Hussin A.Rothana

Beyond Control Abc And The Fate Of The Networks:

Networks of Power Dennis W. Mazzocco,1994 This book is a startling expose of the increasing threat to free speech a democratic government Mazzocco describes the ways that an ever expanding U S based multinational media cartel velis the machinations of the corporate state by dominating worldwide markets for TV radio newspapers books movies cable recordings and videos

Beyond Control Huntington Williams,1989 Known to viewers as the network of Roone Arledge and Howard Cosell to Hollywood as the network of Dynasty and to Wall Street as the network prime for takeover ABC was the first of the Big Three networks to change hands 8 page insert *Encyclopedia of Radio 3-Volume Set* Christopher H. Sterling,2004-03 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio s technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined

TV in the USA Vincent LoBrutto,2018-01-04 This three volume set is a valuable resource for researching the history of American television An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society What are the reasons behind enduring popularity of television genres such as police crime dramas soap operas sitcoms and reality TV What impact has television had on the culture and morality of American life Does television largely emulate and reflect real life and society or vice versa How does television s influence differ from that of other media such as newspapers and magazines radio movies and the Internet These are just a few of the questions explored in the three volume encyclopedia TV in the USA A History of Icons Idols and Ideas This expansive set covers television from 1950 to the present day addressing shows of all genres well known programs and short lived series alike broadcast on the traditional and cable networks All three volumes lead off with a keynote essay regarding the technical and historical features of the decade s covered Each entry on a specific show investigates the narrative themes and history of the program provides comprehensive information about when the show started and ended and why and identifies the star players directors producers and other key members of the crew of each television production The set also features essays that explore how a particular program or type of show has influenced or reflected American society and it includes numerous sidebars packed with interesting data related information and additional insights into the subject matter

The More You Watch the Less You Know Danny Schechter,2011-01-04 A candid insider s tale of how the media really works and why it doesn t work the way it should The More You Watch The Less You Know has emerged as a key catalyst in the debate on media reform The More You Watch The Less You Know recounts Schechter s media adventures from when he was Danny Schechter the News Dissector on Boston s WBCN radio to his stints as a

producer at ABC's 20/20 and CNN to his personal odyssey chronicling the anti Apartheid revolution in South Africa to his development of innovative programming like South Africa Now and Rights Wrongs as an independent producer In this age of telecommunications bills and media mergers The More You Watch The Less You Know is an insider's passionate plea for freedom of the electronic press **Telecommunications Update** ,1989 *Perspectives on Radio and Television* F. Leslie Smith,David H. Ostroff,John W. Wright,2023-05-31 This textbook describes the field of radio and television in the United States presents the material in a manner the reader can grasp and enjoy and makes the book useful for the classroom teacher Written for adaptation to individual teaching situations the book is divided by subject matter into logical chapter divisions that can be assigned in the order appropriate for specific course students Each chapter stands by itself but the book is also an integrated whole It is easy to understand at first reading by beginning radio television majors or nonmajor elective students alike To give readers a complete picture of the field subjects such as ethics careers and rivals to U S commercial radio and television are included Encyclopedia of Television Horace Newcomb,2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclopedia of Television 2nd edition website **Methods of Historical Analysis in Electronic Media** Donald G. Godfrey,2006-08-15 Methods of Historical Analysis in Electronic Media provides a foundation for historical research in electronic media by addressing the literature and the methods traditional and the eclectic methods of scholarship as applied to electronic media It is about history broadcast electronic media history and history that has been broadcast and also about the historiography research written and the research yet to be written Divided into five parts this book addresses the challenges in the application of the historical methods to broadcast history reviews the various methods appropriate for electronic media research based on the nature of the object under study suggests new approaches to popular historical topics takes a broad topical look at history in broadcasting and provides a broad overview of what has been accomplished a historian's challenges and future research Intended for students and researchers in broadcast history Methods of Historical Analysis in Electronic Media provides an understanding of the qualitative methodological tools necessary for the study of electronic media history and illustrates how to find primary sources for electronic media research Play-by-Play Ronald A. Smith,2003-05-22 Noted sports historian writes on the relationship of the media to college athletics Chosen as an Outstanding Academic Title for 2003 by Choice Magazine The phenomenal popularity of college athletics owes as much to media coverage of games as it does to drum beating alumni and frantic undergraduates Play by play broadcasts of big college games began in the 1920s via radio a medium that left much to the listener's imagination and stoked interest in college football After World War II the rise of television brought with it network NCAA deals that reeked of money and fostered bitter jealousies between have and have not institutions In Play by Play Radio Television and Big Time College Sport noted author and sports insider Ronald A Smith

examines the troubled relationship between higher education and the broadcasting industry the effects of TV revenue on college athletics notably football and the odds of achieving meaningful reform Beginning with the early days of radio Smith describes the first bowl game broadcasts the media image of Notre Dame and coach Knute Rockne and the threat broadcasting seemed to pose to college football attendance He explores the beginnings of television the growth of networks the NCAA decision to control football telecasts the place of advertising the role of TV announcers and the threat of NCAA Robin Hoods and the College Football Association to NCAA television control Taking readers behind the scenes he explains the culture of the college athletic department and reveals the many ways in which broadcasting dollars make friends in the right places Play by Play is an eye opening look at the political infighting invariably produced by the deadly combination of university administrators athletic czars and huge revenue
