Beyond The Cultural Turn Beyond The Cultural Turn:

Beyond the Cultural Turn Richard Biernacki, 1999-07-05 A collection of engaging essays that look specifically at the effect of culturalism on history and sociology and propose new directions in the theory and practice of research Beyond the Cultural Turn Victoria E. Bonnell, Lynn Hunt, 2023-04-28 Nothing has generated more controversy in the social sciences than the turn toward culture variously known as the linguistic turn culturalism or postmodernism This book examines the impact of the cultural turn on two prominent social science disciplines history and sociology and proposes new directions in the theory and practice of historical research The editors provide an introduction analyzing the origins and implications of the cultural turn and its postmodernist critiques of knowledge Essays by leading historians and historical sociologists reflect on the uses of cultural theories and show both their promise and their limitations The afterword by Hayden White provides an assessment of the trend toward culturalism by one its most influential proponents Beyond the Cultural Turn offers fresh theoretical readings of the most persistent issues created by the cultural turn and provocative empirical studies focusing on diverse social practices the uses of narrative and the body and self as critical junctures where culture and society intersect Nothing has generated more controversy in the social sciences than the turn toward culture variously known as the linguistic turn culturalism or postmodernism This book examines the impact of the cultural turn on two prominent social science disciplines *The Cultural Turn in U. S. History* James W. Cook, Lawrence B. Glickman, Michael O'Malley, 2008 An account of one of the most dominant trends in recent historical writing this book takes stock of the field even as it showcases exemplars of its practice Taken together the essays present a broad picture of the state of American cultural historical scholarship

Cultural Turns Doris Bachmann-Medick, 2016-01-15 The contemporary fields of the study of culture the humanities and the social sciences are unfolding in a dynamic constellation of cultural turns This book provides a comprehensive overview of these theoretically and methodologically groundbreaking reorientations It discusses the value of the new focuses and their analytical categories for the work of a wide range of disciplines In addition to chapters on the interpretive performative reflexive postcolonial translational spatial and iconic turns it discusses emerging directions of research Drawing on a wealth of international research this book maps central topics and approaches in the study of culture and thus provides systematic impetus for changed disciplinary and transdisciplinary research in the humanities and beyond e g in the fields of sociology economics and the study of religion This work is the English translation by Adam Blauhut of an influential German book that has now been completely revised It is a stimulating example of a cross cultural translation between different theoretical cultures and also the first critical synthesis of cultural turns in the English speaking world What is Cultural History? Peter Burke, 2008-09-02 idea of culture plays an increasingly important part The new edition also surveys the very latest developments in the field and considers the directions that cultural history may be taking in the twenty first century Book Jacket *Rethinking Modern European Intellectual History* Darrin M. McMahon, Samuel Moyn, 2014-01-14 This volume

revives the tradition of debating why and how to study ideas Showcasing the diversity and differentiation of modern European intellectual history it documents how much has changed in recent decades charting how old and new trends have affected scholarship including the history of science the history of academic disciplines the history of psychology and self international and global history and women s and gender history **Democracy Beyond Elections** Gergana Dimova,2019-08-28 This book provides the analytical framework for understanding the relationship between media scandals executive accountability and the crisis of democracy The empirical findings are based on an original database of 6000 media allegations and investigations in Russia Germany and Bulgaria Observations gained from the case studies are then placed in relation to a systematic analysis and critique of more than 100 models of the transformation and crisis of democracy The book will be of particular interest to researchers focusing on democratic theory and political thought as well as those working empirically in the field of democratic systems *Masculinities in the New Testament and Beyond* Peter-Ben Smit,Laura Pasterkamp,2025-10-15 The study of gender in early Christianity has been one of the catalysts for new historical insight into the early Jesus movement and beyond By focusing on the construction of various kinds of masculinities in early Christian texts both biblical and extra biblical and by showcasing a number of examples of the reception of such texts in the construction and discussion of masculinities the essays collected in this volume draw attention to a kind of gender that is often in equal measure overlooked as it is influential in the shaping of communities and societies i e masculinities in all their diversity and with their different effects on those embodying them and those encountering them The volume seeks to contribute to the study of early Christian literature and its reception to the study of gender in the Christian theological tradition and to gender studies in general *Beyond Writing Culture* Karsten Kumoll,2010 This is a book that will attract a great deal of attention among anthropologists and social scientists in general It is a great advance on earlier critiques of Writing Culture 1986 that have emerged at intervals a large number of them cited by the contributors Its strength lies particularly in its transdisciplinary perspectives and the clarity of both critique and new representations The prologue is a tour de force Joan Vincent Professor Emerita Barnard College Columbia University [Empathy Beyond US Borders](#) Gary Adler,2019-05-02 Why do colleges and churches travel to help distant others and what does transnational civic engagement actually accomplish
