Ballads and Contributions to 'Punch', 1842-1850 (Classic Reprint) William Makepeace Thackeray, 2016-09-16 Excerpt from *Ballads and Contributions to Punch 1842 1850* IT has sometimes been held that in no single volume of Thackeray's works can his literary quality be better and more completely discerned than in that which contains his work in verse Here as elsewhere he never made the smallest mistake of over valuation in respect of his performances here almost more than elsewhere he did not hypocritically but honestly undervalue them The very title which he chose for them generally is an evidence of this for though ballad is not out of place for the very highest creations of poetry it also has and had still more in his time a belittling sense a connotation of street ballad and the like Most of the things are avowedly burlesque some of them are almost though of course intentionally doggerel About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Catalog of Reprints in Series](#) ,1953
