Breaking Bread Insurgent Black Intellectual Life:

Breaking Bread Bell Hooks, Cornel West, 1991 From Library Journal Activists and academicians hooks Talking Back LJ 12 88 and West Prophetic Fragments LJ 3 1 88 share roots in the black church and a commitment to the life of the mind This their first joint publication takes the form of a dialog that explores diverse aspects of modern African American culture the spiritual crisis in the black community conservatism among the black middle class the new black nationalism depictions of African Americans in popular culture uses of black icons by modern political leaders Of particular interest are their discussions of gender and politics both feminists they hope their own intellectual engagement can serve as a model for new kinds of relationships between black men and women Although they rely too much on academic jargon these two have important things to say and this book's audience should by no means be confined to blacks Highly recommended review Beverly Miller Amazon ca Dec 2013

Breaking Bread bell hooks, Cornel West, 2016-11-10 In this provocative and captivating dialogue bell hooks and Cornel West come together to discuss the dilemmas contradictions and joys of Black intellectual life The two friends and comrades in struggle talk argue and disagree about everything from community to capitalism in a series of intimate conversations that range from playful to probing to revelatory In evoking the act of breaking bread the book calls upon the various traditions of sharing that take place in domestic secular and sacred life where people come together to give themselves to nurture life to renew their spirits sustain their hopes and to make a lived politics of revolutionary struggle an ongoing practice This 25th anniversary edition continues the dialogue with In Solidarity their 2016 conversation at the bell hooks Institute on racism politics popular culture and the contemporary Black experience [An Evening with Cornel West and Bell Hooks as They Discuss Their Book Breaking Bread: Insurgent Black Intellectual Life](#) Howard Dodson, 1992

The Crisis of the Negro Intellectual Reconsidered Jerry G. Watts, 2004-08-26 A collection of essays looking back at the influence of The Crisis of the Negro Intellectual first published 35 years ago

Wise Women Susan Cahill, 1997 Spiritual experience is a liberating source of women's identity and their resistance to oppression This deeply moving collection of memoirs stories poetry letters prayers and theologies is a source of empowering and uplifting thought for women in any time at any age

Breaching the Colonial Contract Arlo Kempf, 2009-05-30 Almost a decade in Empire remains the 21st Century's dominant mode of cultural production and North America remains at the apex of the colonial imperative The contributors to this volume argue that far from being a post colonial world the struggle for independence of polity and culture is still alive and relevant The book brings together relevant examples of anti colonial discourse and struggle from across the US and Canada providing unique perspectives on resistance activism scholarship and pedagogy Anti colonialism is an evolving framework to which this book hopes to make a unique contribution with the range depth and analytical approach of the chapters it contains The emphasis on anti colonial resistance here is significant as it

consistently reveals the personal commitment required for the undoing of domination as well as the ways in which people can collectively pursue radical politics in their aim of bringing about social justice The book examines a multitude of actions which could be termed anti colonial from student walkouts along the US Mexico border to interrogations of the relationship between indigenous and anti racist struggles in North America to analyses of the implications of anti colonialism for community unionism as well as disability rights struggles Chapters also look at the movement for Africentric schools in Toronto provide an annotated and comparative look at the myriad struggles for and by the Fourth World and Fourth World nations and analyze the creation of an anti colonial classroom in a Montreal university They also explore the colonial underpinnings of multicultural education in the US With contributions from leading thinkers such as Henry Giroux Ward Churchill and Peter McLaren as well as fresh perspectives from junior academics this book provides a diverse and varied survey of anti colonialism in the US and Canada It will be a thought provoking read for those working in a wide variety of disciplines from Sociology to Politics In daring and incisive ways Arlo Kempf s collection further positions anti colonialism as the necessary educational project for the colonizer and colonized within us all it reflectively re sets the radical education agenda with telling historical and current instances that are used by the book s authors to move constructively forward in critical ways John Willinsky Stanford University USA

Enfleshing Freedom M. Shawn Copeland, 2023-11-28 The achievement of our humanity comes about only through immersion in concrete visceral embodied relational experience yet for many human beings that achievement is stamped by the struggle against oppression in history society and religion In this incisive and important work distinguished theologian M Shawn Copeland demonstrates with rare insight and conviction how Black women s historical experience and oppression cast a completely different light on our theological ideas about being human Copeland argues that race embodiment and relations of power reframe not only theological anthropology but also our notions of discipleship church Eucharist and Christ

Enfleshing Freedom is a work of deep moral seriousness rigorous speculative skill and sharp theological reasoning This new edition incorporates recent theological philosophical historical political and sociological scholarship engages with current social movements like BlackLivesMatter and MeToo and presents a new chapter on the body **African American Autobiographers** Emmanuel S. Nelson, 2002-03-30 There is growing popular and scholarly interest in autobiography along with increasing regard for the achievements of African American writers The first reference of its kind this volume chronicles the autobiographical tradition in African American literature Included are alphabetically arranged entries for 66 African American authors who present autobiographical material in their works The volume profiles major figures such as Frederick Douglass Zora Neale Hurston Richard Wright Maya Angelou James Baldwin and Malcolm X along with many lesser known autobiographers who deserve greater attention While some are known primarily for their literary accomplishments others have gained acclaim for their diverse contributions to society The entries are written by expert contributors and provide authoritative information about their subjects Each begins with a concise biography which summarizes the life and achievements of the autobiographer This is followed by a discussion of major autobiographical works and themes along with an overview of the autobiographer s critical reception The entries close with primary and secondary bibliographies and a selected general bibliography concludes the volume Together the entries provide a detailed portrait of the African American autobiographical tradition from the 18th century to the present
