whether or not you and your family are on the path to generational wealth In You Weren t Supposed to See That Downtown Josh Brown the original Wall Street blogger star of CNBC s Halftime Report and manager of billions of dollars as CEO of Ritholtz Wealth Management collects and shares the most important of these secrets Drawing on 15 years of The Reformed Broker the most read financial blog in the world Josh revisits updates and expands on the best of his wildly popular writing As he does so he helps you to discover all the most important surprising and sometimes painfully true secrets of finance investing and Wall Street that you need to know to thrive today With Downtown Josh Brown as your guide you ll see things how they really are and as you never have before **Aestheticism, Evil, Homosexuality, and Hannibal** Geoff

Klock,2017-10-11 In late 19th century England Oscar Wilde popularized aestheticism also known as art for art s sake the idea that art that beauty should not be a vehicle for morality or truth but an end in and of itself Rothko and Jackson Pollock enthroned the idea creating paintings that are barely graded panels of color or wild splashes Today pop culture is aestheticism s true heir from the perfect charismatic emptiness of Ocean s Eleven to the hyper choreographed essentially balletic movements in the best martial arts movies But aestheticism has a dark core one that Social Justice Activists are now gathering to combat revealing the damaging ideology reflected in or concealed by our most beloved pop culture icons Taking Bryan Fuller s television version of Hannibal The Cannibal Lecter as its main text and taking i ek style illustrative detours into Malcolm in the Middle Dark Knight Rises Harry Potter Interview with a Vampire Dexter and more this book marshals Walter Pater Camille Paglia Nietzsche the Marquis de Sade Kant and Plato as well as Dante Shakespeare Milton Blake Baudelaire Beckett Wallace Stevens and David Mamet to argue that Fuller s show is a deceptively brilliant advance of aestheticism both in form and content one that investigates how deeply art for art s sake and those of us who consciously or unconsciously worship at its teat are necessarily entwined with evil The Impossible Woman Kristen Hoerl,2025-11-11

Although it may seem like the proliferation of strong women on television is a feminist achievement a deeper look into their stories tells us otherwise The Impossible Woman examines a variety of scripted US television series across multiple genres to show how the cultural value of television s extraordinarily talented female characters often rests upon their ability to endure but not overcome sexism Looking at Parks and Recreation The Unbreakable Kimmy Schmidt The Marvelous Mrs Maisel The Queen s Gambit Game of Thrones and Queen of the South Hoerl argues that these series contribute to sexist realism or the cultural assumption that there is no alternative to patriarchy Situating impossible women s struggles in the context of contemporary feminist politics Hoerl explains how the problems facing television s strongest women illustrate mainstream feminism s paradoxical dependence upon on cultural misogyny neoliberal individualism and racism The Impossible Woman encourages readers to seek out alternative stories that might help them envision more just feminist futures Gunplays William Electric Black,2023-08-01 Gunplays is a series of five plays by William Electric Black addressing inner city violence and guns The idea of these plays is to generate understanding of the social inequities and disparities behind this plague that

our society has so far been helpless to resolve

The debut productions of all five plays in the series were presented by Crystal Field executive director at Theater for the New City in New York City Black launched the Gunplays series in 2013 with Welcome Home Sonny T a drama that spotlighted two significant forces driving the 21st century epidemic of American gun violence the social impact of alienation and unemployment on young black males and the declining influence of black ministers as a force of stability in affected neighborhoods The second play in the series When Black Boys Die 2015 is a family drama in which a teenage girl tries to understand the madness of gun violence that has killed her brother and consumed her mother The third presented by Theater for the New City for 2016 Gun Awareness Month is Death of a Black Man A Walk By a play with hip hop verse chanting songs and poetry in which the audience moves through a neighborhood that experienced gun violence The fourth The Faculty Room 2017 is a drama that swallows its audience into a schoolhouse in a mandatory lock down because of an imminent gunfight between two students The final play Subway Story A Shooting 2018 combines music poetry dialogue movement and immersive theater in a way that makes it the most unique staging in the series as a teenage girl rides the subway looking to buy a gun as a means to deal with her abusive mother
