Better Governance And Public Policy Capacity Building For Democratic Renewal In Africa:

Better Governance and Public Policy Dele Olowu, Soumana Sako, 2002 Written by prominent scholars and practitioners of African development policy Describes recent governance changes in Africa Analyzes consequences of these changes for institutional reform Highlights challenges of capacity building for economic liberalization and democratization This is an ideal volume for both students and scholars of African development as well as anyone interested in the current issues of African governance Published in association with the African Capacity Building Foundation this book answers such questions as What is the relationship between governance and institutional reforms What is the impact of these reforms on public policy processes And what is the link between economic governance and policy research Governance and the postcolony David Everatt, 2019-08-01 Civil society NGOs governments and multilateral institutions all repeatedly call for improved or good governance yet they seem to speak past one another Governance is in danger of losing all meaning precisely because it means many things to different people in varied locations This is especially true in sub Saharan Africa Here the postcolony takes many forms reflecting the imperial project with painful accuracy Offering a set of multidisciplinary analyses of governance in different sectors crisis management water food security universities in different locales across sub Saharan Africa and from different theoretical approaches network to adversarial network governance this volume makes a useful addition to the growing debates on how to govern It steers away from offering a correct definition of governance or from promoting a particular position on postcoloniality It gives no neat conclusion but invites readers to draw their own conclusions based on these differing approaches to and analyses of governance in the postcolony As a robust critical assessment of power and accountability in the sub Saharan context Governance and the Postcolony Views from Africa brings together topical case studies that will be a valuable resource for those working in the field of African international relations public policy public management and administration

Public Sector Management and Economic Governance in Ghana Joseph R.A. Ayee, Lloyd G.A. Amoah, Seidu M. Alidu, 2024-06-04 This book is one of two volumes that examines the successes and failures of the Ghanaian Fourth Republic from a political public administration and public policy viewpoint Published to coincide with the thirtieth anniversary of the founding of the Fourth Republic these volumes bring together leading scholars to consider the political achievements and failures that have taken place in the country since 1993 and what these tell us about the state of politics and democracy in twenty first century Ghana and beyond This volume focuses on public sector management and economic governance It assesses themes such as policy elites policing bureaucrats and public servants the economy decentralization rural development and foreign policy The volume also places Ghana in a global context demonstrating how lessons learnt from the country can be applied elsewhere and what is unique about the Ghanaian experience It will appeal to all those interested in public management public administration governance economics and African politics

book responds to the need for a specifically African focus on public policy. It outlines the fundamental principles of public policy research and engages with major issues in the study of public policy from an African perspective covering essential topics such as the location and centrality of social sciences in relation to public policy leadership methodology institutions governance and gender. This book is essential for understanding the various aspects and dimensions of policy making in Africa that underscore quality research and are at the core of excellence in teaching and learning.

Routledge Handbook of Public Policy in the Global South Gedion Onyango, Ishtiaq Jamil, 2025-06-30 This important new handbook provides a comprehensive assessment of contemporary public policy and governance in the Global South. It offers incisive comparative analyses and presents policy specific case studies from across Asia Latin America Middle East and Africa. The aim is to inform future governance research policy and practice in these regions. This book is timely as it responds to how governments in the Global South are dealing with recent complex series of challenges and crises of the 21st Century. These range from the pressures of a global pandemic to the impacts of climate change democratic backsliding deteriorating public services and the realignments in the international political economy following the rise of China. In doing so it reflects on the political transformations global convergences and underlying regional as well as national trajectories that have taken place recently focusing on among others Democratic governance and institutional trust Public service delivery motivation and governance outcomes Policy crises disaster management and climate change Policy successes and failures Policy innovations digitalisation and policy research in the Global South. Different authors bring together varied and specialised perspectives and experiences which are important for researchers practitioners and policymakers wishing to understand emerging governance models innovations and challenges within the Global South.

Routledge Handbook of Public Policy in Africa Gedion Onyango, 2021-12-30 This Handbook provides an authoritative and foundational disciplinary overview of African Public Policy and a comprehensive examination of the practicalities of policy analysis policymaking processes implementation and administration in Africa today. The book assembles a multidisciplinary team of distinguished and upcoming Africanist scholars practitioners researchers and policy experts working inside and outside Africa to analyse the historical and emerging policy issues in 21st century Africa. While mostly attentive to comparative public policy in Africa this book attempts to address some of the following pertinent questions: How can public policy be understood and taught in Africa? How does policymaking occur in unstable political contexts or in states under pressure? Has the democratisation of governing systems improved policy processes in Africa? How have recent transformations such as technological proliferation in Africa impacted public policy processes? What are the underlying challenges and potential policy paths for Africa going forward? The contributions examine an interplay of prevailing institutional political structural challenges and opportunities for policy effectiveness to discern striking commonalities and trajectories across different African states. This is a valuable resource for practitioners politicians researchers university students and academics interested in studying and understanding how African

countries are governed *State Politics and Public Policy in Eastern Africa* Gedion Onyango, 2023-03-22 This book analyses major themes in twenty first century east African politics Predominantly authored by researchers and academics from the region it examines recent political developments public policy and governance across east and southern African countries The book advocates for a regionally focused comparative approach across Africa arguing that it provides a greater level of analysis than a complete continental study Adopting a multidisciplinary approach it covers numerous topics relating to politics public policy state and nation building in Africa Filling an important void in current literature the book will appeal to academics practitioners politicians and students of politics public policy and governance Chapter 16 and 20 are available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com) **Public**

Administration Training in Africa Peter Fuseini Haruna, Shikha Vyas-Doorgapersad, 2014-12-19 There is a growing global interest in Africa and how to improve the quality of life of its people and for good reason The world can no longer afford to ignore the democratic changes that have occurred across the continent over the past two decades changes with tremendous implications for professional education and training for the tasks of nation building *Public Administration Training in Africa Competencies in Development Management* presents research findings related to talent and competency development within the framework of public service institutional capacity building The book focuses on public administration questions as they relate to training development and competency building that will strengthen public managers capacity to implement governance policies and work toward improving development management It draws on unique national experiences to provide research and scholarship that advance the dialogue on training and development relevant to African culture and history while at the same time contributing to enhance the field of practice In addition to offering detailed descriptions and analyses of unique national experiences the book also integrates transnational issues of training and development and ties the discussions back to the body of knowledge and scholarship defining the field and discipline of public administration As scholars and experts in their own right the authors make a reasoned case for rethinking and re examining training and development in Africa in light of the emerging governance approach to public administration The comprehensive empirical descriptions and analyses of education and training contexts and cultures written by some of the best minds in the subfield give you the latest research findings and distill relevant experiential and theoretical knowledge tools and skills based on case analyses including carrying out development activity in different cross cultural contexts Democratic Evaluation and Democracy Donna Podems, 2017-02-01 Democratic evaluation brings a way of thinking about evaluation s role in society and in particular its role in strengthening social justice Yet the reality of applying it and what happens when it is applied particularly outside the West is unclear Set in South Africa a newly formed democracy in Southern Africa the book affords an in depth journey that immerses a reader into the realities of evaluation and its relation to democracy The book starts with the broader introductory chapters that set the scene for more detailed ones which bring thorough insights into national

government local government and civil societies experience of evaluation democratic evaluation and their understanding of how it contributes to strengthening democracy or not A teaching case the book concludes by providing guiding questions that encourage reflection discussion and learning that ultimately aims to inform practice and theory *Public Administration in Africa* Shikha Vyas-Doorgapersad,Lukamba-Muhiya. Tshombe,Ernest Peprah Ababio,2016-04-19 With contributions from leading regional scholars Public Administration in Africa Performance and Challenges examines the complexities of the art of governance from the unique African perspective The editors bring together a cohesive study of the major issues and regions by taking an analytic approach with the strong problem solution application Regions addressed range from South Africa Congo Uganda Nigeria Ghana Mauritius and Botswana Themes include colonialism reform poverty economy decentralization financing media political structures and more Beginning with an analysis of the relationship of policy design and its destination service delivery the book discusses the historical development of a state that has gone through upheavals in government and explores a decayed political economy that ultimately results in a need for sweeping measures The text examines the issues emerging policy makers in Africa must tackle namely poverty and the denial or lack of resources to keep a dignified human life It highlights how the media can be a catalyst for good governance and provides analytical aspects of implementing good governance reforms The book concludes with an examination of the concepts of decentralization and devolution in measuring service delivery performance and an exploration of Africa s economic success story It also details the African Peer Review Mechanisms in selected African countries and provides a holistic analysis of local government functioning in Africa These features and more make it an interdisciplinary reference for diverse social economic political and administrative issues
