Matchmakers David S. Evans, Richard Schmalensee, 2016-05-03 A different kind of matchmaker Many of the most dynamic public companies from Alibaba to Facebook to Visa and the most valuable start ups such as Airbnb and Uber are matchmakers that connect one group of customers with another group of customers Economists call matchmakers multisided platforms because they provide physical or virtual platforms for multiple groups to get together Dating sites connect people with potential matches for example and ride sharing apps do the same for drivers and riders Although matchmakers have been around for millennia they re becoming more and more popular and profitable due to dramatic advances in technology and a lot of companies that have managed to crack the code of this business model have become today s power brokers Don t let the flashy successes fool you though Starting a matchmaker is one of the toughest business challenges and almost everyone who tries to build one fails In *Matchmakers* David Evans and Richard Schmalensee two economists who were among the first to analyze multisided platforms and discover their principles and who ve consulted for some of the most successful platform businesses in the world explain how matchmakers work best in practice why they do what they do and how entrepreneurs can improve their chances for success Whether you re an entrepreneur an investor a consumer or an executive your future will involve more and more multisided platforms and *Matchmakers* rich with stories from platform winners and losers is the one book you ll need in order to navigate this appealing but confusing world **The Global Edge**

Prof. Alejandro Portes, Ariel C. Armony, 2018-09-11 Over the last quarter century no other city like Miami has rapidly transformed into a global city *The Global Edge* charts the social tensions and unexpected consequences of this remarkable process of change Acting as a follow up to the highly successful *City on the Edge* *The Global Edge* examines Miami in the context of globalization and scrutinizes its newfound place as a major international city Written by two well known scholars in the field the book examines Miami s rise as a finance and banking center and the simultaneous emergence of a highly diverse but contentious ethnic mosaic *The Global Edge* serves as a case study of Miami s present cultural economic and political transformation and describes how its future course can provide key lessons for other metropolitan areas throughout the world

[Time Out Miami and the Florida Keys](#) Editors of Time Out, 2013-07-23 The sixth edition of Time Out Miami and the Florida Keys is your VIP pass to this A-list city. Time Out's intrepid team of insiders has combed its beaches, bars, restaurants, and secret spots to create the definitive guide to the fabulous, surreal life of Miami. All rumors of this city being heaven's waiting room will be dispelled as Miami's vibrant, youthful culture is exposed and explored. We will shed light, and not just a neon one, on the evolution of what was once a sleepy beach town into one of the world's most glamorous spots.

No Regrets, Coyote John Dufresne, 2025-04-25 A very cool ride. If Raymond Chandler was reincarnated as a novelist in South Florida, he couldn't nail it any better than Dufresne. Carl Hiaasen. On Christmas Eve in Eden, Florida, Wylie Coyote Melville, therapist and forensic consultant, is summoned to a horrific crime scene. Five members of the Halliday family have been brutally killed. Wylie's rare talent is an ability to read a crime scene, consider the evidence seen and unseen, and determine what's likely to have happened. The police are soon convinced that the deaths were a murder-suicide carried out by a broken and desperate Chafin Halliday, but Wylie's not so sure. As Wylie begins his own investigation with the help of his friend Bay Lettigue, a poker-playing sleight-of-hand artist with links to the Everglades County underworld, he discovers a web of corruption involving the police union, Ponzi-scheming lawyers, county politicians, and the Russian mob. What follows is a heart-stopping, edgy novel that introduces a completely original crime solver.
