**Reinhard Hütter**

## **Aquinass Summa Background Structure And Reception:**

Aquinas's Summa Jean-Pierre Torrell, 2005-09 The second half of the book surveys the history of the Summa's influence from Aquinas's death in 1274 through the twentieth century Torrell traces the fate of Aquinas's Summa from its slow start through the eventual emergence of Thomism to its widespread acceptance The nineteenth and twentieth centuries witnessed the ultimate triumph of Aquinas's work with the encyclical *Aeternis patris* and in the wake of Vatican II there has been renewed interest in its content and method **BOOK JACKET**

Saint Thomas Aquinas Jean-Pierre Torrell, OP, Jean-Pierre Torrell, 2022-08-26 The presentation of the life and work of any great thinker is a formidable task even for a renowned scholar This is all the more the case when such a historical figure is a saint and mystic such as Friar Thomas Aquinas In this volume Fr Jean Pierre Torrell OP masterfully takes up the strenuous task of presenting such a biography providing readers with a detailed scholarly and profound account of the thirteenth century theologian whose works have not ceased to draw the attention of both friend and foe In this volume Fr Torrell an internationally renowned expert on St Thomas speaks to neophytes and experts alike for those new to Thomas's works he paints an engaging human portrait of Friar Thomas in his historical context for specialists he provides a rigorous scholarly account of contemporary research concerning Thomas's life and work This new edition of Fr Torrell's widely lauded text involved significant revision expansion and bibliographical updates in light of the latest scholarship The Catholic University of America Press is pleased to present such an eminent specialist's mature synthesis concerning Friar Thomas Aquinas

Dust Bound for Heaven Reinhard Hütter, 2012-10 In *Dust Bound for Heaven* Reinhard Hütter shows how Thomas Aquinas's view of the human being as dust bound for heaven weaves together elements of two questions without fusion or reduction Does humanity still have an insatiable thirst for God that sends each person on an irrepressible religious quest that only the vision of God can quench Or must the human being living after the fall become a new creation in order to be readied for heaven Hütter also applies Thomas's anthropology to a host of pressing contemporary concerns including the modern crisis of faith and reason political theology the relationship between divine grace and human freedom and many more The concluding chapter explores the Christological center of Thomas's theology

Modern Jurisprudence Sean Coyle, 2017-08-24 The second edition of this book provides a concise and accessible guide to modern jurisprudence offering an examination of the major theories as well as highlighting principal themes such as legality and justice Together with new material the second edition explores the historical developments and ideas that give modern thinking its distinctive shape A key feature of the book is that readers are not simply presented with opposing theories but are guided through the rival standpoints on the basis of a coherent line of reflection from which an overall sense of the subject can be gained Chapters on Hart Fuller Rawls Dworkin and Finnis take the reader systematically through the terrain of modern legal philosophy tracing the issues back to fundamental questions of philosophy and indicating lines of criticism that result in a fresh and original perspective on the subject

Theology in the Democracy of the Dead Matt

Jenson, 2019-10-15 G K Chesterton wrote Tradition means giving votes to the most obscure of all classes our ancestors It is the democracy of the dead This book pays homage to major theologians of the Christian tradition that tell the history of theology Matt Jenson engages in charitable yet critical exposition and dialogue with eleven select thinkers offering a lucid synthetic account of their theology with a view to ongoing systematic theological issues He engages directly with core primary texts and treats individual theologians in greater depth and nuance than most overview textbooks **Speaking with Aquinas** David Farina Turnbloom, 2017 According to Thomas Aquinas the Eucharist is meant to build up the unity of the church This desired ecclesial unity is however not often given adequate treatment In *Speaking with Aquinas* David Farina Turnbloom seeks to describe the relationship between the celebration of the Eucharist and the unity of the church By examining Aquinas's treatment of grace and virtues this book allows the reader to understand Aquinas's eucharistic theology within the context of the spiritual life of the church In the end Turnbloom retrieves a Thomistic theology of the Eucharist that arises from Aquinas's concern for the virtuous life of the church rather than a eucharistic theology that too narrowly focuses on theories of transubstantiation **Thomas and the Thomists** Romanus Cessario, OP, Cajetan Cuddy, OP, 2018-02-01 Thomas Aquinas 1224-1274 is one of the most important thinkers in the history of western civilization A philosopher and theologian a priest and preacher Aquinas bequeathed to the world an enduring synthesis of philosophy theology and Christian spirituality Aquinas championed the integration of faith and action sound doctrine and right living orthodoxy and orthopraxy From the thirteenth century through the present day his legacy has served as a blessing for the church and beyond In the nearly eight hundred years since Aquinas's death his thought has been studied interpreted criticized reinvigorated and anointed as the exemplar of Catholic theology *Thomas and the Thomists* a new volume in the Mapping the Tradition series serves as an introduction to the life of Aquinas the major contours of his teaching and the lasting contribution he made to Christian thought Romanus Cessario and Cajetan Cuddy also outline the history of the Thomist tradition the great school of Aquinas's interpreters from the medieval era through the revival of the Thomist heritage in the nineteenth and twentieth centuries This volume affords its readers a working guide to understanding the history of Aquinas and his expositors as well as to grasping their significance for us today Thomas Aquinas Prudlo, Donald S., 2020 Reintroduces this significant thinker in his context as a man as a mendicant as a mystic as a saint The Christian Theological Tradition Mark McInroy, Michael J. Hollerich, 2019-07-26 The fourth edition of *The Christian Theological Tradition* provides students with essential theological knowledge of key persons and events of the Bible and the Christian faith and of Christianity's multifaceted encounter with Western culture Historically arranged the textbook addresses major theological themes such as revelation God Jesus Christ Creation salvation and the church The textbook deals with the entire Christian tradition from an orientation that is both Catholic and ecumenical with the fourth edition including expanded coverage of modern Protestant Christianity *The Christian Theological Tradition* has been thoroughly revised and updated

with nine new or rewritten chapters including A new section on the reception of the Second Vatican Council including the pontificate of Pope Francis A new treatment of contemporary developments in liberation and environmental theology A new examination of the relationship between science and Christianity An entirely rewritten treatment of Islam that focuses on the ways in which the Christian tradition has historically understood and responded to Islam A new discussion of the New Atheism with theological responses to this influential movement New textboxes on aspects of religious life such as liturgy prayer art moral teaching and social institutions appropriate to given chapters With the assistance of images and maps key words and recommended reading this textbook outlines the methods for Christian theology and demonstrates the relevance of the Christian theological tradition for our contemporary world This is an ideal resource for students of theology biblical studies or religious studies and anyone wanting an accessible and comprehensive introduction to the Christian theological tradition

**Aristotle in Aquinas's Theology** Gilles P. Emery, Matthew Levering, 2015-10-29 Aristotle in Aquinas's Theology explores the role of Aristotelian concepts principles and themes in Thomas Aquinas's theology Each chapter investigates the significance of Aquinas's theological reception of Aristotle in a central theological domain the Trinity the angels soul and body the Mosaic law grace charity justice contemplation and action Christ and the sacraments In general the essays focus on the Summa theologiae but some range more widely in Aquinas's corpus For some time it has above all been the influence of Aristotle on Aquinas's philosophy that has been the centre of attention Perhaps in reaction to philosophical neo Thomism or perhaps because this Aristotelian influence appears no longer necessary to demonstrate the role of Aristotle in Aquinas's theology presently receives less theological attention than does Aquinas's use of other authorities whether Scripture or particular Fathers especially in domains outside of theological ethics Indeed in some theological circles the influence of Aristotle upon Aquinas's theology is no longer well understood Readers will encounter here the great Aristotelian themes such as act and potency God as pure act substance and accidents power and generation change and motion fourfold causality form and matter hylomorphic anthropology the structure of intellection the relationship between knowledge and will happiness and friendship habits and virtues contemplation and action politics and justice the best form of government and private property and the common good The ten essays in this book engage Aquinas's reception of Aristotle in his theology from a variety of points of view historical philosophical and constructively theological
