The uniforms at right are to be used with the 1977 edition (1976 baseball season) of APBA baseball cards when playing the APBA Junior League Baseball League Game.

Players are listed in the same order as they are on this year's line up sheet, except that the additional (X)FL players are included as well. (X)FL players are denoted as such.

The abbreviations heading the respective columns at right are discussed as follows:

(B) - batting characteristics (D) - rated difference letter and - success number (S) - speed rating (A) - arm rating (F) - released ball rating (R) - throwing rating on scale	(G) - numerical grade rating (L) - ball pitch rating (H) - hot leather rating (B) - base rating (M) - move-to-first rating (P.A.) - numerical allowance rating
--	---

The proper utilization of each of the above symbols is described within the game instructions. Some symbols, of course, apply only to certain games while others apply only to others.

An asterisk (*) following a pitcher's grade rating indicates it is actually a relief rating. Some pitchers have separate ratings for starting and relieving.

NOTE: Some less player cards may have the notation "Black 2nd with lower simply only" at the bottom. This automatic steal following a walk DOES NOT APPLY when playing the Master Game. It is in effect only with the Basic game.
