Letras hispánicas en la gran pantalla Andres Lema-Hincapie, Conxita Domènech, 2016-11-18 Letras Hispánicas en la Gran Pantalla es un libro de texto innovador para estudiantes avanzados de estudios hispánicos que fusiona los estudios de obras literarias canónicas y sus adaptaciones cinematográficas. Los estudiantes son guiados a través de obras maestras literarias clave que abarcan desde el Renacimiento hasta la actualidad mientras al mismo tiempo interpretan sus versiones cinematográficas. Este enfoque paralelo alienta a los estudiantes a desarrollar sus habilidades analíticas a medida que dominan la terminología de los estudios contemporáneos en literatura y cine. Al explorar obras completas de autores y directores masculinos y femeninos de Argentina, Chile, Colombia, Costa Rica, México y España, Letras Hispánicas en la Gran Pantalla permite a los estudiantes descubrir la asombrosa diversidad del mundo de habla hispana en una forma única y atractiva.

Letras Hispánicas en la Gran Pantalla is an innovative textbook for advanced students of Hispanic studies which merges the studies of canonical literary works and their film adaptations. Students are guided through key literary masterpieces spanning from the Renaissance to the present day while at the same time interpreting their film versions. This parallel approach encourages students to develop their analytical skills as they master the terminology of contemporary studies in literature and cinema. Exploring complete works by both male and female authors and directors from Argentina, Chile, Colombia, Costa Rica, Mexico and Spain, Letras Hispánicas en la Gran Pantalla allows students discover the astounding diversity of the Spanish speaking world in a unique and engaging way.

La Casa de Bernarda Alba Federico García Lorca, 2009 Bernarda Alba is a widow and her five daughters are incarcerated in mourning along with her. One by one they make a bid for freedom with tragic consequences.

Lorca: The House of Bernarda Alba: A Drama of Women in the Villages of Spain Salvador Ortiz-Carboneres, Eric Southworth, 2009-04-02 La casa de Bernarda Alba The House of Bernarda Alba was one of the last plays to be written by Lorca shortly before he was executed by the Franco regime at the age of 38 in 1936. It was not performed until 1945 several years after his death. Along with Blood Wedding and Yerma it forms Lorca's Rural Trilogy.

Stages of Desire Michael Kidd, 1999-07-01 Within the rich tradition of Spanish theater lies an unexplored dimension reflecting themes from classical mythology. Through close readings of selected plays from early modern and twentieth century Spanish literature with plots or characters derived from the Greco-Roman tradition, Michael Kidd shows that the concept of desire plays a pivotal role in adapting myth to the stage in each of several historical periods. In *Stages of Desire*, Kidd offers a new way of looking at the theater in Spain. Reviewing the work of playwrights from Juan del Encina to Luis Riaza, he suggests that desire constitutes a central element in a large number of Greco-Roman myths and shows how dramatists have exploited this to resituate ancient narratives within their own artistic and ideological horizons. Among the works he analyzes are Timoneda's Tragicomedia llamada Filomena, Castro's Dido y Eneas and Unamuno's Fedra. Kidd

explores how seventeenth century playwrights were constrained by the conventions of the newly formed national theater and how in the twentieth century mythological desire was exploited by playwrights engaged in upsetting the melodramatic conventions of the entrenched bourgeois theater He also examines the role of desire both in the demythification of prominent classical heroes during the Franco regime and in the cultural critique of institutionalized discrimination in the current democratic period Stages of Desire is an original and broad ranging study that highlights both change and continuity in Spanish theater By elegantly combining theory literary history and close textual analysis Kidd demonstrates both the resilience of Greco Roman myths and the continuing vitality of the Spanish stage **García Lorcas Drama »Bodas de**
