Thompson, 2012-08-15 NEW YORK TIMES BESTSELLER A mind bending view of the 1992 presidential campaign in all of its horror sacrifice lust and dubious glory from the famed political analyst and author of Fear and Loathing on the Campaign Trail and Hell s Angels Memorable Thompson delivers yet another of his trademark cocktail mixes of unbelievable tales and dark observations about the sausage grind that is the U S presidential sweepstakes Los Angeles Daily News In Better Than Sex Hunter S Thompson wanders into the savage vortex of political power to present a groundbreaking and bizarre saga of what happens to campaign junkies behind the scenes of a victorious presidential campaign Better Than Sex drags you into Bill Clinton s America a world full of fear that stretches from Pennsylvania Avenue to Hollywood to the squalid hills of the Ozarks where power crazed monsters like James Carville and George Stephanopoulos seize control of a nation and wallow unashamed in a Palace of Power where the only governing ethic is raw lust It is an ugly and disillusioning spectacle one that only the merciful death of Richard M Nixon explored here in all its glorious symbolism could defuse Complete with faxes sent to and received by candidate Clinton s top aides and 100 percent pure gonzo screeds on Richard Nixon George Bush and Oliver North here is the most true blue campaign tell all ever penned by man or beast **American Political Humor** Jody C. Baumgartner, 2019-10-07 This two volume set surveys the profound impact of political humor and satire on American culture and politics over the years paying special attention to the explosion of political humor in today s wide ranging and turbulent media environment Historically there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics entertaining and sometimes insightful but ultimately only of modest interest to students and others surveying the trajectory of American politics and culture This set documents just how mistaken that assumption is By examining political humor and satire throughout US history these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents parties and issues but also how satirists comedians cartoonists and filmmakers have helped to shape popular attitudes about landmark historical events major American institutions and movements and the nation s political leaders and cultural giants Finally this work examines how today s brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live *Gonzo Republic* William Stephenson, 2011-11-17 *Gonzo Republic* looks at Hunter S Thompson s complex relationship with America Thompson was a patriot but also a stubborn individualist Stephenson examines the whole range of Thompson s work from his early reporting from the South American client states of the USA in the 1960s to his twenty first century internet columns on sport politics and 9 11 Stephenson argues that Thompson inhabited but was to some extent reacting against the tradition of American individualism begun by the Founding Fathers and continued by Emerson and Thoreau Thompson sought out the edge the threshold of chaos and insanity in order to define himself His characters enact

the same quest travelling through the surreal landscape of his literary America the Gonzo Republic *Fear and Loathing Worldwide* Robert Alexander,Christine Isager,2018-07-26 For more than 40 years the radically subjective style of participatory journalism known as Gonzo has been inextricably associated with the American writer Hunter S Thompson Around the world however other journalists approach unconventional material in risky ways placing themselves in the middle of off beat stories and relate those accounts in the supercharged rhetoric of Gonzo In some cases Thompson s influence is apparent even explicit in others writers have crafted their journalistic provocations independently only later to have that work labelled Gonzo In either case Gonzo journalism has clearly become an international phenomenon In *Fear and Loathing Worldwide* scholars from fourteen countries discuss writers from Europe the Americas Africa and Australia whose work bears unmistakable traces of the mutant Gonzo gene In each chapter Gonzo emerges as a powerful but unstable signifier read and practiced with different accents and emphases in the various national cultural political and journalistic contexts in which it has erupted Whether immersed in the Dutch crack scene exploring the Polish version of Route 66 following the trail of the 2014 South African General Election or committing unspeakable acts on the bus to Turku the writers described in this volume are driven by the same fearless disdain for convention and profound commitment to rattling received opinion with which the outlaw journalist Thompson scorched his way into the American consciousness in the 1960s 70s and beyond

as possible Now Juan Thompson tells the story of his father and of their getting to know each other during their forty one fraught years together He writes of the many dark times of how far they ricocheted away from each other and of how they found their way back before it was too late He writes of growing up in an old farmhouse in a narrow mountain valley outside of Aspen Woody Creek Colorado a ranching community with Hereford cattle and clover fields of the presence of guns in the house the boxes of ammo on the kitchen shelves behind the glass doors of the country cabinets where others might have placed china and knickknacks of climbing on the back of Hunter s Bultaco Matador trail motorcycle as a young boy and father and son roaring up the dirt road trailing a cloud of dust of being taken to bars in town as a small boy Hunter holding court while Juan crawled around under the bar stools picking up change and taking his found loot to Carl s Pharmacy to buy Archie comic books of going with his parents as a baby to a Ken Kesey Hells Angels party with dozens of people wandering around the forest in various stages of undress stoned on pot tripping on LSD He writes of his growing fear of his father of the arguments between his parents reaching frightening levels and of his finally fighting back trying to protect his mother as the state troopers are called in to separate father and son And of the inevitable of mother and son driving west in their Datsun to make a new home a new life away from Hunter of Juan s first taste of what normal could feel like We see Juan going to Concord Academy a stranger in a strange land coming from a school that was a log cabin in the middle of hay fields Juan without manners or socialization going on to college at Tufts spending a crucial week with his father Hunter asking for Juan s opinion of his writing and he writes of their dirt biking on a hilltop overlooking Woody Creek Valley acting as if all the horrible things that had happened between them had never taken place and of being there together side by side And finally movingly he writes of their long slow pull toward reconciliation of Juan s marriage and the birth of his own son of watching Hunter love his grandson and Juan s coming to understand how Hunter loved him of Hunter s growing illness and Juan s becoming both son and father to his father

Modern American Counter Writing A. Robert Lee, 2010-01-21 The dissident voice in US culture might almost be said to have been born with the territory Its span runs from Roger Williams to Thoreau Anne Bradstreet to Gertrude Stein Ambrose Bierce to the New Journalism The Beats to the recent Bad Subjects cyber crowd This new study analyses three recent literary tranches in the tradition a re envisioning of the whole Beat web or circuit a consortium of postwar outrider voices Hunter Thompson to Frank Chin Joan Didion to Kathy Acker and a latest purview of what all too casually has been designated ethnic writing The aim is to set up and explore these different counter seams of modern American writing those which sit outside or at least awkwardly within agreed literary canons

Gonzo Marketing Christopher Locke, 2009-06-17 Ladies and gentlemen please return your tray tables to the fully upright and locked position suspend your disbelief and put on your tinfoil pyramid hats We are now entering cue lights cue music the Brand Dimension Gonzo Marketing is a knuckle whitening ride to the place where social criticism biting satire and serious commerce meet and where the outdated ideals of mass marketing and broadcast media are being left in the dust As master of

ceremonies at the wake for traditional one size fits all marketing Locke has assembled a unique guest list from Geoffrey Chaucer to Hunter S Thompson to guide us through the revolution that is rocking business today as people connect on the Web to form powerful micromarkets These networked communities based on candor trust passion and a general disdain for anything that smacks of corporate smugness reflect much deeper trends in our culture which Locke illuminates with his characteristic wit Just as gonzo journalism arose in response to objective news standards that claimed to foster fairness but in practice discouraged writers from speaking their minds in their own voices so too does gonzo marketing call for a similar response to assumptions about consumer behavior that no longer relate to how people actually live their lives Gonzo Marketing is not yet another nostrum for hoodwinking the unwary It s about market advocacy It describes how the artist formerly known as advertising must do a 180 It s about transforming the marketing message from we want your money to we share your interests It s about tapping into listening to and even forming alliances with emerging on line markets who probably know more about your company than you do It s a hip hop cover of boring old best practices played backwards The paradox is that companies that support and promote these communities can have everything they ve always wanted greater market share customer loyalty brand equity Irreverent penetrating profoundly simple and on the money Gonzo Marketing is the raucous wake up that no one interested in any aspect of twenty first century business from the trading floor right up to the boardroom can afford to ignore
