Cadwallader,2020-01-20 Anthony and Arabella By Anne Marie Cadwallader Illustrated By Katie Deveau Anthony and Arabella is a cute tale that reminds us that all of us are worthy of love and kindness from the smallest to the largest This is the story of how the tiniest of souls filled the emptiest of hearts **Adventures of Arabella and the Mysterious Tree** Dorothy

Angkahan,2019-04-03 Arabella is the only daughter of Baron Arthur Leon Wellington and she is the heir of the Wellington dynasty Her mother the baroness died giving birth to her and the baron still mourns for his late wife going on eleven years So to deal with the loss of his wife the baron keeps busy ten months out of a year living in other lands promoting and selling his commercial enterprises textile and livestock from his estate and among other business enterprises in other kingdoms The baron realizes that his time is running out to salvage his dwindling relationship with his daughter whom he leaves in the care of her governess and the head housekeeper of his castle The baron s daughter Arabella will turn eleven years old this year and little does she know that for every fifth generation of the Wellington heirs a huge mysterious glittery white tree appears on the Wellington Castle grounds among the tall trees next to the castle When a Wellington baronesses every five generations dies giving birth to a girl the mysterious glittery white tree appears shortly after the girls turn eleven years old Today is Arabella s eleventh birthday and soon the mysterious tree will appear on the castle grounds The reason the mysterious glittery white tree appears is explained by her fifth generation ancestor who sends her a scroll in a small golden box that is under the mysterious glittery white tree No one can see this mysterious tree but Arabella and the Wellington girls to whom the mysterious tree appeared after they turned eleven years old the ones who lost their mothers the baronesses after giving birth to them The ancestor a female who also lost her mother the baroness after giving birth to her is Arabella s fifth generation great grandmother Baroness Mary Ann Wellington Armstrong In the scroll she sends to her the ancestor tells Arabella she is destined to go on four separate journeys goodwill missions that she also went to after turning eleven years old to help an oppressed people who are waiting for the stranger to arrive This has been foretold and she will rescue them from

their dire situation But at the same time Arabella as her ancestors the baronesses before her will have the greatest adventures in her lifetime and will have lasting memories of people she will grow to love on each of her journeys and through the trials and perils she goes through in each journey she undertakes will make her strong in faith She will also gain values that will benefit her and others for the rest of her life Also according to Arabella s ancestor s handwritten scroll no one in the castle will know that she is gone because each journey will last a moment there at the Wellington Castle however each journey Arabella goes on while she is in the distant lands will last up to eleven months It was the same for the other Wellington girls the mysterious tree appeared to after they turned eleven years old the ones who lost their mothers the baronesses during childbirth When Arabella realizes she has the opportunity of a lifetime to see great fantastic adventures on her journeys and goodwill missions to help others in need she decides it beats sitting in the old castle waiting for her father to get over her mother s death and return to her at the Wellington Castle more permanently as she is growing up because she wants her father to be with her She is indeed looking forward to her four journeys and her first journey is about to begin

ADVENTURES OF ARABELLA AND THE SEVEN MAIDENS Dorothy Angkahan,2025-01-28 Arabella is off on her second journey to help people who are oppressed in the world The child doesn t know where her next journey is taking her but she is looking forward to more adventures and to help others if she can When Arabella is finally transported to another faraway land she becomes astonished about her second goodwill mission to help people from a dire situation because she must go with her new companion whom Arabella will meet in her second journey and they must travel around the world to collect the seven keys from the seven maidens Afterward Arabella and her companion return where her companion is from to free the people there from a devastating curse that has plagued the land the king s southern part of his kingdom While the two girls travel to each maiden s territory they re faced with perils and trials on the way So no one can say that the girls don t have their hands full yet during their goodwill mission they ll meet wonderful people of foreign tongues and cultures between the maidens territories Also Arabella and her companion will develop a meaningful relationship with each other that s binding for life They both have strong faith for their age but they would have to because without faith and divine intervention their goodwill mission won t be successful This Arabella learned from her first journey and more so in this second journey One thing the girls will have in common with their perils and trials they both will see their faith grow and through perseverance they both will gain wisdom yet maintaining humility and a heart of charity on the way If Arabella is thinking her first and previous journey was overwhelming then she ll surely find this second journey surpasses her first with amazing and incomprehensible adventures and perils on the way so her and new companion s faith may be tested Thus with each goodwill mission her faith will grow stronger and the values she learns from her journeys are indeed preparing her to rule wisely and justly as baroness of the Wellington dynasty someday **Arabella of Mars** David D.
