Body And Spirit Tibetan Medical Paintings:

Body & Spirit American Museum of Natural History, 2009 Our first encounter with these Tibetan medical paintings is filled with delight wonder and pleasure Their boisterous colors their exquisite detail their marvelous array of subject matter the often playful and energetic figures that people them all these perceptions strike us at once We are drawn to the paintings instantly but at the same time are beset with questions Janet Gyatso from the Introduction The first full set of Tibetan medical paintings or medical tangkas were painted between 1687 and 1703 and were inspired by Sangye Gyatso Regent of the Fifth Dalai Lama who was a great patron of medical learning In a beautiful and unique artistic style the paintings illustrate Tibetan medical knowledge that drew on medical traditions from India ancient Greece Persia pre Buddhist Tibet and China while remaining firmly rooted in Buddhism Copies of the iconic images have been created in meticulous detail through the centuries and Body and Spirit focuses on a set of contemporary paintings in the traditional technique by the Nepalese artist Romio Shrestha and his assistants in Kathmandu The tangkas illuminate human anatomy and the causes and effects of illness as well as their diagnosis and treatment Most of the paintings consist of rows of small human figures animals plants minerals houses landscapes and demons and deities depicting the rich complexity of human endeavor farming animal husbandry personal hygiene marriage sex birthing fighting sleeping studying and meditating The thousands of small and large images were designed to add visual form to the technical information an eye pleasing teaching aid for medical students

Bodies in Balance Theresia Hofer, 2017-03-24 2015 Best Art Book Accolade ICAS Book Prize in the Humanities Category Bodies in Balance The Art of Tibetan Medicine is the first comprehensive interdisciplinary exploration of the triangular relationship among the Tibetan art and science of healing Sowa Rigpa Buddhism and arts and crafts This book is dedicated to the history theory and practice of Tibetan medicine a unique and complex system of understanding body and mind treating illness and fostering health and well being Sowa Rigpa has been influenced by Chinese Indian and Greco Arab medical traditions but is distinct from them Developed within the context of Buddhism Tibetan medicine was adapted over centuries to different health needs and climates across the region encompassing the Tibetan Plateau the Himalayas and Mongolia Its focus on a holistic approach to health has influenced Western medical thinking about the prevention diagnoses and treatment of illness Generously illustrated with more than 200 images Bodies in Balance includes essays on contemporary practice pharmacology and compounding medicines astrology and divination history and foundational treatises The volume brings to life the theory and practice of this ancient healing art "Women, Gender and Art in Asia, c. 1500-1900" MeliaBelli Bose, 2017-07-05 Women Gender and Art in Asia c 1500 1900 brings women s engagements with art into a pan Asian dialogue with essays that examine women as artists commissioners collectors and subjects from India Southeast Asia Tibet China Korea and Japan from the sixteenth to the early twentieth century The artistic media includes painting sculpture architecture textiles and photography The book is broadly concerned with four salient questions How

unusual was it for women to engage directly with art What factors precluded more women from doing so In what ways did women s artwork or commissions differ from those of men And what were the range of meanings for woman as subject matter The chapters deal with historic individuals about whom there is considerable biographical information Beyond locating these uncommon women within their socio cultural milieux contributors consider the multiple strands that twined to comprise their complex identities and how these impacted their works of art In many cases the woman s status as wife mother widow ruler or concubine and multiple combinations thereof as well as her religion and lineage determined the media style and content of her art Women Gender and Art in Asia c 1500 1900 adds to our understanding of works of art their meanings and functions

Rainbow Body and Resurrection Francis V. Tiso,2016-01-26 A leading authority on the rainbow body traces its history in the encounter of religions in medieval Central Asia exploring a previously unimagined connection between early Dzogchen and the resurrection of Jesus Francis V Tiso a noted authority on the rainbow body explores this manifestation of spiritual realization in a wide ranging and deeply informed study of the transformation of the material body into a body of light Seeking evidence on the boundary between physical science and deep spirituality that might elucidate the resurrection of Jesus he investigates the case of Khenpo A Ch a Buddhist monk who died in eastern Tibet in 1999 Rainbow Body and Resurrection chronicles the dissolution of Khenpo s material body within a week of his death including eye witness interviews Tiso describes the spiritual practices that give rise to the rainbow body and traces their history deep into the encounter of religions in medieval Central Asia His erudite exploration of the Tibetan phenomenon raises the fascinating question of whether there is a connection between the rainbow body and the dying and rising of Jesus Drawing on a wealth of recent research Tiso expands his discussion to include the contemplative geography out of which Dzogchen arose some time in the eighth century along the great Silk Road across Central Asia The result is an illuminating consideration of previously unimagined relationships between spiritual practices and beliefs in Central Asia

Illness and Enlightenment Susannah Deane,2025-02-01 Tibetan understandings of nyon madness encompass a broad range of concepts Perspectives on the causation and treatment of madness as an illness are informed by Tantric and medical

understandings of mind body structure and dys functioning as well as people s relationships with non human entities In addition madness may be seen as a sign of enlightenment in the case of some Tantric practitioners Based on ethnographic fieldwork in the Tibetan region of Amdo in northwest China as well as examination of Tibetan medical and religious texts *Illness and Enlightenment* explores the multi faceted concept of nyon through key Tibetan concepts of wind heart and mind as well as human spirit relationships *Tibetan Demonology* Christopher Bell,2020-07-16 *Tibetan Demonology* discusses the rich taxonomy of gods and demons encountered in Tibet These spirits are often the cause of and exorted for diverse violent and wrathful activities This Element consists of four thematic sections The first section *Spirits and the Body* explores oracular possession and spirit induced illnesses The second section *Spirits and Time* discusses the role of gods in Tibetan astrology and ritual calendars The third section *Spirits and Space* examines the relationship between divinities and the Tibetan landscape The final section *Spirits and Doctrine* explores how certain deities act as fierce protectors of religious and political institutions *Art, Trade, and Imperialism in Early Modern French India* Liza Oliver,2025-10-01 French mercantile endeavors in late seventeenth and eighteenth century India were marked by novel intersections of aesthetics science and often violent commercialism Connecting all of these worlds were the thriving textile industries of India s Coromandel Coast This book focuses on the integration of the Coromandel textile industries with French colonies in India from the founding of the French East India Company in 1664 to its debilitating defeat by the British during the Seven Years War Narratives of British trade and colonialism have long dominated eighteenth century histories of India overshadowing the French East India Company s far reaching sphere of influence and its significant integration into the political and cultural worlds of South India As this study shows the visual and material cultures of eighteenth century France and India were deeply connected and together shaped the century s broader debates about mercantilism liberalism and the global trade of goods ideas and humans

Pierce Salguero,2022-02-01

Medicine health and healing have been central to Buddhism since its origins Long before the global popularity of mindfulness and meditation Buddhism provided cultures around the world with conceptual tools to understand illness as well as a range of therapies and interventions for care of the sick Today Buddhist traditions healers and institutions continue to exert a tangible influence on medical care in societies both inside and outside Asia including in the areas of mental health biomedicine and even in responses to the COVID 19 pandemic However the global history of the relationship between Buddhism and medicine remains largely untold This book is a wide ranging and accessible account of the interplay between Buddhism and medicine over the past two and a half millennia C Pierce Salguero traces the intertwining threads linking ideas practices and texts from many different times and places He shows that Buddhism has played a crucial role in cross cultural medical exchange globally and that Buddhist knowledge formed the nucleus for many types of traditional practices that still thrive today throughout Asia Although Buddhist medicine has always been embedded in local contexts and differs markedly across cultures Salguero identifies key patterns that have persisted throughout this long history This book will be informative and invaluable for scholars students and practitioners of both Buddhism and complementary and alternative medicine
