Ethical Practice of Social Media in Public Relations Marcia DiStaso, Denise Bortree, 2014-06-27 Given the high rate of social media use by the public organizations are compelled to engage with key audiences through these outlets Social media engagement requires organizations to actively participate with public groups and this highly interactive exchange raises a new set of ethical concerns for communicators In this rapidly changing communications environment the long term implications of social media are uncertain and this book provides the much needed research to understand its impact on audiences and organizations Through an examination of a broad range of ethics concepts including transparency and online identities policies corporate responsibility and measurement this book explores a variety of topics important to public relations such as diversity non profit communication health communication financial communication public affairs entertainment communication environmental communication crisis communication and non profit communication The chapter authors expert scholars within their fields of public relations offer insights drawn from original research and case study examples of ethical dilemmas raised by social media communication

Social Media Judo Chris Aarons, Geoff Nelson, Nick White, 2011-04 Are your social media efforts delivering real tangible results while paying for themselves Social media judo is born out of the philosophy of successes we have had creating programs using minimal client effort and achieving maximum results This is exactly why social media works for marketing and why it drives ROI and is hyper effective when done correctly Social media and the resulting effect on all of us are driven by the momentum of real influencers working to inform and educate other buyers Your job is to find a way to tap into this momentum and help propel your company to be greater than the sum of its parts Social media judo will show how to do just that as well as how to create your own judo moves that will increase sales cut marketing costs boost engagement and most importantly pay for themselves with real revenue Ivy has helped dozens of other large and small companies such as AMD AT T HP Microsoft ProFlowers Time Inc launch and grow their social media efforts In addition Ivy Worldwide s program 31 Days of the Dragon for HP has won more awards for ROI than any other campaign The campaign is considered to be one of the most successful of all time Foreword by Chris Pirillo Chris Pirillo com one of the most influential bloggers ever and arguably one of the best online marketers ever born Customer Praise for Ivy Worldwide Do you want to know how to use disruptive marketing at its best to drive sales while giving your competitors serious heartburn We used the principles in this book to create a long string of

successful campaigns for HP including the groundbreaking 31 Days of the Dragon program that re wrote the rules for what is possible for social media marketing After reading this book you ll know why social media is worth the hype Scott Ballantyne Vice President Hewlett Packard Corp Social Media Judo should be mandatory reading for any marketer looking to boost ROI and tap into the power of social media The guys at Ivy and I used the concepts in this book to drive B2B programs that delivered ROI on a number of levels the most important being leads and sales Now I cannot envision creating a campaign without identifying and using the judo moves described in this book Bruce Shaw Executive Director Lenovo Ivy Worldwide is a very unique agency and Social Media Judo is a unique book They have succeeded in facilitating critical high profile launches Unlike traditional agencies that are only able to measure ROI with soft marketing metrics Ivy meets and exceeds marketing and business objectives In addition they have the requisite strategic tactical and creative prowess to operate effectively in the social media arena which is a combination hard to find in just one agency I strongly recommend listening to what they have to say Denise Lu Senior Campaign Manager Adobe Systems

Account-Based Marketing Chris Golec, Peter Isaacson, Jessica Fewless, 2019-03-12 Account Based Marketing is changing the discipline of marketing Why Business to business B2B companies spend 40 Billion on marketing each year and they embrace tech driven innovations yet the traditional model for lead generation has not changed for decades Why In addition to the techniques being outdated they create friction and distrust between marketing and sales teams ABM has quickly gained traction with leading B2B companies because it aligns sales and marketing teams around the accounts that will have the most business impact Instead of chasing a large volume of lower quality generic leads ABM helps sales and marketing professionals coordinate their efforts against a specific set of target accounts Despite the clear advantages of ABM there continues to be much confusion around just how to implement it Written by the leaders behind the successful marketing firm Demandbase Account Based Marketing explains how to execute a world class ABM strategy from start to finish Find out exactly how highly successful B2B companies are using Account Based Marketing to grow their customer base Develop an effective strategy to adapt ABM principles for your own organization with its own unique needs Integrate your sales and marketing processes into an efficient cohesive workflow Locate and attract the ideal clients for your business to increase revenue and open up new opportunities From building the right target account list and understanding the impact of ABM on marketing programs to selling ABM within an organization and finding budget for the strategy you ll find it all in this authoritative guide
