Better Off Undead Blood And Moonlight 2:

The Bodyguard Next Door Cynthia Eden, 2022-05-10 He s danger and a wicked hot grin Iris Stuart may have a small crush on her neighbor After all Pierce Jennings is gorgeous muscled and he has a laugh that makes her toes curl But she is not going down that particular path of temptation with the former Army Ranger and current Wilde agent Nope Not happening They ll stay in the friend zone because it s safer that way Safer for her and for him Even if looking into his baby blues makes her heart race She s sunshine secrets and a bit of sin Pierce s new neighbor wears paint splattered jeans she smells like sin and he wants to put his hands all over her gorgeous body Too bad she s friend zoned him Too bad she s starring in most of his fantasies Too bad he can t get her out of his head But when danger comes knocking he s just the man she needs So Iris may have a slightly infamous past and a family who more than dabs in art forgeries Iris inherited some of their not so slightly shady skills and unfortunately now some dangerous people want to use her When the bad guys don t take no for an answer and they try to abduct her it s her sexy bodyguard next door who comes to her rescue Suddenly she s got his protection The bad guys want her art skills the Feds in stiff suits want her to work a sting and Pierce He just wants her to be his And what Pierce wants he will get Even if he has to take down an undercover art ring and take on the Feds he will stay by Iris s side He s not just going to be her bodyguard Before they are done he plans to be one hell of a lot more to her Author s Note Does it get better than having a seriously buff ready to handle any threat bodyguard right next door For Iris Stuart this turn of events is probably the best thing that has ever happened to her But falling for sexy Pierce wasn t supposed to happen She s the bad girl He s the hero Except maybe a bad girl can win the heart of the hero provided of course that they can survive the danger heading their way It s time for another WILDE ride What can you expect Hot times lots of danger humor thrills and a guaranteed happy ending **Lie Close To Me** Cynthia Eden, 2018-03-20 Never Let Go Cynthia Eden, 2017-09-26 Roman Will Fall Cynthia Eden, 2021-01-26 She can t work with him They ve been partners for barely a week and Roman Smith if that even was his real last name is already driving Harper Crane absolutely insane His list of faults is a mile long Roman is secretive controlling and far too sexy Okay the sexiness doesn t matter It can t matter What matters is that Roman never listens to orders he is far too quiet and intense and Harper is pretty sure that he is up to some seriously shady side business He isn t supposed to want his new training partner Roman has spent his life in the darkness He is far too well acquainted with evil and working at Wilde Well joining the security and protection firm is supposed to be the first step to turning things around in his world The first step to becoming someone new But some habits are hard to shake And Roman knows that his way too beautiful trainer Harper is already suspicious of him Yeah so she is right to be suspicious Until recently he has been the bad guy in the story His list of past deeds could give anyone nightmares Too bad he only wants to give Harper sweet dreams Trouble has followed Roman Roman has some unfinished business from his past in the form of deadly enemies who have tracked him And now those enemies have gotten the wrong idea about Harper Probably because

Roman couldn't keep his hands off her on a case. They think she is Roman's lover. They think they can use her in order to get to him. They are about to make the worst mistake of their lives. When Roman's enemies kidnap Harper, he drops the good guy role. Roman races to rescue her and they are thrown together in close confines. Intimately close. In order to fight the enemies closing in, Harper and Roman have to trust each other. They have to work together. Stay together. Except the longer they are together, the more Roman realizes just how much he wants the fiery Harper. And soon Roman can't imagine his life without her. Can a reformed bad guy get a chance at happily ever after? Maybe. If things get Wilde enough. Author's note: The badder they are, the harder they fall. And Roman is about to fall HARD. His training partner blindsides him from the very beginning. Bad guys aren't supposed to believe in love at first sight, and hell, Roman doesn't even believe in love at all. But then Harper barrels into his life. When she's threatened, he will do anything and everything necessary to assure her safety. And as for Harper, if she gives him the chance, he will prove to her that even bad guys can be good at least with the right person. The Wilde crew is back. Buckle up and get ready for hot times, danger, and a whole lot of surprises. Until Death Cynthia Eden, 2016-03-03. When everyone wears a mask, who can you trust? And who can you love? When Ivy DuLane witnesses a murder during the madness of Mardi Gras, she enters a deadly cat and mouse game with the killer. The city has gone wild with the annual celebration, and Ivy has to rely on sexy homicide detective and her ex-lover Bennett Morgan for help. But with every moment that passes, the killer grows bolder, and the body count starts to rise. It soon becomes very hard to tell the innocent from the guilty, especially since Bennett is keeping dark secrets of his own. Author's Note: Get ready for the dangerous times to roll. UNTIL DEATH is a hot romantic suspense with a fierce hero, a heroine who will jump from a Mardi Gras float any day of the week, and a dark killer who just will not stop. Pretend You Want Me Cynthia Eden, 2021-12-28. She fixes problems. There is no problem that Aspen Gray can't handle. No case that is too hard. No challenge too great. She's a rising star criminal defense attorney, and she intends to have the world at her feet until a ghost from her past comes back to wreck her carefully designed plans. A ghost who should have been in the ground. And when a dead man comes stalking you, what's a woman to do? Let things get Wilde. As soon as she sets foot in the elite protection and security firm known as Wilde, Aspen knows that she must tread carefully. Her life is on the line, and everything that she has worked so hard to achieve can be destroyed unless one very talented and dangerous Wilde agent can help her out. She needs a man with exceedingly deadly skills, and she needs him now. He can practically see the secrets dripping from her. It should have been a standard undercover operation. Gideon Ranier knew the drill. He was supposed to play the role of his new client's boyfriend so that he could slip into her world, keep her safe, and unmask the jerk screwing around with her. Standard work. No big deal. Former Delta Force, he could do that type of job in his sleep. Except he doesn't count on actually falling for his client. But he does. Hard, fast, and deep. And soon there is nothing that he won't do for her. It's personal. Lines are crossed. Desire grows too strong. Their need won't be denied. But the attacks on Aspen are mounting. As an obsessed killer plays a deadly game, Gideon will have no choice.
