Applaud Single Mothers Cheryl Kelmar, 2015-12-07 49% of children living in poverty are being raised by single mothers In my book I attempt to find solutions by discussing issues relevant for single mothers and fathers such as housing education abortion our courts women in power etc 25% of the proceeds will go to non profit organizations that serve single parents and their children *An Autobiography of a Single Mother Cheryl Kelmar, 2011-08-01* I argue that the rich are not capable of standing in the shoes of the middle class and the poor because of how they are raised My premise is that greed arises from how the wealthy raise their children Within my book I discuss middle class issues such as education housing raising children being a single mother court reform family law reform and my personal experiences of coming from a poor back ground to one where I live among the wealthy in Santa Barbara California

From Rags to Middle Class: an Autobiography of a Single Mother Ms. Cheryl, Cheryl Kelmar, MSEE & J.D., 2011-08-01 Many of the rich people are incapable of standing in the shoes of the poor and middle class Greed can arise from how the wealthy raise their children This can be the only explanation for books by conservatives such as Ann Coulter s book Guilty in which she blames single mothers for everything from increased crime to teen pregnancy If you disagree with Ann take a look inside In From Rags to Middle Class I discuss the bridges and divides on topics such as education housing court reform and entrepreneurship I also share my personal journey from a poor background to living among the wealthy
