Beyond Sectarianism The Realignment Of American Orthodox Judaism

Jonathan D. Sarna

Beyond Sectarianism The Realignment Of American Orthodox Judaism:

Beyond Sectarianism Adam S. Ferziger, 2015-07-15 In 1965 social scientist Charles S. Liebman published a study that boldly declared the vitality of American Jewish Orthodoxy and went on to guide scholarly investigations of the group for the next four decades. As American Orthodoxy continues to grow in geographical, institutional, and political strength, author Adam S. Ferziger argues in *Beyond Sectarianism: The Realignment of American Orthodox Judaism* that one of Liebman's principal definitions needs to be updated. While Liebman proposed that the committed Orthodox observant rather than nominally affiliated could be divided into two main streams: church or Modern Orthodoxy and sectarian or Haredi Orthodoxy, Ferziger traces a narrowing of the gap between them and ultimately a realignment of American Orthodox Judaism. Ferziger shows that significant elements within Haredi Orthodoxy have abandoned certain strict and seemingly uncontested norms. He begins by offering fresh insight into the division between the American sectarian Orthodox and Modern Orthodox streams that developed in the early twentieth century and highlights New York's Congregation Kehilath Jeshurun as a pioneering Modern Orthodox synagogue. Ferziger also considers the nuances of American Orthodoxy as reflected in Soviet Jewish activism during the 1960s and early 1970s and educational trips to Poland taken by American Orthodox young adults studying in Israel and explores the responses of prominent rabbinical authorities to Orthodox feminism and its call for expanded public religious roles for women. Considerable discussion is dedicated to the emergence of outreach to nonobservant Jews as a central priority for Haredi Orthodoxy and how this focus outside its core population reflects fundamental changes. In this context, Ferziger presents evidence for the growing influence of Chabad Hasidism, what he terms the Chabadization of American Orthodoxy. Recent studies, including the 2013 Pew Survey of U.S. Jewry, demonstrate that an active and strongly connected American Orthodox Jewish population is poised to grow in the coming decades. Jewish studies scholars and readers interested in history, sociology, and religion will appreciate Ferziger's reappraisal of this important group. **American**

Jewish Year Book 2016 Arnold Dashefsky, Ira M. Sheskin, 2017-02-20 The American Jewish Year Book, now in its 116th year, is the annual record of the North American Jewish communities and provides insight into their major trends. Part I presents a forum on the Pew Survey: A Portrait of American Orthodox Jews. Part II begins with Chapter 13, "The Jewish Family," Chapter 14, "Examines American Jews and the International Arena," April 1, 2015; April 15, 2016, which focuses on U.S.-Israel Relations. Chapters 15-17 analyze the demography and geography of the U.S., Canadian, and world Jewish populations. In Part III, Chapter 18 provides lists of Jewish institutions, including federations, community centers, social service agencies, national organizations, synagogues, Hillels, day schools, camps, museums, and Israeli consulates. In the final chapters, Chapter 19 presents national and local Jewish periodicals and broadcast media; Chapter 20 provides academic resources, including Jewish Studies programs, books, articles, websites, and research libraries; and Chapter 21 presents lists of major events in the past year, Jewish honorees, and obituaries. An invaluable record of Jewish life, the American Jewish Year Book illuminates contemporary issues with

insight and breadth It is a window into a complex and ever changing world Deborah Dash Moore Frederick G L Huetwell Professor of History and Judaic Studies and Director Emerita of the Frankel Center for Judaic Studies University of Michigan A century from now and more the stately volumes of the American Jewish Year Book will stand as the authoritative record of Jewish life since 1900 For anyone interested in tracing the long term evolution of Jewish social political religious and cultural trends from an objective yet passionately Jewish perspective there simply is no substitute Lawrence Grossman American Jewish Year Book Editor 1999 2008 and Contributor 1988 2015

Modern Orthodox Judaism: a Documentary History Zev Eleff, Jacob J. Schacter, 2016-07 Modern Orthodox Judaism offers an extensive selection of primary texts documenting the Orthodox encounter with American Judaism that led to the emergence of the Modern Orthodox movement Many texts in this volume are drawn from episodes of conflict that helped form Modern Orthodox Judaism These include the traditionalists response to the early expressions of Reform Judaism as well as incidents that helped define the widening differences between Orthodox and Conservative Judaism in the early twentieth century Other texts explore the internal struggles to maintain order and balance once Orthodox Judaism had separated itself from other religious movements Zev Eleff combines published documents with seldom seen archival sources in tracing Modern Orthodoxy as it developed into a structured movement established its own institutions and encountered critical events and issues some that helped shape the movement and others that caused tension within it A general introduction explains the rise of the movement and puts the texts in historical context Brief introductions to each section guide readers through the documents of this new dynamic Jewish expression

Agents of Change Adam S. Ferziger, 2025-07-29 The rise of moderate Orthodox Judaism in Israel and the key role of Americans in its emergence The conservative ultra Orthodox and redemptive Kook camps hold sway over religious matters in Israel Yet from the mid 1960s to the early 1980s a small cadre of American immigrants arrived in Israel and established or led a range of educational institutions that trained thousands of advanced students and laid the ideological foundations for an Israeli moderate religious stream In Agents of Change Adam S Ferziger highlights the parts played by these Americans in promoting the rise of a transnational community of moderate Jewish Orthodoxy Analyzing the novel outlooks that have found expression in central areas of debates from women s engagements in religious and public life and approaches to the gay and lesbian community to interactions with non Orthodox denominations and attitudes toward academic Jewish studies Ferziger illuminates both shifting religious dynamics in Israel as a result of this rise in moderate Orthodoxy as well as the changing relationship between Israeli and American Judaisms challenging current understandings which see the Jewish communities of the two nations as drifting apart Though a minority in Israel this vocal Orthodox community with a more moderate take on key issues is significant in potentially paving the way for social change Increasingly their influence is being felt Shedding light on the impact of American migration in forming a burgeoning moderate religious direction in Israeli life that has challenged the hegemony of the long dominant direction within Religious Zionism Agents of Change offers a fresh

perspective on the multifaceted collaboration of ideas and practices that exists between Israel and America *The State of American Jewry* Frederick E. Greenspahn, 2025-07-22 An overview of the new American Jewish landscape American Jewry is currently experiencing conspicuous and dramatic change While Jews first came to America almost 400 years ago the turn of the twentieth century saw a widespread integration of Judaism into American culture Yet over the past few decades several of its familiar features have changed including its religious and organizational structure the extent to which Jews of color are integrated into the community how the relationship with Israel has evolved and its approaches to gender roles and the LGBTQ community Featuring up to date and groundbreaking additions by a powerhouse group of experts on various aspects of contemporary Judaism *The State of American Jewry* describes the current nature of American Jewish life Jews have repeatedly seen themselves on the verge of disappearing leading to innovative responses and adaptations to the changing world around them This volume examines the increasing diversity of the Jewish people the varied nature of Jewish religious practice and the changing ways Jews affiliate with regard to denominations and charitable giving as well as how they are confronting antisemitism A seminal text on Judaism in the twenty first century *The State of American Jewry* provides evidence of a dynamic community's adaptability in a period of substantial change **Sectarianism in the Contemporary Middle East** Simon Mabon, Lucia Ardochini, 2018-02-02 In recent years the term sectarianism has been widely used to explain contemporary affairs across the Middle East and North Africa A range of assumptions about the nature of sectarianism have become prevalent amongst scholars and policy makers who engage with these areas in part driven by the rivalry between Saudi Arabia and Iran the two dominant Sunni and Shi'a states and the emergence of ISIS Despite its prevalence few scholars have engaged critically with the meaning of the term and its application across the Middle East Whilst many associate sectarianism with Islam *Sectarianism in the Contemporary Middle East* interrogates the political economic and security factors surrounding the term within both Islam and Judaism leading to a better understanding of the contemporary politics of the Middle East This book was originally published as a special issue of *Global Discourse* *Illuminating the Path to Vibrant American Jewish Communities* Jacob B. Ukeles, 2022-08-17 This book argues that the way to ensure that American Jewish life flourishes is to create vibrant local communities and that the ability to thrive will be won or lost in the trenches of each locality For every generalization about the Jews of America one can say maybe but it depends where In the United States Jewish life is up close and personal where local variations on national themes make a huge difference The author presents case studies using in depth analysis of data from nine Jewish community studies to illuminate eleven critical American Jewish policy issues The analysis is used to formulate a range of policy options for different types of communities This book is for anyone who cares about the future of American Jewry It should be of particular interest to the lay leaders and professionals who play a role in Jewish nonprofits It is also of great interest to researchers and students of Jewish studies and Jewish communal service **The Politics of American Jews** Herbert F. Weisberg, 2019-08-01 Jewish voting is distinctive

and paradoxical Stereotypes about the voting habits of American Jews include that they vote at unusually high levels that they are liberal that they vote for Democratic candidates without regard to their self interest and that Israel is their most important issue Not only are all of those claims wrong but they obscure aspects of Jews voting behavior that are much more interesting The Politics of American Jews uncovers new perspectives on Jews political choices by analyzing the unprecedented amount of survey data that is now available including surveys that permit contrasting the voting of Jews with that of comparable non Jews The data suggest several mysteries about Jewish voting While more Jews are Democrats than are liberals there has not been a previous exploration of why more politically conservative Jews are not Republicans A fresh picture of Jews political behaviors shows that Jews are no longer politically monolithic They vote on the basis of their self interest and their values but not all Jews share the same self interest or the same values While most Jews have incorporated being Democratic and liberal into their political DNA growing divisions in their ranks suggest a mutation could occur

American Judaism Jonathan D. Sarna, 2019-06-25 Jonathan D Sarna's award winning American Judaism is now available in an updated and revised edition that summarizes recent scholarship and takes into account important historical cultural and political developments in American Judaism over the past fifteen years Praise for the first edition Sarna has written the first systematic comprehensive and coherent history of Judaism in America one so well executed it is likely to set the standard for the next fifty years Jacob Neusner Jerusalem Post A masterful overview Jeffrey S Gurock American Historical Review This book is destined to be the new classic of American Jewish history Norman H Finkelstein Jewish Book World Winner of the 2004 National Jewish Book Award Jewish Book of the Year *Authentically Orthodox* Zev Eleff, 2020-01-21 Explores religious change in Orthodox Judaism specifically the indigenous American religious culture With a fresh perspective Authentically Orthodox A Tradition Bound Faith in American Life challenges the current historical paradigm in the study of Orthodox Judaism and other tradition bound faith communities in the United States Paying attention to lived religion the book moves beyond sermons and synagogues and examines the webs of experiences mediated by any number of American cultural forces With exceptional writing Zev Eleff lucidly explores Orthodox Judaism's engagement with Jewish law youth culture and gender and how this religious group has been affected by its indigenous environs To do this the book makes ample use of archives and other previously unpublished primary sources Eleff explores the curious history of Passover peanut oil and the folkways and foodways that battled in this culinary arena to both justify and rebuff the validity of this healthier substitute for other fatty ingredients He looks at the Yeshiva University quiz team's fifteen minutes of fame on the nationally televised College Bowl program and the unprecedented pride of young people and youth culture in the burgeoning Modern Orthodox movement Another chapter focuses on the advent of women's prayer groups as an alternative to other synagogue experiences in Orthodox life and the vociferous opposition it received on the grounds that it was motivated by heretical religious and social movements Whereas past monographs and articles argue that these communities have moved

right toward a conservative brand of faith Eleff posits that Orthodox Judaism like other like minded religious enclaves ought to be studied in their American religious contexts The microhistories examined in Authentically Orthodox are some of the most exciting and understudied moments in American Jewish life and will hold the interest of scholars and students of American Jewish history and religion

The Enigmatic Realm of **Beyond Sectarianism The Realignment Of American Orthodox Judaism**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
