Macecari,2021-03-29 There is nothing poetic nor is there any price worth paying for the life we choose to live on the streets I ve finally learned that lesson but far too late The pain that I ve caused to my family and friends is unfathomable It s not until you become older and start to reflect on your life choices that you realize how dreadful you have made life for those around you My wife Chinadoll is infinitely acquainted to this pain The stuff I put her through is something I will regret for the rest of my life This book is an in depth look at the trials and tribulations of street gang and motorcycle club life This isn t the run of the mill book that doesn t give the goods This book will go into detail of events that actually happened All material in this book has been approved by those involved in The start of the book we go on a journey through my time with the Simon City Royals As a member of the Royals I established one of the notorious chapters Franklin Park with Cicero Red and still thrives The book will also highlight the Predadores Street Organization an organization with many chapters throughout the United States Penal institutions Finally I detail motorcycle clubs one that I was in and my thoughts on what s really hurting the scene The Street life isn t pretty it s also a life many don t understand it s my hope people will learn from my mistakes and choose a different path *New York Magazine* ,1983-06-20 New York magazine was born in 1968 after a run as an insert of

the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Defend and Betray** Anne Perry,2010-09-22 After a brilliant military career esteemed General Thaddeus Carlyon finally meets his death not in the frenzy of battle but at an elegant London dinner party His demise appears to be the result of a freak accident but the general s beautiful wife Alexandra readily confesses that she killed him a story she clings to even under the threat of the noose Investigator William Monk nurse Hester Latterly and brilliant Oliver Rathbone counsel for the defense work feverishly to break down the wall of silence raised by the accused and her husband s proud family With the trial only days away these there sleuths inch toward the dark and appalling heart of the mystery **Street Stories** Robert Jackall,2009-06-30 Detectives work the streets an arena of action vice lust greed

aggression and violence to gather shards of information about who did what to whom They also work the cumbersome machinery of the justice system semi military police hierarchies with their endless jockeying for prestige procedure driven district attorney offices and backlogged courts transforming hard won street knowledge into public narratives of responsibility for crime Street Stories based on years of fieldwork with the New York City Police Department and the District Attorney of New York examines the moral ambiguities of the detectives world as they shuttle between the streets and a bureaucratic behemoth In piecing together street stories to solve intriguing puzzles of agency and motive detectives crisscross the checkerboard of urban life Their interactions in social strata high and low foster cosmopolitan habits of mind and easy conversational skills And they become incomparable storytellers This book brims with the truth is stranger than fiction violence of the underworld and tells about a justice apparatus that splinters knowledge reduces life and death issues to arcane hair splitting and makes rationality a bedfellow of absurdity Detectives stories lay bare their occupational consciousness the cunning and trickery of their investigative craft their self images moral rules in use and judgments about the players in their world as well as their personal ambitions sensibilities resentments hopes and fears When detectives do make cases they take satisfaction in removing predators from the streets and helping to ensure public safety But their stories also illuminate dark corners of a troubled social order
