Steve Jobs' Life by Design George Beahm, 2014-05-13 On June 12 2005 Steve Jobs gave his first and only commencement address to the 114th graduating class at Stanford University an audience of approximately 23 000 They witnessed history Jobs 22 minute prepared speech subsequently reached 26 million online viewers worldwide It is by far the most popular commencement address in history framed with three stories that succinctly summed up the most important lessons Jobs learned in life Life changing lessons he explained can only be connected when looking back which he had done in preparation for his talk *Steve Jobs Life by Design* starts with Jobs own words in the text of his talk and expands outward from there In the address Jobs gave us the dots but he didn t have the luxury of time to connect them So much about his life his viewpoint and his personal and business philosophies were mentioned but not explained We know what he said but what actually did he mean What can we learn from him This book connects those dots We see Jobs life and career through his own eyes in context and in proper perspective His process of looking back illuminated his life and by doing so he serves as an inspiration to illuminate our lives as well

Wise Guy Guy Kawasaki, 2019-02-26 Silicon Valley icon and bestselling author Guy Kawasaki shares the unlikely stories of his life and the lessons we can draw from them Guy Kawasaki has been a fixture in the tech world since he was part of Apple s original Macintosh team in the 1980s He s widely respected as a source of wisdom about entrepreneurship venture capital marketing and business evangelism which he s shared in bestselling books such as *The Art of the Start* and *Enchantment* But before all that he was just a middle class kid in Hawaii a grandson of Japanese immigrants who loved football and got a C in 9th grade English *Wise Guy* his most personal book is about his surprising journey It s not a traditional memoir but a series of vignettes He toyed with calling it *Miso Soup for the Soul* because these stories like those in the *Chicken Soup* series reflect a wide range of experiences that have enlightened and inspired him For instance you ll follow

Guy as he Gets his first real job in the jewelry business which turned out to be surprisingly useful training for the tech world Disparages one of Apple s potential partners in front of that company s CEO at the sneaky instigation of Steve Jobs Blows up his Apple career with a single sentence after Jobs withholds a pre release copy of the Think Different ad campaign That s okay Steve I don t trust you either Reevaluates his self importance after being mistaken for Jackie Chan by four young women Takes up surfing at age 62 which teaches him that you can discover a new passion at any age but younger is easier Guy covers everything from moral values to business skills to parenting As he writes I hope my stories help you live a more joyous productive and meaningful life If Wise Guy succeeds at this then that s the best story of all

The Village Effect Susan Pinker, 2014-08-26 In her surprising entertaining and persuasive new book award winning author and psychologist Susan Pinker shows how face to face contact is crucial for learning happiness resilience and longevity From birth to death human beings are hardwired to connect to other human beings Face to face contact matters tight bonds of friendship and love heal us help children learn extend our lives and make us happy Looser in person bonds matter too combining with our close relationships to form a personal village around us one that exerts unique effects Not just any social networks will do we need the real in the flesh encounters that tie human families groups of friends and communities together Marrying the findings of the new field of social neuroscience with gripping human stories Susan Pinker explores the impact of face to face contact from cradle to grave from city to Sardinian mountain village from classroom to workplace from love to marriage to divorce Her results are enlightening and enlivening and they challenge many of our assumptions Most of us have left the literal village behind and don t want to give up our new technologies to go back there But as Pinker writes so compellingly we need close social bonds and uninterrupted face time with our friends and families in order to thrive even to survive Creating our own village effect makes us happier It can also save our lives Praise for The Village Effect The benefits of the digital age have been oversold Or to put it another way there is plenty of life left in face to face human interaction That is the message emerging from this entertaining book by Susan Pinker a Canadian psychologist Citing a wealth of research and reinforced with her own arguments Pinker suggests we should make an effort at work and in our private lives to promote greater levels of personal intimacy Financial Times Drawing on scores of psychological and sociological studies Pinker suggests that living as our ancestors did steeped in face to face contact and physical proximity is the key to health while loneliness is less an exalted existential state than a public health risk That her point is fairly obvious doesn t diminish its importance smart readers will take the book out to a park to enjoy in the company of others The Boston Globe A hopeful warm guide to living more intimately in an disconnected era Publishers Weekly A terrific book Pinker makes a hardheaded case for a softhearted virtue Read this book Then talk about it in person with a friend Daniel H Pink New York Times bestselling author of Drive and To Sell Is Human What do Sardinian men Trader Joe s employees and nuns have in common Real social networks though not the kind you ll find on Facebook or Twitter Susan Pinker s delightful book shows why face to face interaction at home school
