respected by both the Christian and Islamic faiths It was also an important site for Judaism being the location where many events of the Old Testament took place Bethlehem is the burial place of Rachel wife of Jacob and it is where the story of Ruth and her mother in law Naomi took place It was also known as the city of David because it was the place where King David was anointed by Samuel Needless to say all of its history and religious import make it one of the most important places on the planet Bethlehem The History and Legacy of the Birthplace of Jesus looks at the history of the city and its importance in antiquity Along with pictures depicting important people places and events you will learn about Bethlehem like never before
