Beyond Belief To Convictions Beyond Belief Campaign:

Beyond Belief to Convictions Josh McDowell, Bob Hostetler, 2002 If the church doesn't act now we will lose a whole generation to postmodernism Most young people believe that truth is relative to individual beliefs McDowell insists that truth matters and that truth changes who we are and how we act McDowell introduces relational apologetics proving that objective truth is founded on a relationship with Jesus Christ Beyond Belief, Beyond Conscience Jack N. Rakove, 2020-05-01 Today Americans believe that the early colonists came to the New World in search of religious liberty What we often forget is that they wanted religious liberty for themselves not for those who held other views that they rejected and detested Yet by the mid 18th century the colonists agreed that everyone possessed a sovereign right of conscience How did this change develop In *Beyond Belief Beyond Conscience* Pulitzer Prize winning author Jack Rakove tracks the unique course of religious freedom in America He finds that as denominations and sects multiplied Americans became much more tolerant of the free expression of rival religious beliefs During the Revolutionary era he explains most of the new states moved to disestablish churches and to give constitutional recognition to rights of conscience These two developments explain why religious freedom originally represented the most radical right of all No other right placed greater importance on the moral autonomy of individuals or better illustrated how the authority of government could be limited by denying the state authority to act Together these developments made possible the great revival of religion in 19th century America As Rakove explains America's intense religiosity eventually created a new set of problems for mapping the relationship between church and state He goes on to examine some of our contemporary controversies over church and state not from the vantage point of legal doctrine but of the deeper history that gave the U S its own approach to religious freedom In this book he tells the story of how American ideas of religious toleration and free exercise evolved over time and why questions of church and state still vex us *Faith Beyond Belief* Margaret Placentra Johnston, 2012-12-13 *Faith Beyond Belief* gives a much needed voice to the good people who have left their church but whose spirituality continues to mature Johnston uses first person stories as well as known spiritual authorities in describing various stages of religious growth Some of these real life accounts are by nonbelievers others are by those among the growing numbers of the spiritual but not religious All are thoughtful people with too much integrity to live what they consider a lie The stories of the nonbelievers including an ex Catholic a former Mormon and a clandestine Muslim apostate who left his community after the attacks of 9 11 show how complete confidence in human reason can lead away from literal religious interpretation But while that step is a necessary one on the spiritual path it is only intermediate Her second set of stories are of people at the mystic level who can tolerate paradox and see truth and reality as multidimensional Johnston's book will help doubters to see things in a new light as well as those who are struggling to clarify their own spiritual vision It also points beyond the atheist believer controversy wrecking such divisive havoc in our culture today **True Or False** Josh McDowell, 2003-08-04 Josh McDowell's *Beyond*

Belief message is the foundation to launch a spiritual revolution among youth This is a revolution to equip churches and families to raise up a generation of the cross young people who have been transformed by Christ and the cross who are empowered to live crossgrain to the culture and are committed to share Christ across all cultures Sixteen stand alone products make up an entire family of resources that churches need to launch a church wide revolution These products are directed to every age group from 5 to 105 and help equip church groups and families with the tools to lead their children and youth to become transformed passionate followers of Christ These eight session True or False Workbooks with leader s guides are designed for two separate age groups one for children grades 1 3 and another for older children grades 4 6 This fun filled group study experience leads children to understand why God s only Son Jesus came to earth and sacrificed his very life for them

The Deceivers Josh McDowell,Bob Hostetler,David H. Bellis,2003 Three high school students on a wilderness trip with their church group struggle with moral decisions while several of Satan s underlings try to lead them astray Includes sections that relate the story to real life decisions and matters of spiritual growth Reality Beyond Belief Kun-Gay Yap,2012-07-11 Belief creates our reality which creates more belief Our strongest beliefs can be wrong Our inability to question beliefs is hard wired in the brain Reality is also made from what we do not believe Should the author be believed The advice is not to believe Read apply and experience Discover why you believe what you believe Realise the illusory nature of reality Understand the strange truths of perception Find the moving arbitrary line between knowledge and belief Question the dependence on beliefs Decide if the beliefs are necessary Are there better mental positions to adopt Change Your Beliefs Live a Life of Uncommon Reality Kun Gay Yap www realitybeyondbelief com

The Revolt Josh McDowell,Ron Luce,2003-08-18 This eight session workbook study for youth with leader s guide follows up The Revolt Video Series The Disconnected Generation Josh McDowell,2000-07-16 The real battle is not in the amoral and immoral influences of our culture but in the hearts of our young people says author and speaker Josh McDowell inThe Disconnected Generation And our young people are losing hope because they feel isolated and alienated from their parents They are the disconnected generation This book shows parents and youth workers how to understand and close the isolation gap to form nurturing enduring relationships that can withstand cultural influences As a companion toThe Disconnected Generation the video curriculum resources provides five video sessions from Josh McDowell offering practical steps that every adult can take to close the emotional gap between themselves and their children

The Revolt Youth Workbook Josh McDowell,Ron Luce,2003-08-18 Josh McDowell s Beyond Belief message is the foundation to launch a spiritual revolution among youth This is a revolution to equip churches and families to raise up a generation of the cross young people who have been transformed by Christ and the cross who are empowered to live crossgrain to the culture and are committed to share Christ across all cultures Sixteen stand alone products make up an entire family of resources that churches need to launch a church wide revolution These products are directed to every age group from 5 to 105 and help equip church groups and families with the

tools to lead their children and youth to become transformed passionate followers of Christ This eight session workbook study for youth groups with leader s guide follow up the video series and is designed to disciple youth to become passionate followers of Christ **Friendship 911 Leader's Guide** Josh McDowell, 2000-07-16 This is an eight session youth group meeting experience designed to equip young people to respond to the toughest crises their peers may face Addressing each issue covered in the Friendship 911 Collection students learn how to help their friends with Tender Loving Care and in the process become a powerful witness of God s love and care Students also complete daily activities between group sessions 35 activities in all An optional video supplement augments each youth group session with powerful visuals and dramatic illustrations of youth struggling with each of the eight crises Shaded sections in the Friendship 911 Leader s Guide indicate when and how to use this optional video supplement
