Beyond the Broken Heart Julie Yarbrough, 2012 *Beyond the Broken Heart: Leader Guide* Julie Yarbrough, 2012-04-01

How does the heart understand grief when it is broken by the death of a loved one To survive and live forward those who grieve must find answers *Beyond the Broken Heart* is an eight week support and ministry program for those who are grieving the loss of a loved one Author Julie Yarbrough chronicles her personal experience combined with a deep love of Scripture and years of leading grief support groups to create an authentic and deeply personal exploration of the grief journey The Leader Guide includes session plan outlines for eight group sessions to assist leaders in forming and sustaining grief ministry groups In addition leaders will find step by step instructions to guide them through the group session process and tips for launching planning and facilitating a successful group experience There are also suggestions for creating a group to serve several churches or community programs Julie Yarbrough has walked through the valley of the shadow of death and experienced the pain and anguish of great grief and she knows firsthand the comfort and strength that only God can provide I commend this remarkable grief ministry program to you highly James W Moore Pastor in Residence Highland Park United Methodist Church Dallas Texas With wisdom informed by her own experience and a warm regard for those who grieve Julie Yarbrough guides the brokenhearted on an honest journey toward acceptance and hope A refreshingly excellent resource for grief support Stephan Bauman Senior Minister Christ Church New York City Julie Yarbrough weaves understanding care and comfort together in such a way that the seemingly intolerable becomes tolerable one breath at a time This resource provides everything you need to promote establish and conduct grief groups throughout the year Judith Bone Director of Adult Discipleship Brentwood United Methodist Church Nashville Tennessee A gift to those who face the difficult journey through the grieving process I highly recommend this program not only for those who have lost but also for those in the helping professions who offer guidance and counsel to the grieving Ann Reese Licensed Marriage and Family Therapist Licensed Clinical Social Worker *Beyond the Broken Heart* Julie Yarbrough, 2021-10-29 *Inside the Broken Heart* Julie Yarbrough, 2012 A source of comfort for anyone who has ever grieved the death of a spouse and asked Why *Reforming the Broken Heart of Leadership* Fred Meadows, 2013-06-10 Dynamic leaders are created from the inside out They are those individuals who have discovered that their identity as leaders are found in the integrity of being a child of the creator God rather than being shaped by their abilities performances and successes This book uncovers the underlying reality of why Christian leaders stray off the path of faithfully living out their calling Centered in the formative spirituality of Fr Adrian van Kaam Dr Fred Meadows links the many anomalies of leadership to what van Kaam labels as functionalisma self sufficient mode of operation initiated by internal pride that pushes us to define ourselves in terms of our accomplishments we are what we do Functionalism blocks our ability to see from a higher perspective and to experience transcendence By rediscovering the ancient practices of silence solitude meditation on the Word lectio divina journaling prayer and practicing community

pastors ministry leaders and laity alike can begin the process of reforming broken leadership Acknowledging their souls as well as their abilities leaders are able to renew and reconnect with their calling and minister out of the overflow of Gods presence while maintaining a healthy and dynamic inner life that fosters being conformed to the image and life of Jesus Christ

Handbook of Research on Innate Leadership Characteristics and Examinations of Successful First-Time Leaders Guah, Matthew Waritay,2021-02-05 For hundreds of years different leadership theories have been explored to try to explain exactly how and why certain people become great leaders Research spans a discussion of personality traits the characteristics of the situation at hand and qualifications of the leader to try to determine what causes people to become more likely than others to take charge This can be in various settings CEOs presidents and prime ministers managing directors governors senators head coaches and more Through the examination of first time leadership new theories and ideas on leadership are explored The Handbook of Research on Innate Leadership Characteristics and Examinations of Successful First Time Leaders is a comprehensive reference source that focuses on what qualities distinguish first time leadership from traditional leaders while furthering leadership theories that look at other variables such as situational factors knowledge base skill levels etc It reviews the various approaches used by first time leadership and how each of them uniquely approaches effective leadership key outcomes and the strengths and weaknesses of each approach Furthermore it distinguishes between the traditional route for leadership the gradual moving up of an individual over time to higher positions and a first time leadership in which an individual begins right away in a position without climbing the professional ladder This book will attempt to draw lessons from existing first time leadership experience and provide evidence for the appropriateness of such a route to leadership Topics highlighted include transformational leadership political leaders ethical and unethical leadership and leadership development This book is ideal for young professionals leaders executives managers graduate students practitioners government officials researchers academicians and students
