This is a book about young men who learned to play baseball during the 1930s and 1940s and then went on to play for one of the most exciting major league ball clubs ever fielded the team that broke the colour barrier with Jackie Robinson It is a book by and about a sportswriter who grew up near Ebbets Field and who had the good fortune in the 1950s to cover the Dodgers for the Herald Tribune This is a book about what happened to Jackie Carl Erskine Pee Wee Reese and the others when their glory days were behind them In short it is a book fathers and sons and about the making of modern America At a point in life when one is through with boyhood but has not yet discovered how to be a man it was my fortune to travel with the most marvelously appealing of teams Sentimental because it holds such promise and bittersweet because that promise is past the first sentence of this masterpiece of sporting literature first published in the early 70s sets its tone The team is the mid 20th century Brooklyn Dodgers the team of Robinson and Snyder and Hodges and Reese a team of great triumph and historical import composed of men whose fragile lives were filled with dignity and pathos Roger Kahn who covered that team for the New York Herald Tribune makes understandable humans of his heroes as he chronicles the dreams and exploits of their young lives beautifully intertwining them with his own then recounts how so many of those sweet dreams curdled as the body of these once shining stars grew rusty with age and battered by experience **The Boys of Summer** CJ

Duggan, 2013-12-17 It seemed only natural to nickname them the Onslow Boys Every time they swaggered in the front door of the Onslow Hotel after a hard week s work their laughter was loud and genuine as they settled onto their bar stools I peeked through the restaurant partition a flimsy divider between my world and theirs I couldn t help but smile whenever I saw them saw him Toby Morrison Quiet seventeen year old Tess doesn t relish the thought of a summertime job She wants nothing more than to forget the past haunts of high school and have fun with her best friends before the dreaded Year Twelve begins To Tess summer is when everything happens riding bikes down to the lake watching the fireworks at the Onslow Show and water bomb fights at the sweltering Sunday markets How did she let her friends talk her into working After first shift disasters rude wealthy tourists and a taunting ex boyfriend Tess is convinced nothing good can come of working her summer away However Tess finds unlikely allies in a group of locals dubbed The Onslow Boys who are old enough to drive cars drink beer and not worry about curfews Tess s summer of working expands her world with a series of first times with new friends forbidden love and heartbreaking chaos All with the one boy she has never been able to forget It will be a summer she will always remember Warning sexual references and occasional coarse language The Summer Series Book 1 The Boys of Summer Book 1 5 Stan Novella Book 2 An Endless Summer Book 2 5 Max Novella Book 3 That One Summer Book 3 5 Ringer Novella Book 4 Forever Summer Authors Note While each title can be read as a stand alone story you will likely enjoy taking the journey with these characters from the beginning **Boys of Summer** Lucien N. In the Darkness Mike slid over the side of the ship and in to the water without knowing direction swam away from the ship into the darkness hoping not to hear the sound of a rifle or the pain of its report Without knowing where he was Mike hoped he was swimming for shore hoping he would not end up as fish food He had escaped the Yankees This is a story of how our Country grew and how we grow A story of hard work hard thinking and true love Some time before the Civil War two families grow together and become part of that era's American dream The book will show them loving living and celebrating It will also show the sadness of separation and death The unforgettable pain of not knowing where someone is or what happened to them But worst the wrenching pain of not being able to help someone you love Witness the lives of two families become one Witness the boys of summer sun and youth enter the turbulence of lives winter No not that they should grow old in years Life has a winter for all and for some it comes early and is brutal Hope is down the road we know or at least we believe there will be spring The sun will warm us and all will be well

The New Boys of Summer Paul Hensler,2017-10-06 The 1960s were among the most compelling years in the history of the United States from the intensifying clamor for civil rights to the tragic incidents of assassination and war Caught up in this sea of restlessness was major league baseball and the manner in which baseball addressed the challenges of this decade would have a lasting impact on the game In *The New Boys of Summer Baseball s Radical Transformation in the Late Sixties* Paul Hensler looks at the key issues confronting baseball during this tumultuous time Hensler carefully examines how domestic racial issues the war in Vietnam assassinations of prominent public figures youthful rebellion and drug use each placed their imprint on the game just as baseball was about to celebrate its centennial season The expansion of both the American and National leagues is also covered in depth as are the new divisional alignments and major rule changes that were implemented in 1969 Other factors impacting the national pastime include the appointment of Bowie Kuhn as commissioner the rising influence of Marvin Miller as the director of the players association the construction of modern stadiums and the rapid developments in information technology An earlier generation of players was venerated as the Boys of Summer and indeed they continue to hold their rightful place in baseball s legend and lore but in the late 1960s a fresh cast of characters made their own mark as transformations in the game brought baseball into the new modern era Baseball historians and fans alike will be entertained and informed by this fresh look at the national pastime in the decade of discontent
