Product description

Individual mounting solutions and flexible applications in hazardous areas – the IS30-Ex makes it possible. With its numerous interfaces and software programs it ensures smooth production processes along your entire supply chain. Same as all Ex models of our IS series this weighing terminal safely and reliably meets the demands of your production and the requirements of the ATEX directive in Ex zone 1/21.

This weighing terminal combines ergonomics with optimal ease of use. Via the large full graphics display your staff can see all relevant information at a glance. Data is efficiently entered or selected via an alphanumeric keyboard. Also when wearing gloves. Large keys with mechanical pressure point and acoustic acknowledgement ensure safe processes. Precise and fast weight determination as well as quick and safe data transfer to higher-ranking systems round up the performance of this weighing terminal. Even when used with two load receptors connected.
