Bride Rapture Again Mature Messiah:

The Bride and the Rapture Michael D. Udall, 2025-03-06 This book The Bride and the Rapture is developed upon the basis of the Galilean Jewish wedding of Jesus's day and on how the wedding was set up for a groom to approach the father of an intended bride to ask for her hand in marriage. The Galilean Jewish wedding was very different from the standard Jewish weddings in Israel and Jesus used the parallel of a Galilean wedding to his end time scenarios. By utilizing this wedding ceremony from betrothal to the consummation of the marriage and the marriage supper, Jesus showed this parallel. The author takes the reader through a Galilean Jewish wedding in chapter 1 to emphasize the different aspects involved in such a betrothal. In chapter 2 he presents what the rapture is intended for, when it will be, and for how long. In that chapter he presents his findings for the rapture, the tribulation, and the return of Christ, called the second coming. In chapter 3 the author brings the Galilean Jewish wedding and the rapture together to correlate each scenario to correspond to Jesus's end time teachings. In chapter 3 the author shows, by scripture, analogous comparisons of scripture end times scenarios and the Galilean wedding, proving that what Jesus taught was based on the Galilean wedding. In chapter 4 the author brings all this together: the wedding, the end time prophecies, and related scriptures to substantiate the truth of the premise of the book that Jesus taught his end time scenarios using the Galilean wedding as an analogy for his teachings on the rapture, seven year tribulation, and his return. The conclusion of the author's hypothesis is proven to be accurate scripturally. The fifth chapter just adds additional information in the addendum that a believer needs to know to fully understand these truths as outlined in the first four chapters. A correlation of spiritual truths intertwined with sound reason adds to a better understanding of the deep things of God that a layman like the author will fully understand, comprehend, and use for their daily walk with God.

The Bride Made Ready Judith Lyon-Kesselman, 2023-05-11 The Bride Made Ready is the New Covenant prospective for keeping the Feasts of the Lord not by the letter of the law but by God's Holy Spirit. Keeping these feasts is more than acknowledging and receiving Jesus' redemptive work on the cross for the salvation of our spirit. It penetrates our lives far more deeply. It is learning to yield to the refining and defining work of the Holy Spirit for the progressive salvation and maturation of our souls while yet here on earth. As we are transformed into His very image from glory to glory, we will become truly one with Him. Jesus is not returning for a toddler bride but a radiant, holy, mature bride of Christ who lives and moves in His full stature and mindset. The reader will learn how to permit the work of the Holy Spirit upon us individually and corporately that the church may arise to shine forth God's glory in character and in works before a lost and dying world. She will express and release His love locally and globally. Christ's beloved and obedient bride who has been made ready will graciously reach out in glory and expand the family of God throughout the earth by the radiant light of Christ within her before He takes her away to celebrate the supper of the Lamb together.

Finding Christ in the Book of Revelation Arland David Pomerinke, 2019-12-05 This study on the book of Revelation will challenge you to seek Christ more than

answers about when will the rapture happen who will have to suffer in the tribulation or when will the antichrist appear There is no doubt that during this study you will form an opinion about these questions it s simply human nature but the focus that will begin to form in your heart will be on how to share Christ in the end times which is the bigger and better question to answer This study will move you or your group past the fear based ministry that eschatology has become and into the grace based ministry of sharing the Gospel This workbook will help individuals and groups to place their focus on Christ not on the fear of the end of the world
