Whether you're an accomplished musician or a student, GarageBand is the most rewarding way to create, record, and mix your own music. In the only Apple-certified guide to GarageBand 09, composer Mary Plummer shows you just how easy it is to turn your Mac into a full-featured recording studio. Plummer offers a complete course in all aspects of GarageBand, starting with the interface and Magic GarageBand and moving on to recording and arranging a song, editing and mixing tracks, adding effects, and distributing your music files. Using practical, step-by-step lessons and original music, you'll learn how to record with an electric guitar, score a QuickTime movie, create an iPhone ringtone, jam with virtual musicians, and much more. The book also includes complete coverage of GarageBand 09's new Learn to Play feature, so you can learn piano and guitar through interactive video lessons from such artists as Sting, Norah Jones, Fall Out Boy, and more. Includes lesson and media files for over 12 hours of training. Focused lessons take you step by step through practical, real-world projects. Accessible writing style puts an expert instructor at your side. Ample illustrations help you master techniques fast. Lesson goals and time estimates help you plan your time. Lesson review sections summarize what you've learned. The Apple Training Series is both a self-paced learning tool and the official curriculum of the Apple Training and Certification program. You can work through this book as a self-paced course or attend a class at an Apple Authorized Training Center. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files." Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this eBook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

Talk about making an impact: Apple's Shake compositing and visual effects software has been used in every Academy Award-winning film for visual effects since its debut. It's no wonder that trained Shake artists are in high demand, and there's nowhere better to begin getting that training than with this fully updated for Shake 4 and comprehensive Apple-approved guide, which includes a free 30-day trial version of this multi-thousand-dollar software. Using step-by-step, hands-on instruction, Hollywood effects wizard Marco Paolini takes you through Shake's interface and features, including its color correction tools, tracking and stabilization capabilities, integrated procedural paint, powerful new floating-point technology, advanced keyframing, blue and green screen techniques, rotoscoping tools, and more. As with the other titles in the Apple Pro Training series, each chapter in this guide represents a complete lesson with a project to complete, a review section, and bonus exercises to help test what you've learned. The accompanying DVD includes the lesson files needed to complete the book's projects. You can work through the book from cover to cover to get an entire course, or you can go straight to the lessons that interest you most. Either way, you'll find the coverage you need to confront even the most daunting compositing
