Balancing Act Going For Gold:

Female Olympian and Paralympian Events Linda K. Fuller, 2018-10-04 Female Olympian and Paralympian Events is a groundbreaking book that examines women's sports in the Olympic and Paralympic Games which have long been underappreciated and under analyzed. The book begins with a brief background on women's participation in the Olympic Games and their role relative to the International Olympic Committee then introduces the underlying Gendered Critical Discourse Analysis theory used throughout the book's analysis before delving into a literature review of female Olympians and Paralympians events. It includes a listing of noteworthy firsts in the field followed by individual discussions of twenty-eight Summer and seven Winter events analyzed according to their historical rhetorical and popular cultural representations. Women's unique roles in the various events are discussed; particular athletes and Paralympic events are highlighted and original tables are also included. At the end of each section, affiliated organizations and resources are included in this invaluable referential volume. Learn2succeed.com Inc, Learn2succeed. com Incorporated, 2014-06-30 **Balancing Acts** Natasha Kumar Warikoo, 2011-02-09 In this timely examination of children of immigrants in New York and London, Natasha Kumar Warikoo asks, "Is there a link between rap/hip hop influenced youth culture and motivation to succeed in school?" Warikoo challenges teachers, administrators, and parents to look beneath the outward manifestations of youth culture—the clothing, music, and tough talk—to better understand the internal struggle faced by many minority students as they try to fit in with peers while working to lay the groundwork for successful lives. Using ethnographic survey and interview data in two racially diverse low-achieving high schools, Warikoo analyzes seemingly oppositional styles, tastes in music, and school behaviors and finds that most teens try to find a balance between success with peers and success in school.
