Weibel,2015-08-19 Beyond Me is a field manual for explorers aiming to transcend their ego stories to realize higher and wider consciousness and build a global civilization It synthesizes ancient wisdom and modern science to explain how the egocentric self is about as useful as the anchor on a boat and then reveal a path to bypass suffering realize contentment and possibly ensure that our fellow humans can thrive here for another millennium These practices are not easy but potential side effects include wisdom and joy **Community series: Expanding the science of compassion, volume II** Myriam

Mongrain,Dacher Keltner,James Kirby,2024-01-18 Beyond Self-Discovery: A Proactive Approach to Personal Growth and Empowerment Kurniawan Arif Maspul,2023-05-08 Beyond Self Discovery A Proactive Approach to Personal Growth and Empowerment is a transformative guidebook that delves into the multifaceted dimensions of personal development With an emphasis on proactive approaches to personal growth the book provides readers with practical strategies that can lead to meaningful and sustainable change The book is divided into ten chapters exploring different aspects of personal development Beginning with the power of mindset and the importance of cultivating a growth oriented outlook readers are introduced to powerful strategies for developing a positive and productive attitude The subsequent chapters on goal setting and time management provide readers with practical techniques for setting achievable goals and managing their schedules to maximise productivity and success **Three Steps to Awakening** Larry Rosenberg,Laura Zimmerman,2013-12-03 A

unique adaptable model for meditation practice that ties together elements of the various Buddhist traditions The deceptively simple three phase method presented in Three Steps to Awakening is a meditation practice that can be worked with for a lifetime Larry Rosenberg looks to Zen Insight Meditation and the teachings of J Krishnamurti to find three kinds of meditation that anyone can do and that complement each other in a wonderful way 1 breath awareness 2 breath as anchor and 3 choiceless awareness Having the three methods in one s repertoire gives one meditation resources for any life situation In a time of stress for example one might use breath awareness exclusively Or on an extended retreat one might find choiceless awareness more appropriate The three step method has been taught to Larry s students at the Cambridge Meditation Center in Cambridge Massachusetts for many years After teaching the three step method Larry goes on to show how to bring the awareness gained in meditation to the world off the cushion into relationships and into all areas of daily life

Creating Compassionate Change in School Communities Ashley Seidel Potvin,William R. Penuel,Sona Dimidjian,Thupten Jinpa,2025-04-21 Addressing everyday suffering in schools through compassion Compassion and dignity provide an essential framework for building caring and inclusive schools Many books focus on what teachers can do as

individuals Creating Compassionate Change in School Communities is different This book focuses both on how educators can cultivate compassion within themselves and lead together to cultivate humanizing school environments Teachers librarians counselors resource specialists mental health professionals and social workers who are working to create conditions for compassion and dignity in schools are all leaders who can impact change Offering concrete evidence and case studies that showcase the power of compassion to create flourishing school communities and rejuvenate education the book will help all educators better serve K 12 students with school cultures that promote healing Compassion can be cultivated dignity can be affirmed and leaders need skillful means to do so tools and practices that can help them develop compassion for themselves and others and see their own dignity and that of others Experiment and engage in meditation practices to strengthen personal capacity for mindfulness and compassion and the application to the classroom and school communities Engage in hands on writing exercises and self reflection questions educators can ask themselves and then apply their personal growth to influence school policies and climate Gain perspective on compassion in schools through a multidisciplinary lens drawing from contemplative practices psychology and organizational change theory Learn from stories and examples of K 12 educators who have exemplified compassion in action While we cannot fully address all the suffering that is happening in schools today educators do have the power to work within themselves and together locally to create more compassionate responses to suffering and to affirm the dignity of all members of their school communities Creating Compassionate Change in School Communities offers a valuable approach to integrating wellness into schools as much for principals and superintendents as for teacher leaders librarians counselors resource specialists and others who work to create the conditions for compassion and dignity in their school
