Beyond Identity Finding Your Self In The Image And Character Of God:

Beyond Identity Dick Keyes,1998 **Beyond Identity** Dick Keyes,2012-06-01 There can be few people in the early twenty first century who have not at some time asked the question Who am I or set out to find themselves With creative insight and common sense Dick Keyes offers a novel solution to the modern problem of identity that is found in the very creation of humanity itself As human beings we find our worth value and meaning not in possessions approval in others eyes or in the integration of our emotional life We truly find ourselves only when we look beyond identity to a relationship with the God who made us Dick Keyes and his wife Mardi have worked with L Abri Fellowship for over forty years in Switzerland England and now in Massachusetts He is a graduate of Harvard University and Westminster Theological Seminary He is also the author of *Heroism Chameleon Christianity Seeing Through Cynicism* **Christian Identity** Borgh,2008-07-31 In this age of globalization a need for a communicative explanation of personal and group positions also motivates Christians to describe more precisely their identity in relation to other actors in society What makes a Christian a Christian What is specifically Christian in social actions or political calling Is there a difference between Christian justice and justice in general and the way Christians deal with justice What is our calling as Christians The contributions in this volume are the result of the 6th biannual IRTI conference in Seoul 2005 on this theme **Godly Discontentment** Michee Ferdinand,2017-09-13 But when it is the Lord who has something against the church it is not a laughing matter its time to tremble However as long as the love is more important than the disappointment you can work out just about any problem between you It is only when disappointment seems more important than love that relationship problems become toxic *How to Find Selfless Joy in a Me-First World* Leslie Vernick,2011-05-25 Do You Need Greater Self Esteem Or Something Else Entirely Western culture increasingly emphasizes the importance of self love and self esteem Many of us believe we must find ourselves and feel good about what we see before we can experience significant spiritual growth Focusing so much on ourselves however distracts us from pursuing the only source of true fulfillment Do we as God s people really need to love ourselves more Or is there a wiser biblical path that can lead us to joy that is not self centered and fleeting but God focused and lasting Challenging the current fascination with self esteem Leslie Vernick answers these questions and others that trip up Christians today Offering surprising insights and practical helps that can make a real difference in your life she shows how you can experience greater personal relational and spiritual growth while humbly adoring and glorifying your God *Christian Identity* International Reformed Theological Institute. International Conference,2008 The volume offers contributions reflecting the understanding of Christian identity in the midst of changing cultural socio economic political and religious context in a globalized world *Making Sense of God* Timothy Keller,2018-03-20 We live in an age of skepticism Our society places such faith in empirical reason historical progress and heartfelt emotion that it s easy to wonder Why should anyone believe in Christianity What role can faith and religion play in our modern lives In this thoughtful and inspiring new book pastor and New York

Times bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever As human beings we cannot live without meaning satisfaction freedom identity justice and hope Christianity provides us with unsurpassed resources to meet these needs Written for both the ardent believer and the skeptic Making Sense of God shines a light on the profound value and importance of Christianity in our lives

The Christian Life and the History of Israel Paul L. Dunteman, 2009-02 In Israel's history who are the Amorites and the Philistines Do they represent anything for modern Christians In this book we can see spiritual problems they represent in the Christian life In fact in flesh and blood geography Tabernacle artifacts and other things the history of Israel in the Old Testament forms a model of the internal struggles we face as believers in Jesus For those of you who are just starting out with Christ or those who have been on this journey for many decades this book can help you get your bearings As Israel journeyed from Canaan to Egypt to the desert and back to Canaan so the Christian begins as an infant becomes a natural then carnal then possibly a spiritual man respectively The names of places enemies of Israel and other items all have meaning for us as we examine the roots of their names in Hebrew In Semitic understanding the symbols are real people events and places and their names also shed light on our walk here Come take Jesus by the hand Learn the lessons and overcome the problems with His help You may move ahead more surely and quickly with Israel's history as a road map before you Let's begin Dr Paul L Dunteman teaches theology and Bible languages in English and Spanish at the Miami branch of the New Orleans Baptist Theological Seminary as well as representing the organization Life in Messiah Born and raised in the Chicago area he has a B A in Geography from the University of Illinois FBK an M Div from Trinity Evangelical Divinity School and a Th D from Jacksonville Theological Seminary Since 1992 he has taught in Miami Florida where he resides with his wife Carmen Leticia and their 6 children and 6 grandchildren
