Jason Pierceson

Beyond The Down Low Sex Lies And Denial In Black America:

Beyond the Down Low Keith Boykin, 2005-01 One of the nation's leading commentators on race and homosexuality takes on the phenomenon of sex on the down low in the black community the covert practice of gay sex by married black men who are in denial about their sexual proclivities

Beyond the Down Low Keith Boykin, 2006-01-03 Keith Boykin a former Clinton White House aide syndicated columnist and AIDS activist breaks new ground by going beyond the hype with the first responsible eye opening look at the down low sensation Unlike all previous accounts on the topic *Beyond the Down Low* refreshingly presents the DL not merely as a problem of gay and bisexual men living in the shadows and endangering women but more broadly as a telling example of the African American community's overall failure to engage in critical but uncomfortable conversations about sexuality Boykin details how the virtual silence from black leaders on sex matters has helped to create an environment where gay and bisexual men feel compelled to lead double lives Meanwhile the dialogue that has occurred both inside and out of African American circles encourages an unhealthy battle of the sexes ignores the complexities of the closet demonizes homosexuality and bisexuality disempowers women from personal responsibility to protect themselves from STDs and misdirects public resources and attention at vilifying down low men [Sexual Citizenship and Social Change](#)

Darren Langdridge, 2024-03-08 Theoretically and empirically grounded this book draws on ideas and findings from psychology sociology politics and philosophy and offers a radical challenge to the unfettered adoption of a critical approach in sexualities scholarship and activism It highlights why we need to shine a critical lens on critique itself while also anchoring it in a more constructive relationship with its natural opposite tradition [Free at Last?](#)
