tiny theaters, The Compass and The Second City, where they satirized politics, religion, and sex. Building scenes by improvising based on audience suggestions turned out to be a fine way to develop great actors, directors, and writers. Alumni went on to create such groundbreaking works as *The Graduate*, *Groundhog Day*, and *Don't Look Up*. Many of them also became stars on *Saturday Night Live*. *Something Wonderful Right Away* features the pioneers of the empire that transformed American comedy. This new edition tells even more of the story. Included for the first time is an interview with Viola Spolin, the genius who invented theater games that were the foundation of improvisational theater. Also included are dozens of follow-up stories about Mike Nichols, Barbara Harris, Del Close, Joan Rivers, Alan Arkin, and Gilda Radner, plus *You Only Shoot the Ones You Love*, the story of how this book's author, playwright Jeffrey Sweet, became so involved in the community he covered that he was captured by it. *The Comics Journal*, 2004
