Betrayed as Boys Richard B. Gartner, 1999-04-09 This much needed volume examines how sexual betrayal affects boys and the ways they carry this hurt into adulthood Blending psychoanalytic understanding with insights from trauma oriented theory and practice Gartner presents effective strategies for meeting the unique therapeutic needs of men with sexual abuse histories

Healing Sexually Betrayed Men and Boys Richard B. Gartner, 2017-08-09 Healing Sexually Betrayed Men and Boys Treatment for Sexual Abuse Assault and Trauma is the new authoritative source for treatment of sexually victimized men and boys Male victims and survivors of sexual trauma lived in shadow until the turn of the 21st century when scandal after scandal about the sexual abuse of boys and men shed light on their suffering These men and boys require different treatment roadmaps than their female counterparts Yet there is little in the professional literature to help a clinician work with sexually traumatized boys and men Richard B Gartner is a seasoned psychologist psychoanalyst who has worked therapeutically with sexually abused men for over three decades He is a clinician advocate teacher lecturer and nationally and internationally recognized expert on the subject Dr Gartner s classic book Betrayed as Boys Psychodynamic Treatment of Sexually Abused Men is one of the few written to guide clinicians Now nearly two decades after writing that groundbreaking volume he follows up on his earlier work Healing Sexually Abused Men and Boys together with its companion volume Understanding the Sexual Betrayal of Boys and Men is a thorough comprehensive guide to learning about and healing male victims and survivors Dr Gartner has invited a group of experts to write about specific problems faced by these boys and men Specialists from the psychoanalytic psychodynamic trauma and legal worlds fill in the details about a wide range of interconnected subjects related to the complex reverberations of male sexual trauma Healing Sexually Betrayed Men and Boys covers such diverse topics as therapy with young sexually traumatized boys the aftermath for men who were raped as adults covert seduction of boys and its aftereffects treatment for substance addictions and sexual compulsions couples work with male survivors and their partners or spouses bodywork with male survivors treatment for male veterans who suffered sexual trauma in the military profiling sexual predators and working with survivors who have also been sexual predators This book is a valuable resource for clinicians at every level of training With strategies for how survivors can build support networks and descriptions of clinical familial and community based treatments Healing Sexually Betrayed Men and Boys is essential reading for clinicians of all theoretical persuasions who work with male sexual abuse survivors Filling in gaps in the relatively scant literature on the subject it will also help sexually abused or assaulted men themselves understand what is available to them

Understanding the Sexual Betrayal of Boys and Men Richard B. Gartner, 2017-08-15 Understanding the Sexual Betrayal of Boys and Men The Trauma of Sexual Abuse is an indispensable go to book for understanding male sexual victimization It has become increasingly clear since the 1980s that men and boys like women and girls are sexually abused and assaulted in alarming numbers Yet there have been few resources available to victims their

loved ones or those trying to help them Richard B Gartner was in the vanguard of clinicians treating male sexual victimization and has written extensively about it initially in professional papers then in his landmark 1999 book for clinicians *Betrayed as Boys Psychodynamic Treatment of Sexually Abused Men* continuing with his 2005 work *Beyond Betrayal Taking Charge of Your Life after Boyhood Sexual Abuse* He has been a tireless teacher clinician and advocate for male victims of sexual abuse in the classroom the lecture hall and of course the consulting room as well as in newspaper television radio and online interviews Dr Gartner has gathered together expert colleagues from the trauma psychoanalytic medical and survivor treatment fields Together they have created a comprehensive guide to what was once thought to be a rarity but now is clearly an all too common occurrence *Understanding the Sexual Betrayal of Boys and Men* looks at the realities of male sexual victimization guiding clinicians and lay people alike to understand the complexities of the devastation it causes in victimized boys and men It considers topics as diverse as sexual assault in institutions like the military sports teams schools universities and religious organizations sex trafficking of boys and adolescents neurobiology and brain chemistry of male survivors of sexual abuse gender and sexual dysfunctions and confusions resulting from sexual exploitation and trauma physicians treatment of sexually abused men s medical problems socio cultural influences on processing and treating men s and boys sexual victimization *Understanding the Sexual Betrayal of Boys and Men* is required reading for anyone working with male victims of sexual abuse and assault at any level psychotherapists rape counselors attorneys journalists guidance counselors physicians clergy graduate students and lawmakers and helpful to lay people interested in this often unrecognized problem

Betrayed as Boys Richard B. Gartner, 2001-01-03 More than one in six boys in the United States is sexually victimized by the age of 16 Yet in the growing professional literature on child sexual abuse few books focus specifically on the experience of victimized boys and men This much needed volume examines how sexual betrayal affects boys and the ways they carry this hurt into adulthood Blending psychoanalytic understanding with insights from trauma oriented theory and practice Richard B Gartner presents effective strategies for meeting the unique therapeutic needs of men with sexual abuse histories Filled with evocative clinical material the book draws readers into the direct experience of these clients the therapists who work with them and the constantly shifting relational world they inhabit

Translating Psychological Research Into Practice Lisa R. Grossman, Steven Walfish,

PhD,2013-11-15 It is refreshing to see both a researcher's and a clinician's viewpoint. The case examples in the clinician sections are great learning tools. This is a wonderful reference for both new therapists and seasoned veterans. Researchers also will learn how clinicians use theories in the real world. Score 92 4 Stars Doody's Medical Reviews. The format whereby the evidence for efficacy of psychological interventions for the problem in question is reviewed by an expert followed by a clinician presenting a case where these treatments were actually utilized and the real-life problems one runs up against in the course of treatment is innovative enough. But then to repeat this for 65 different problems in a manageable and succinct format represents a true integration of science and practice in a way that will move us forward. David H Barlow PhD ABPP Center for Anxiety and Related Disorders Boston University. It is only through the development of true partnerships between researchers and clinicians that mental health treatment can achieve an optimal level of success. This highly accessible desk reference will assist clinicians in easily incorporating findings from current evidence-based research into their day-to-day practice. It bridges the gap between empirical research and the needs of practicing clinicians and clinicians in training. The guide brings together respected researchers and clinicians to discuss approaches to treating over 60 problem areas for adults, adolescents, and children. It provides concise, easily digestible summaries of the most current evidence-based research regarding interventions for many of the most common clinical disorders and mental health issues encountered in everyday clinical practice. These summaries present research that has been translated by experienced clinicians into practical applications that can be easily incorporated in therapeutic practice. Research coverage of each problem area includes: Brief description, Incidence/prevalence data, Summary findings of best practices for treatment, Suggestions for research directions, Key references for further consultation. The corresponding clinical application includes: Response to the research summary, Case example that applies the evidence-based research to clinical practice, Identification of challenges and cultural considerations in applying these interventions, Suggestions for future research, Key references. By presenting the perspectives of the mental health researcher and clinician side-by-side, this reference facilitates an important dialogue that narrows the gap between research and practice and ultimately fosters better mental health outcomes for clients. Key Features: Covers over 60 of the most frequently encountered disorders and issues for both adult and pediatric clients that mental health clinicians face today. Brings together leading researchers and clinicians to discuss their approaches to treating a clinical problem area. Summarizes the current research on treatments in each problem area. Interprets research for clinicians, offering practice wisdom that helps them become more effective evidence-based practitioners.

Predatory Priests, Silenced Victims Mary Gail Frawley-O'Dea, Virginia Goldner, 2016-05-06. The sexual abuse scandal in the Catholic Church captured headlines and mobilized public outrage in January 2002. But much of the commentary that immediately followed was reductionistic, focusing on single causes of clerical abuse such as mandatory celibacy, homosexuality, sexual repressiveness, or sexual permissiveness, anti-Catholicism, and a decadent secular culture. *Predatory Priests, Silenced Victims: The Sexual Abuse Crisis and the Catholic*

Church a collection of groundbreaking articles edited by Mary Gail Frawley O Dea and Virginia Goldner eschews such one size fits all theorizing In its place the abuse situation is explored in all its troubling complexity as contributors take into account the experiences respectively of the victim survivor the abuser perpetrator and the bystander whether family member professional clergy or the community at large Setting polemics to the side *Predatory Priests Silenced Victims* provides a sober and sobering analysis of the interlacing historical doctrinal and psychological issues that came together in the sexual abuse scandal It is mandatory reading for all who seek thoughtful informed commentary on a crisis long in the making and yet to be resolved

Reframing Trauma Through Social Justice Catrina Brown, 2024-07-31 This cross disciplinary volume examines and reframes trauma as a social and political issue in the context of wider society critiquing the widely accepted pathologizing of trauma and violence in current discourse Rooted in critical social theory this insightful text reinvoles the critiques and analysis of the women s movement and the personal is political framing of trauma to unpack the mainstreaming of trauma discourse which has emerged today Accomplished contributors address the social construction of femininity and masculinity in relation to trauma and violence and advocate for a broader framing of trauma away from the constrained focus on pathologizing and diagnosing trauma individual psychologizing and therapy Instead the book offers a fresh and compelling look at how discursive resistance alternative feminist and narrative approaches to emotional distress and the mental health effects of violence can be developed alongside community based preventive political and policy based actions to create effective shifts in discourse practice policy and programming This is fascinating reading for upper level undergraduate and postgraduate students researchers and academics in a broad range of fields of study including psychology social work gender and women s studies and sociology as well as for professionals including policy makers clinical psychologists and social workers

Is My Husband Gay, Straight, or Bi? Joe Kort, 2014-09-11 Jennifer can t believe it Just married and pregnant she discovers that her husband has been meeting Brad for sex When confronted Tom doesn t deny it but he insists it s just a thing and he isn t gay Elsewhere John s wife Karen discovers that her husband likes to watch gay porn John doesn t understand his wife s reaction Why does she care what he watches if he s not unfaithful In couple s therapy Karen and Jennifer raise the same questions Does this mean my husband is gay Can my marriage survive These and other stories illustrate the difficulties inherent when a wife or girlfriend finds out her man has had or wants to have sexual contact with other men But many times the man is not gay or even bisexual Of course some men with gay sexual interests are gay men in a process of self discovery they are coming out These desires may only reflect a different side of a man s sexuality or some response to childhood trauma or experiences they have not fully processed Here Joe Kort and Alexander P Morgan make the distinction between gay men and straight men with gay interests clearer to women who want to know how they can overcome these revelations The authors explain the many reasons why straight men may be drawn to gay sex how to tell whether a man is gay straight or bisexual and what the various options are for these couples who can often go on to have very fulfilling marriages Is My

Husband Gay Straight or Bi is intended to help couples understand how male sexuality can express itself in ways that may be difficult to understand Many marriages have been hurriedly terminated when couples and their therapists have lacked the information they needed to understand their current situations This book provides the clarity describes the choices and in many cases offers hope for relationships and marriages that have been brushed off as doomed *Sexual Abuse of Males* Josef Spiegel, 2013-08-21 Based on hundreds of case histories this book examines the sexual abuse of boys from the perspectives of victim perpetrator It adopts a psychosocial context seeks to develop a multidimensional understanding of dynamics effects
