Better Spoken English Shreesh Chaudhary:

Better Spoken English Shreesh Chaudhary,2009-11-01 This book focuses on effective communication and is designed to help the reader achieve greater fluency in English Adopting a practical approach it makes the important distinction between what is essential core for intelligibility and what is relatively unimportant peripheral **Better Spoken English**

Shreesh Chaudhary,2009-11-01 This book focuses on effective communication and is designed to help the reader achieve greater fluency in English Adopting a practical approach it makes the important distinction between what is essential core for intelligibility and what is relatively unimportant peripheral **Text, Context and Construction of Identity** Rajesh

Kumar,Om Prakash,2019-04-30 Language is central to our existence and it happens to be the most sophisticated product of the human mind It is inconceivable to think of ourselves our societies our ideas cultures or identities without language It is the primary means of socialization and whatever we know is a result of it It is the primary medium of construction and dissemination of knowledge and structures our thought processes in important ways that constitute our identity In very complex ways it interacts with the social political and economic power structures that remain significant in defining the identities of individuals and societies The essays in this volume create an awareness and understanding about the role of linguistic context in negotiating identity The book explains identity and the complex relations between language and several aspects of our society It explores identity through text and context and will serve to trigger a novel discourse around the centrality of identity in contemporary society **Readings in English Language Teaching in India** Shirin

Kudchedkar,2002-08 The book is a contributory volume of essays on the teaching of English in Indian classrooms the sociolinguistic and psycholinguistic aspects the theories and practice syllabus design classroom methodologies and classroom management materials development and evaluation strategies It offers exhaustive concrete and supportive theoretical systems to analyse the situation of teaching English as a second language in India **Forum** ,1982 **Forum** ,1982

English | AICTE Prescribed Textbook - English Kul Bhushun Kumar,2021-11-01 The Book on English in your hand is a textbook intended for the second language learners who wish to learn English but have a less environment in conversing with others in English The book covers AICTE model curriculum for first year undergraduate degree courses in Engineering and Technology The book is meant to familiarize the students with different aspects and genres in English including reading listening comprehension written and speaking skills A must buy for the students of engineering Management and Humanities the book combines reference grammar and practices exercises while maintaining a practice oriented approach So to solve the purpose the book has been divided into six part that highlights 1 Vocabulary Building 2 Basic written Skills 3 Identifying Common Errors in Writing 4 Nature and style of Sensible Writing 5 Writing Practices 6 Oral Communications Salient Features This book covers a wide range of topic such as conversation practice vocabulary building writing practices and sentence Patterns which generates a great taste to its learners Apart from the core lessons this course book includes

additional reference tools strategies for learning independently vocabulary trainer and ideas for developing speaking skills The sole purpose of the book is to empower students with language and life skills the need to carry out to achieve their career goals A big part of the book is about the vocabulary with numerous examples It prepares the learners in Business English for effective communication not only as students during their collegiate day but also as employees after being employed It is a complete guide for all business and professional communication activities explaining in simple language how people interact with each other through effective use of spoken and written English To make the students face the competitive world each chapter of this book is clearly structured with a strategic approach to learn the target language from the basic level Therefore it is THE BEST book for every technical student who wants to understand how English Works

The Journal of English Language Teaching (India). ,1997 *International Books in Print* ,1997 **Language**

Education Nishevita Jayendran, Anusha Ramanathan, Surbhi Nagpal, 2021-07-29 This book situates the teaching and learning of language in general and English in particular within the sociocultural context of India It engages with current scholarship in literacy studies and the pedagogies of language acquisition and learning The volume discusses the cultural discursive and sociopolitical functions of language education and the teaching of English in Indian schools It examines the importance of adopting flexible pedagogical and multimodal strategies in teaching vocabulary grammar literary genres like fiction poetry and drama rhetorical discourses and communicative English to learners for whom English is not one of their home languages It also discusses pragmatic approaches to curriculum design for communicative competence and critical literacy rooted in theoretical principles of language education The authors analyse issues relevant to secondlanguage acquisition English language teaching ELT emergent adult and critical literacies and critical pedagogies in language and literature Written in an accessible style the book comes with case studies exercises and additional references to support an independent exploration of the fields This book will be of interest to students and teachers of language literature and education as well as teachers and educators in schools and universities It is also of relevance to policymakers non governmental organisations and public and private sector bodies that work in the fields of language and literacy
