

Beware of the Dog

by Roald Dahl

DOWN below there was only a vast white undulating sea of cloud. Above there was the sun, and the sun was white like the clouds, because it is never yellow when one looks at it from high in the air.

He was still flying the Spitfire. His right hand was on the stick, and he was working the rudder bar with his left leg alone. It was quite easy. The machine was flying well, and he knew what he was doing.

Everything is fine, he thought. I'm doing all right. I'm doing nicely. I know my way home. I'll be there in half an hour. When I land I shall taxi in and switch off my engine and I shall say, help me to get out, will you. I shall make my voice sound ordinary and natural and none of them will take any notice. Then I shall say, someone help me to get out. I can't do it alone because I've lost one of my legs. They'll all laugh and think that I'm joking, and I shall say, all right, come and have a look, you unbelieving bastards. Then Yorky will climb up onto the wing and look inside. He'll probably be sick because of all the blood and the mess. I shall laugh and say, for God's sake, help me out.

He glanced down again at his right leg. There was not much of it left. The cannon shell had taken him on the thigh, just above the knee, and now there was nothing but a great mess and a lot of blood. But there was no pain. When he looked down, he felt as though he were seeing something that did not belong to him. It had nothing to do with him. It was just a mess which happened to be there in the cockpit; something strange and unusual and rather interesting. It was like finding a dead cat on the sofa.

He really felt fine, and because he still felt fine, he felt excited and unafraid.

I won't even bother to call up on the radio for the blood wagon, he thought. It isn't necessary. And when I land I'll sit there quite normally and say, some of you fellows come and help me out, will you, because I've lost one of my legs. That will be funny. I'll laugh a little while I'm saying it; I'll say it calmly and slowly, and they'll think I'm joking. When Yorky comes up onto the wing and gets sick, I'll say, Yorky, you old son of a bitch, have you fixed my car yet? Then when I get out I'll make my report and later I'll go up to London. I'll take that half bottle of whisky with me and I'll give it to Bluey. We'll sit in her room and drink it. I'll get the water out of the bathroom tap. I won't say much until it's time to go to bed, then I'll say, Bluey, I've got a surprise for you. I lost a leg today. But I don't mind so long as you don't. It doesn't even hurt. We'll go everywhere in cars. I always hated walking, except when I walked down the street of the coppersmiths in Bagdad, but I could go in a rickshaw. I could go home and chop wood, but the head always flies off the ax. Hot water, that's what it needs; put it in the bath and make the

The Real Roald Dahl Nadia Cohen, 2018-11-30 Although his hilariously entertaining stories have touched the hearts of generations of children there was much more to beloved author Roald Dahl than met the eye His fascinating life began in Norway in 1916 and he became a highly rebellious teenager who delighted in defying authority before joining the RAF as a fighter pilot But after his plane crashed in the African desert he was left with agonising injuries and unable to fly He was dispatched to New York where as a dashing young air attache he enraptured societies greatest beauties and became friends with President Roosevelt Roald soon found himself entangled with a highly complex network of British undercover operations Eventually he grew tired of the secrecy of spying and retreated to the English countryside He married twice and had five children but his life was also affected by serious illness tragedy and loss He wrote a number of stories for adults many of which were televised as the hugely popular _Tales of the Unexpected_ but it was as a children's author that he found greatest fame and satisfaction saying I have a passion for teaching kids to become readers Books shouldn't be daunting they should be funny exciting and wonderful From 1945 until his death in 1990 he lived in Buckinghamshire where he wrote his most celebrated children's books including _Matilda Charlie and the Chocolate Factory_ and _Fantastic Mr Fox_
