T p verso Big Book of History Laura Welch, 2011-09-14 The Knowledge of Good and Evil David Murdoch, 2009-12 At the time of Norway's original conversion to Christianity two missionaries stumble upon the spiritual lesson of a lifetime The missionaries find themselves in the company of a wise old man who was one of the original converts to Christianity in Norway In the form of an intelligent Socratic dialogue the three men converse about ideas the missionaries had never before considered The dialogue that unfolds goes deeply into exploring human sinfulness judgment and moral precepts As the old man tries to explain to his audience right and wrong as purported to be from God's eyes is not a true judgment but only a mere imitation of people The men slowly open up themselves to life changing revelations A deeply theological work The Knowledge of Good and Evil may bring readers even if they do not understand the main thesis to a greater understanding of the law judgment punishment and morality while revealing God's love through all of them David Murdoch is a convert to the Roman Catholic faith and the author of the novel Ana Markovic In addition to being a writer he is also a historical researcher and a part time taste tester for a large grocery store chain He lives in Toronto Canada

Adam: First and the Last Simon Turpin, 2023-07-28 Are you prepared to defend the biblical account of Adam as a living man formed by God Many theologians pastors and philosophers now teach that the Adam we find in Genesis was a myth story or parable In Adam First and the Last Simon Turpin Ex Director of Answers in Genesis UK Europe reveals why understanding Adam to have been the first man created is critical for a consistent theological understanding of the biblical message of creation the fall and redemption If you deny the First Adam not only do you deny the sufficiency of Scripture and undermine its authority but you ultimately attack the life teaching and person of the Last Adam our Lord Jesus Christ Ken Ham CEO of The Ark Encounter Creation Museum Answers in Genesis The very teachings of Jesus regarding creation and the flood are being attacked on the basis that because of His human nature there was error in some of His teaching The theory of biological evolution though lacking evidence is why many reject Adam as a historical individual or see him as anything other than the originating head of the human race The church is facing a crisis because too few of her people and leaders understand the consequences of combining the Bible and evolution Sadly today more and more evangelical Christian scholars are having to redefine passages of Scripture because they have adopted the idea of evolution and millions of years into their thinking These questions may be the biggest doctrinal issues facing our generation and the church's attitude toward them could be a defining moment in Christianity

Adam First and the Last will prepare you your family and your church to stand against today s false teachers and strengthen your faith in the infallible Word of God Turpin offers a true biblical apologetic that will be used for decades and even centuries to help the Body of Christ hold fast to their confession of faith without wavering Hebrews 10:23
