

English Writing Module Assessment

How do I prepare for

it, please?

Thinking like the student:

1. What are the key messages I need to remember?

The problem is that there are multiple versions, not just one. So how can I get the right version? I need to be able to identify the version that is the most appropriate for the situation. I need to be able to identify the version that is the most appropriate for the situation.

2. Why does this version matter? Why is this version important to me?

The problem is that there are multiple versions, not just one. So how can I get the right version? I need to be able to identify the version that is the most appropriate for the situation. I need to be able to identify the version that is the most appropriate for the situation.

3. How do I know this version is the right one?

The problem is that there are multiple versions, not just one. So how can I get the right version? I need to be able to identify the version that is the most appropriate for the situation. I need to be able to identify the version that is the most appropriate for the situation.

4. What are the key messages I need to remember?
