Better Late Than Early A New Approach To Your Childs Education:

Better Late Than Early Raymond S. Moore, Dorothy N. Moore, 1975 Better Late Than Early Raymond S. Moore, Dorothy N. Moore, Dennis R. Moore, 1977 **The Praeger Handbook of Faith-Based Schools in the United States, K-12** Thomas C. Hunt, James C. Carper, 2012-08-06 Exploring a subject that is as important as it is divisive this two volume work offers the first current definitive work on the intricacies and issues relative to America's faith based schools The Praeger Handbook of Faith Based Schools in the United States K 12 is an indispensable study at a time when American education is increasingly considered through the lenses of race ethnicity gender and social class With contributions from an impressive array of experts the two volume work provides a historical overview of faith based schooling in the United States as well as a comprehensive treatment of each current faith based school tradition in the nation The first volume examines three types of faith based schools Protestant schools Jewish schools and Evangelical Protestant homeschooling The second volume focuses on Catholic Muslim and Orthodox schools and addresses critical issues common to faith based schools among them state and federal regulation and school choice as well as ethnic cultural confessional and practical factors Perhaps most importantly for those concerned with the questions and controversies that abound in U S education the handbook grapples with outcomes of faith based schooling and with the choices parents face as they consider educational options for their children Homeschooling: The Early Years Linda Dobson, 2012-01-11 Discover the Rewards of Homeschooling Your Young Child Young children are full of curiosity imagination and a sense of wonder They're willing to try new things and possess a natural joy of discovery Yet in a traditional school these natural behavior traits are too often squelched That's why more and more parents just like you are choosing to teach their children at home during these critical years the years that lay the foundation for developing learning skills that last a lifetime Inside respected homeschooling author Linda Dobson shows you how homeschooling can work for you and your young child You'll discover how to Tailor homeschooling to fit your family's unique needs Know when your child is ready to learn to read Teach your child arithmetic without fear even if you're math challenged Give your child unlimited learning on a limited budget And much more Brings dazzling clarity to the otherwise nerve wracking confusion of early learning and the adventure of becoming fully human Highly recommended John Taylor Gatto former New York State Teacher of the Year and author of Dumbing Us Down Provides a much needed introduction to living and learning with young children Open the book to any page and you'll find inspiring anecdotes and approaches to learning that leave the reader thinking That just makes so much sense Highly recommended for anyone who lives works or plays with young children Helen Hegener managing editor of Home Education Magazine An information packed delight I only wish it had been around when our three boys were three to eight years old Rebecca Rupp author of The Complete Home Learning Sourcebook This book brings together the experience and wisdom of a great variety of homeschooling families tied together with warm encouragement and wonderful simplification of processes that can seem so mysterious and daunting to
