Beyond The Valley Of The Gift Police:

Christotainment Shirley R. Steinberg, Joe L., Joe L. Kincheloe, 2018-04-17 For more than two thousand years Christian expansion and proselytizing was couched in terms of defending the faith Until recently in the United States much of that defense came in the form of reactions against the liberal influences channeled through big corporate media such as popular music Hollywood movies and network and cable television But the election of Ronald Reagan as a Hollywood President introduced Christian America to the tools of advertising and multimedia appeals to children and youth to win new believers to God's armies Christotainment examines how Christian fundamentalism has realigned its armies to combat threats against it by employing the forces it once considered its chief enemies the entertainment media including movies television music cartoons theme parks video games and books Invited contributors discuss the critical theoretical frameworks of top selling devices within Christian pop culture and the appeal to masses of American souls through the blessed marriage of corporatism and the quest for pleasure

Other Lands Have Dreams Kathy Kelly, 2005 Written by a human rights activist this extraordinary narrative gives voice to the cries of people afflicted by military and economic warfare

The Case Against Israel Michael Neumann, 2005 A measured but relentless assessment of the long struggle between Zionists and Palestinians

The Price of Fire Benjamin Dangl, 2010-09 New social movements have emerged in Bolivia over the price of fire access to basic elements of survival like water gas land coca employment and other resources Though these movements helped pave the way to the presidency for indigenous coca grower Evo Morales in 2005 they have made it clear that their fight for self determination doesn't end at the ballot box From the first moments of Spanish colonization to today's headlines The Price of Fire offers a gripping account of clashes in Bolivia between corporate and people's power contextualizing them regionally culturally and historically

Realizing the Impossible Josh MacPhee, Erik Reuland, 2007-01-01 Looks at the history of the depiction of anti authoritarian social movements in art

The Tenacity of the Cockroach Stephen Thompson, 2002 Presents a selection of interviews with some of the entertainment world's most important directors creators writers actors and musicians who discuss their unique careers

No Gods, No Masters Daniel Guérin, 2005 Guérin's classic anthology of anarchism translated and reprinted available for the first time in a single volume

Animal Ingredients A to Z E.G. Smith Collective, 2004-01-01 The definitive guide to animal ingredients in food for vegetarians vegans or anyone

Making A Killing Bob Torres, 2007-11-01 Suggest to the average leftist that animals should be part of broader liberation struggles and once they stop laughing you'll find yourself casually dismissed With a focus on labor property and the life of commodities Making a Killing contains key insights into the broad nature of domination power and hierarchy It explores the intersections between human and animal oppressions in relation to the exploitative dynamics of capitalism Combining nuts and bolts Marxist political economy a pluralistic anarchist critique as well as a searing assessment of the animal rights movement Bob Torres challenges conventional anti capitalist thinking and convincingly advocates for the abolition of animals in industry and

on the dinner plate Making A Killing is sure to spark wide debate in the animal rights and anarchist movements for years to come Table Of Contents I Taking Equality Seriously II Chained Commodities III Property Violence and the Roots of Oppression IV Animal Rights and Wrongs V You Cannot Buy the Revolution Advance praise for Making A Killing Bob Torres Making a Killing draws a very straight line between capitalism and the oppressive system of animal agribusiness Drawing from social anarchist theory Torres provides a convincing argument that in order to fight animal exploitation we must also fight capitalism and in doing so animal rights activists will need to reconsider their methods and redirect their focus While his critiques of the animal rights movements large organizations may not earn him friends in high places such considerations are crucial to keeping the movement on track and for preventing stagnation Making a Killing is an important work from a new voice in animal advocacy that will surely spark heated discussions amongst activists from all corners of the movement Ryan MacMichael vegblog org In Making A Killing The Political Economy of Animal Rights Bob Torres takes an important and timely look at the animal rights movement calling for a synthetic approach to all oppression human and animal His analytical framework draws together Marxism social anarchist theory and an abolitionist approach to animal rights to provide a timely social analysis that will no doubt have profound effects on the animal rights movement literature Gary L Francione Distinguished Professor of Law Rutgers University Bob Torres s socioeconomic analysis of nonhuman animal use is a welcome and important addition to the understanding of human nonhuman relations at the beginning of the 21st century In particular Making a Killing makes vital a contribution to understanding the role of the property status of animals and the continuing strength of various welfarist positions on the ethics and indeed the economics of the human utilisation of other animals Making a Killing will become required reading for social scientists and others interested in modern social movements and the socioeconomic forces that shape their activities and their claims making Dr Roger Yates Lecturer in sociology at University College Dublin Republic of Ireland This is the book I ve been waiting for Making A Killing is a rare and powerful example of first rate scholarship a searing critique and lively declaration of the rights of animals and humans You will walk away from this book with a clear understanding as to why social justice movements for people must take animal rights seriously and vice versa Bob Torres has forever deepened my thinking about these relationships David Naguib Pellow vegetarian animal rights and anti racist activist and Professor of Ethnic Studies University of California San Diego and author of Garbage Wars The Struggle for Environmental Justice in Chicago and Resisting Global Toxics Transnational Movements for Environmental Justice Bob Torres is assistant professor of sociology at St Lawrence University received his PhD from Cornell and is co author of Vegan Freak Being Vegan in a Non Vegan World His writings have appeared in Critical Sociology The Journal of Latinos and Education International Journal of Occupational and Environmental Health and Satya magazine
