Beyond The Box Innovative Churches That Work:

Beyond the Box William M. Easum, Dave Travis, 2003 Revolutionize your ministry Beyond the Box evaluates what's working in emerging churches and helps leaders discover new ideas for their ministry When it comes to church leadership the leaders in this book aren't thinking inside outside or around the box they're beyond it Successful church consultants Bill Easum and Dave Travis show you radical church ministries that work demonstrating how your church can grow beyond conventional methods Gear up and bring people in your community to the faith of Jesus *11 Innovations in the Local Church* Elmer L. Towns, Ed Stetzer, Warren Bird, 2007-06-05 Join three seasoned church ministry experts on an insider's tour of the most innovative churches today Discover a dozen types of innovation each with profiles of congregations that have implemented that innovation This is more than a show and tell tour however Each chapter offers a solid take away for church leaders on how to learn and apply the appropriate innovation profiled The authors also offer scripturally based assessments of both the positive and negative implications of implementing each innovation providing guidance and wisdom There are many ways to present the gospel and this timely book will serve as a springboard for church leaders scratching their heads and asking themselves What should we do next By learning from a dozen different church types church leaders can become more intentional about exploring new directions and reaching more of the world for Christ *Beyond Megachurch Myths* Scott Thumma, Dave Travis, 2007-08-10 Drawing on extensive broad based and well designed research as well as stories and anecdotes Beyond Megachurch Myths dispels popular myths about megachurches while highlighting the diversity within the megachurch phenomenon Defining a megachurch as a Protestant church that averages at least 2000 total attendees in their weekend services Scott Thumma and Dave Travis reveal what these churches are and are not why they are thriving what their members say about their experiences and why they have many valuable lessons to teach smaller churches *The Multi-Site Church Revolution* Geoff Surratt, Greg Ligon, Warren Bird, 2009-08-30 Fueled by a desire to reach people for Christ a revolution is underway Churches are growing beyond the limitations of a single service in one building Expanding the traditional model they are embracing the concept of one church with more than one site multiple congregations sharing a common vision budget leadership and board Drawing from the examples of churches nationwide The Multi Site Church Revolution shows what healthy multi site churches look like and what motivates congregations to make the change Discover how your church can cast a vision for change ensure a successful DNA transfer vision and core values to its new site develop new leaders fund new sites adapt to structure and staffing change use technology to support your worship services you'll identify the reasons churches succeed and how they overcome common snags The Multi Site Church Revolution offers guidance insights and specific action steps as well as appendixes with practical leadership resources and self diagnostic tools I wholeheartedly recommend this book for any pastor or church leader who needs to know the pertinent issues tested solutions and real examples of multi site strategies that are currently being deployed around the world Ed Young senior

pastor Fellowship Church The authors have done their homework They have firsthand knowledge of the successes and failures of this movement having been networking with and facilitating dialogue among churches across the country for years Max Lucado senior minister Oak Hills Church Look no further than this book to propel your ministry to Ephesians 3 20 proportions exceeding abundantly above all that you could ever ask or think Randy and Paula White senior pastors Without Walls International Church This book is part of the Leadership Network Innovation Series **Full Service** Siang-Yang Tan,2006-03-01 Although servanthood is often discussed as an important part of leadership it is also the basic calling of every follower of Jesus Christ Siang Yang Tan takes a fresh approach to servanthood exploring it as loving obedience to God in and of itself regardless of personal greatness fulfillment or success He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life Tan s focus on servanthood alone in contrast to the many books on servant leadership will appeal to pastors church leaders and all Christians interested in a biblical perspective on servanthood Ten Dumb Things Smart Christians Believe Larry Osborne,2009-04-14 In this delightfully personal and practical book respected Bible teacher Larry Osborne confronts ten widely held beliefs that are both dumb and dangerous People don t set out to build their faith upon myths and spiritual urban legends But somehow such falsehoods keep showing up in the way that many Christians think about life and God These goofy ideas and beliefs are assumed by millions to be rock solid truth until life proves they re not The sad result is often a spiritual disaster confusion feelings of betrayal a distrust of Scripture loss of faith anger toward both the church and God But it doesn t have to be so Respected Bible teacher Larry Osborne confronts ten widely held beliefs that are both dumb and dangerous including Faith can fix anything God brings good luck Forgiving means forgetting Everything happens for a reason A godly home guarantees good kids Get ready to be shocked relieved and inspired in the pages of Ten Dumb Things Smart Christians Believe Because the truth is meant to set us free not hurt us Winning On Purpose Dr. John E. Kaiser,Thomas G. Bandy,Bill Easum,2010-09-01 Do you really want the mission to succeed Are you prepared to live within clear boundaries Are you ready to align yourself with a greater purpose Do you have what it takes Winning on Purpose offers leaders a way to organize congregations for success by creating structures that enable church life and health As a comprehensive and powerful application of the biblical call to mission Winning on Purpose sets forth the Accountable Leadership strategy This model of leadership brings together standards for mission boundaries and accountability and then shows how these standards come to life through the performance of four key players the board the pastor the staff and the congregation To read a sample from the book click here Multisite Churches Dustin L. Slaton,2024-02-13 The multisite church model has been consistently challenged by those who deem it unbiblical and incompatible with God s design for the local church but does Scripture support this claim In Multisite Churches pastor and church vitalist Dustin Slaton posits that congregational polity is compatible with the multisite model dismantling critiques with both urgency and care for the local church s future At a time

when church fostering and church adoption are predicted to increase significantly the multisite church model is a solution that can support the adoption of churches Bringing in personal experience and erudite research Slaton heuristically demonstrates a methodological approach of ecclesiology with a theological framework for the multisite model fairly addressing both critics and supporters Multisite Churches is a resource for biblical ecclesiology with wide ranging benefits for both clergy and congregant Those prayerfully discerning whether they can transition to a multisite church in a biblical way and those who are interested in the topic will benefit from the guidance and insight provided in this timely resource
