Barack Obama This Improbable Quest:

Barack Obama John K. Wilson, 2016-01-08 Barack Obama is quickly becoming America's most popular politician and his run for the presidency has brought huge crowds at home and an unprecedented wave of international attention as well. Much more than a biography, this book is a political tour of Obama's legislative experience as well as his ideas about race, religion, and politics. Political writer John K. Wilson, author of four previous books including a study of Newt Gingrich, explores the reaction Obama has received from the left, the right, and the media. As the first presidential candidate from Generation X, Obama has generated an exciting movement of young people to support his campaign as he defines a new kind of broadly popular progressive politics. As improbable as such a quest may be, this fresh new candidate may be just the right one to bridge not only generations but ideologies that often divide. Amid all the hype surrounding Obama, this book provides the first in-depth look at what he believes, what he represents, and how he might transform American politics. **Barack Obama**

Joann F. Price, 2008-11-21 By any measure, the 2008 presidential race has been historic. The race has created an enthusiasm and a high degree of interest in politics few have ever seen before. At the center of the race is Barack Obama, the first African American to become the presumptive Democratic nominee. Many Americans agree with his politics, and many don't, but most agree he is an incredible force in today's highly charged political world and has come along at one of the most crucial difficult times in our nation's history. For a sense of what has transpired in this campaign and how it is different from others in America's history, this book looks at one candidate from the perspective of quotations made by and about Barack Obama. Thematically arranged, chapters highlight topics including Obama's heritage, his family, state and national politics, his run for the presidency, the issues of the day, community activism and service, and thoughts on race and faith. Each chapter contains an introduction, and many of the quotations are supported with background information to give students and general readers a better understanding of the current events and political issues at play. Ideal for student assignments as well as for reading cover to cover, this volume offers the most representative, revealing, and often controversial quotes by and about a man who has created a movement in American politics. **The Riddle of Barack Obama**

Avner Falk, 2010-08-03 An internationally noted clinical psychologist offers readers the first psychological biography of Barack Obama. *The Riddle of Barack Obama: A Psychobiography* is the first complete psychological biography of President Barack Obama, written by a professional clinical psychologist. Covering Obama's life to date as well as the lives of his parents, grandparents, and other ancestors, this fascinating volume illuminates the personal, professional, political, emotional, intellectual, and creative aspects of Obama's personality as well as the motives, conscious and unconscious, for his beliefs and actions. Dr. Avner Falk draws on hundreds of biographies, newspaper and magazine articles, interviews, investigative reports, and more, using psychoanalytic models developed by Sigmund Freud, Donald Winnicott, Peter Blos, Heinz Kohut, and Schiffer to probe Obama's psychological development. Examining every facet of the president's biography, he delves into his earliest feelings of abandonment and

helplessness his inner conflicts his protective relationship with his mother his ambivalent identification with his father and his quest for identity Perhaps most intriguingly Dr Falk explores the psychological origins of Obama's fierce ambitions and the ingredients of his charisma

Critical Essays on Barack Obama Melvin B. Rahming, 2011-12-15 This collection of critical essays explores the life and writings of President Barack Obama The individual essays written by a diverse body of scholars examine specific facets of Obama's career from personal communal national and international reactions to his presidential election to his controversial contributions to the global conversation about race his impact on popular culture and race relations his literary political and philosophical visions his attitude toward the American constitution his enactment of new legislation to the manner in which he attempts to influence American public policy and to the implications his presidency holds for Europe Africa and the Caribbean Ranging far beyond the presentation of personal opinions about the Obama Administration these essays offer scholarly perspectives on Obama's two books and on his multidimensional efforts to remove the obstacles to equality of opportunity in the United States They also explore Obama's potential for re-shaping the American social and cultural terrain and by extension for re-vitalizing the American Dream This book should be of interest to scholars of political science literature history philosophy religion and psycho-culture as well as to the general reading public

The Faith of Barack Obama Stephen Mansfield, 2023-03-21 You must read this perceptive and well-written book Then you will know why Barack Obama has such a passion for justice and equity Archbishop Desmond Tutu Barack Obama The speculation about his religious life abounds Is he a closet Muslim Is he really a Christian Did his faith have anything to do with his governing As the picture of President Obama's faith has emerged questions about the foundation of his beliefs continue to ignite debate In this updated edition of his international bestseller *The Faith of Barack Obama* New York Times bestselling author Stephen Mansfield explores the claims of Obama's detractors and supporters alike while examining how the challenges of the presidency shaped Obama's religious beliefs This evenhanded account of the former president's spiritual life provides a closer look at the people and events that have influenced his belief system Mansfield analyzes Obama's friendship with the controversial Jeremiah Wright and also profiles the Christian leaders who offered guidance and support during the president's challenging term Mansfield takes you inside the religious life of Barack Obama introducing you to the type of preaching the president heard at Camp David and even revealing details such as the content of the daily devotional readings the former president received on his cell phone This fascinating study explains the faith elements within Obama's politics while acknowledging the questions about his beliefs that remain unanswered Mansfield presents an analysis of Obama's distinctly postmodern journey that will generate valuable discussion across the religious spectrum Publishers Weekly

Barack Obama's Post-American Foreign Policy Robert Singh, 2012-06-07 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com After one of the most controversial and divisive periods in the history of American foreign policy under President George W Bush the Obama

administration was expected to make changes for the better in US relations with the wider world Now international problems confronting Obama appear more intractable and there seems to be a marked continuity in policies between Obama and his predecessor Robert Singh argues that Obama's approach of strategic engagement was appropriate for a new era of constrained internationalism but it has yielded modest results Obama's search for the pragmatic middle has cost him political support at home and abroad whilst failing to make decisive gains Singh suggests by calibrating his foreign policies to the emergence of a post American world the president has yet to preside over a renaissance of US global leadership Ironically Obama's policies have instead hastened the arrival of a post American world *Barack Obama* Britannica Educational Publishing,2012-12-01 Sweeping into the office of U S president with his mesmerizing oratory of hope and change Barack Obama forever transformed American politics As the first African American to hold the title his election represented a historic milestone both socially and politically The 44th president's remarkable journey from Hawaii and Indonesia to Chicago and the White House is chronicled and the major issues including the financial crisis healthcare and foreign policy that his administration has faced are examined **Beyond Black and White** Manning Marable,2016-11-08 Highly acclaimed dissection of the new racism from one of the greatest radical black intellectuals of our time Many in the United States including Barack Obama have called for a post racial politics yet race still divides the country politically economically and socially In this highly acclaimed work Manning Marable rejects both liberal inclusionist strategies and the separatist politics of the likes of Louis Farrakhan Looking back at African American politics and the fight against racism of the recent past he argues powerfully for a transformationist strategy that retains a distinctive black cultural identity but draws together all the poor and exploited in a united struggle against oppression Witness to Greatness Obi Nwasokwa,2016-03-23 It is the very stuff of legend A man from the very bottom of the American caste emerges seemingly out of nowhere captures the nation's imagination and improbably within four odd years defies gravity and rises to the dizzying height of the American presidency thereby becoming the first non white in history elected to lead an overwhelmingly white nation A Cinderella like fairy tale No That's the story of President Barack Obama Seismic and epic it is a biblical tale of the trials travails tribulations and dazzling triumphs of the rejected stone that became cornerstone of Moses as pharaoh Reviled and vilified like his legendary idol Abraham Lincoln whose election sparked the American civil war Obamas election likewise triggered a cold uncivil civil war That notwithstanding his achievements are impressive even historic Regarded as a Gettysburg like pivotal moment in American history Obamas metaphorical conquest of the American presidency is a monumental achievement a crossing of the Rubicon and a historic 1066 type turning point matched in its sheer historic weight and majesty only by the achievements of Washington and Lincoln It reboots American democracy and heralds a new Yes We can era of American and world history with new and expansive possibilities already evident in the unusual and iconoclastic demographic profiles of many of his wannabe successors It gives credence to the creed All men are created equal and confers legitimacy on American

democracy It redounds to the credit of the nation and burnishes her image as the pacesetter in the quest for interracial harmony Citing these and Obamas many other achievements such as saving a moribund economy and reforming healthcare the author predicts that Obama will be revered as one of Americas greatest presidents *The Obama Phenomenon* Charles P. Henry, Robert Allen, Robert Chrisman, 2011-09-28 Barack Obama s campaign and electoral victory demonstrated the dynamic nature of American democracy Beginning as a special issue of *The Black Scholar* this probing collection illustrates the impact of the Obama phenomenon on the future of U S race relations through readings on Barack Obama s campaign as well as the idealism and pragmatism of the Obama administration Some of the foremost scholars of African American politics and culture from an array of disciplines including political science theology economics history journalism sociology cultural studies and law offer critical analyses of topics as diverse as Obama and the media Obama s connection with the hip hop community the public s perception of first lady Michelle Obama voter behavior and the history of racial issues in presidential campaigns since the 1960s Contributors are Josephine A V Allen Robert L Allen Herb Boyd Donald R Deskins Jr Cheryl I Harris Charles P Henry Dwight N Hopkins John L Jackson Maulana Karenga Robin D G Kelley Martin Kilson Clarence Lusane Julianne Malveaux Shaun Ossei Owusu Dianne M Pinderhughes Sherman C Puckett Scharn Robinson Ula Y Taylor Alice Walker Hanes Walton Jr and Ronald Williams II
