Ismo O. Dunderberg

Beyond Gnosticism Myth Lifestyle And Society In The School Of Valentinus:

Beyond Gnosticism Ismo O. Dunderberg, 2008-04-16 Valentinus was a popular influential and controversial early Christian teacher His school flourished in the second and third centuries C E Yet because his followers ascribed the creation of the visible world not to a supreme God but to an inferior and ignorant Creator God they were from early on accused of heresy and rumors were spread of their immorality and sorcery Beyond Gnosticism suggests that scholars approach Valentinians as an early Christian group rather than as a representative of ancient Gnosticism a term notoriously difficult to define The study shows that Valentinian myths of origin are filled with references to lifestyle such as the control of emotions the Christian community and society providing students with ethical instruction and new insights into their position in the world While scholars have mapped the religio historical and philosophical backgrounds of Valentinian myth they have yet to address the significance of these mythmaking practices or emphasize the practical consequences of Valentinians theological views In this groundbreaking study Ismo Dunderberg provides a comprehensive portrait of a group hounded by other Christians after Christianity gained a privileged position in the Roman Empire Valentinians displayed a keen interest in mythmaking and the interpretation of myths spinning complex tales about the origin of humans and the world As this book argues however Valentinian Christians did not teach myth for myth s sake Rather myth and practice were closely intertwined After a brief introduction to the members of the school of Valentinus and the texts they left behind Dunderberg focuses on Valentinus s interpretation of the biblical creation myth in which the theologian affirmed humankind s original immortality as a present not lost quality and placed a special emphasis on the frank speech afforded to Adam by the supreme God Much like ancient philosophers Valentinus believed that the divine Spirit sustained the entire cosmic chain and saw evil as originating from conspicuous matter Dunderberg then turns to other instances of Valentinian mythmaking dominated by ethical concerns For example the analysis and therapy of emotions occupy a prominent place in different versions of the myth of Wisdom s fall proving that Valentinians like other educated early Christians saw Christ as the healer of emotions Dunderberg also discusses the Tripartite Tractate the most extensive account to date of Valentinian theology and shows how Valentinians used cosmic myth to symbolize the persecution of the church in the Roman Empire and to create a separate Christian identity in opposition to the Greeks and the Jews

The Secret History of the Gnostics Andrew Phillip Smith, 2015-11-24 Learn more about the myths practices history and recent resurgence of Gnosticism as a Gnostic scholar seeks to answer why this Christian mystical movement has inspired the likes of Dan Brown and Philip Pullman The Secret History of the Gnostics offers long awaited illumination on the mystical movement that teaches gnosis knowledge of God as opposed to unquestioning faith Acclaimed author Andrew Phillip Smith delves into the myths and practices of this ancient movement exploring its popularity during 2nd century AD its subsequent decline under the weight of orthodoxy in the Church and its present day resurgence Gnosticism has travelled a fascinating path from the Manichaeans in Modern Persia between the 3rd

and 7th centuries AD to the triumphs and tragedies of the Cathars in Southern Europe between the 12th and 14th centuries to finally today's Mandaeans in Iraq. However, as the author points out, the revival of Gnosticism extends further than these narrow sects, offering inspiration to a legion of literary figures including Dan Brown and Philip Pullman. Gnosticism's emphasis on personal over organized religion is keeping with the doctrine of the early Christian era during which it thrived. It has found particular resonance with today's multicultural world. In addition to discussing the Gnostic gospels and the sect's practical beliefs and customs, *The Secret History of the Gnostics* is also in effect a manifesto, an appeal to those inspired by or drawn to the Gnostic faith not to forget its origins. *Treasure Hidden in a Field* David W. Jorgensen, 2016-09-26 This reception history of the Gospel of Matthew utilizes theoretical frameworks and literary sources from two typically distinct disciplines: patristic studies and Valentinianism. A Gnostic studies. The author shows how in the second and third centuries the Valentinians were important contributors to a shared culture of early Christian exegesis. By examining the use of the same Matthean pericopes by both Valentinian and patristic exegetes, the author demonstrates that certain Valentinian exegetical innovations were influential upon and ultimately adopted by patristic authors. Chief among Valentinian contributions include the allegorical interpretation of texts that would become part of the New Testament, a sophisticated theory of the historical and theological relationship between Christians and Jews, and indeed the very conceptualization of the Gospel of Matthew as sacred scripture. This study demonstrates that what would eventually emerge from this period as the ecclesiological and theological center cannot be adequately understood without attending to some groups and individuals that have often been depicted both by subsequent ecclesiastical leaders and modern scholars as marginal and heretical. *The Ethics of The Tripartite Tractate (NHC I, 5)* Paul Linjamaa, 2019-06-07 In *The Ethics of The Tripartite Tractate NHC I 5* Paul Linjamaa explores the theoretical foundations and practical implications of the ethics in the longest Valentinian text extant today. As such, it is one of the first serious explorations of early Christian determinism. *Reading Christian Apocrypha* Tobias Nicklas, Janet E. Spittler, 2025-09-16 *Reading Christian Apocrypha* provides a fresh approach to the functions of apocryphal texts in the history of Christianity. The apocryphal writings reveal that Christianity from the very beginning developed a variety of theological perspectives within diverse linguistic traditions and geographical areas. **The Oxford Handbook of Early Christian Biblical Interpretation** Paul M. Blowers, Peter William Martens, 2019 The Bible was the lifeblood of virtually every aspect of the life of the early churches. This Handbook explores a wide array of themes related to the reception, canonization, interpretation, uses, and legacies of the Bible in early Christianity. **The Legacy of John** Tuomas Rasimus, 2010 This volume investigates the early second-century reception of the Fourth Gospel. This is an era when its fortunes are surrounded by silence and mystery. It was assumed until quite recently that Gnostic and other so-called heterodox groups were the first ones to appreciate this gospel, and hence the mainstream Christians avoided using it until Irenaeus rescued it for the church. Lately, this view has been challenged by several scholars for several reasons. The

contributions in this volume written by leading specialists in their respective fields offer an approachable fresh comprehensive and up to date view of the second century reception of John's Gospel in a situation where new understandings about various forms of early Christianity and its multiformity have started to emerge

Avicenna's Allegory on the Soul Wilferd Madelung, 2015-10-19 I B Tauris in association with the Institute of Ismaili Studies The Persian philosopher Ibn Sina d 1037 known in Europe as Avicenna was arguably the greatest master of Aristotelian thought in the Muslim world The symbolical Poem on the Soul Qasidat al nafs which portrays all earthly human souls as in temporary exile from heaven is traditionally attributed to Avicenna and was received with enthusiasm by its commentators A highly significant commentary on the Qasida was written by Ali b Muhammad b al Walid d 1215 CE a major early representative of the Tayyibi Ismaili tradition which emerged and flourished in medieval Yemen In his view the poem encapsulated Tayyibi beliefs whose doctrines bear striking parallels with late antique Gnosticism Avicenna's Allegory on the Soul presents the first edition of the Arabic text of Ibn al Walid's commentary The Useful Epistle al Risala al mufida alongside an English translation and extended introduction It offers invaluable insight into the intricacies of Muslim thought and a deeper understanding of Avicenna's substantial intellectual legacy

Scripture as Social Discourse Todd Klutz, Casey Strine, Jessica M. Keady, 2018-06-14 Throughout the last several decades professional biblical scholars have adapted concepts and theories from the social sciences particularly social and cultural anthropology in order to cast new light on ancient biblical writings early Jewish and Christian texts that circulated with the Scriptures and the various contexts in which these literatures were produced and first received The present volume of essays draws much of its inspiration from that same development in the history of biblical research while also offering insights from other newer approaches to interpretation The contributors to this volume explore a wide range of broadly social scientific disciplines and discourses cultural anthropology sociology archaeology political science the New Historicism forced migration studies gender studies and provide multiple examples of the ways in which these diverse methods and theories can shed new and often fascinating light on the ancient texts The fruit of scholarly work that is both international in flavour and truly collaborative this volume provides fresh perspectives not only on familiar portions of Jewish and Christian Scripture but also on select passages from the Dead Sea Scrolls the Nag Hammadi library and previously untranslated French texts

Heavenly Stories Alexander Kocak, 2021-07-30 Salvation is often thought to be an all or nothing matter you are either saved or damned Heavenly Stories examines how some important thinkers in the ancient world including Paul the Apostle John of Patmos Hermas the Sethians and the Valentinians believed that salvation comes in degrees

Eventually, you will certainly discover a supplementary experience and deed by spending more cash. still when? pull off you believe that you require to get those every needs similar to having significantly cash? Beyond Gnosticism Myth Lifestyle And Society In The School Of Valentinus Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Beyond Gnosticism Myth Lifestyle And Society In The School Of Valentinus free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Beyond Gnosticism Myth Lifestyle And Society In The School Of Valentinus free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic.

While downloading Beyond Gnosticism Myth Lifestyle And Society In The School Of Valentinus free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Beyond Gnosticism Myth Lifestyle And Society In The School Of Valentinus. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Beyond Gnosticism Myth Lifestyle And Society In The School Of Valentinus any PDF files. With these platforms, the world of PDF downloads is just a click away.
