Creon has ordered that their brother, Polynices, is not to be given a proper burial.

2. Contrast Ismene and Antigone in terms of their character traits.

Antigone is determined, willful, ready to face death. She does what she believes is right to protect her honor. Ismene is passive, obedient, and feels she is powerless against the state.

She will bury her brother because it is the will of the gods that a family gives its members a proper burial. She will face the punishment of death for disobeying Creon's order.
