A photograph of the Space Shuttle Columbia during its ascent. The shuttle is positioned vertically, with its orange external tank and white solid rocket boosters clearly visible. A massive, bright white plume of smoke and fire emanates from the base of the shuttle, creating a large, billowing cloud that fills the lower half of the frame. To the left of the shuttle, a yellow service structure is visible, partially obscured by the smoke. The background is a clear blue sky. The text "Introduction to Web Design Programming" is overlaid on the right side of the image in a bold, white, sans-serif font. The words "Introduction" and "Programming" are on separate lines, while "to Web Design" is on a single line between them. The word "USA" is visible on the side of the shuttle's orbiter.
