Between Athens And Jerusalem Jewish Identity In The Hellenistic Diaspora

Tricia Miller

Between Athens And Jerusalem Jewish Identity In The Hellenistic Diaspora:

Between Athens and Jerusalem John J. Collins, 2000 First published in 1984 this study is now revised and updated to take into account the best of recent scholarship **BOOK JACKET** Between Athens and Jerusalem John Joseph Collins, 1983 A landmark study of Hellenistic Judaism by one of the world's recognized experts now fully revised and updated One of the most creative and consequential collisions in Western culture involved the encounter of Judaism with Hellenism In his widely acclaimed study of the intellectual and moral relationship between Athens and Jerusalem John J Collins examines the literature of Hellenistic Judaism treating not only the introductory questions of date authorship and provenance but also the larger question of Jewish identity in the Greco Roman world First published in 1984 **BETWEEN ATHENS AND JERUSALEM** is now fully revised and updated to take into account the best of recent scholarship **Between Athens and Jerusalem** John J. Collins, 1999 *The Construct of Identity in Hellenistic Judaism* Erich S. Gruen, 2016-09-12 This book collects twenty two previously published essays and one new one by Erich S Gruen who has written extensively on the literature and history of early Judaism and the experience of the Jews in the Greco Roman world His many articles on this subject have however appeared mostly in conference volumes and *Festschriften* and have therefore not had wide circulation By putting them together in a single work this will bring the essays to the attention of a much broader scholarly readership and make them more readily available to students in the fields of ancient history and early Judaism The pieces are quite varied but develop a number of connected and related themes Jewish identity in the pagan world the literary representations by Jews and pagans of one another the interconnections of Hellenism and Judaism and the Jewish experience under Hellenistic monarchies and the Roman empire **Jewish and Christian Communal Identities in the Roman World** Yair Furstenberg, 2016-06-21 Jews and Christians under the Roman Empire shared a unique sense of community Set apart from their civic and cultic surroundings both groups resisted complete assimilation into the dominant political and social structures However Jewish communities differed from their Christian counterparts in their overall patterns of response to the surrounding challenges They exhibit diverse levels of integration into the civic fabric of the cities of the Empire and display contrary attitudes towards the creation of trans local communal networks The variety of local case studies examined in this volume offers an integrated image of the multiple factors both internal and external which determined the role of communal identity in creating a sense of belonging among Jews and Christians under Imperial constraints **Jews and Anti-Judaism in Esther and the Church** Tricia Miller, 2015-05-28 The biblical book of Esther records an account of Jewish resistance to attempted genocide in the setting of the Persian Empire According to the text Jews were targeted for annihilation simply because of their Jewish identity However the story also reports that they were allowed to defend themselves against anyone who sought to kill them In the context of attempted genocide the message of Esther addresses a timeless and universal issue of justice that humans have the right and responsibility to defend themselves against those who intend to murder Jews and Anti

Judaism in Esther and the Church shows how the anti Judaism that is a central feature of Esther relates to the contemporary issue of the contested legitimacy of the State of Israel as part of the ongoing Arab Israeli conflict In her outstanding book Dr Tricia Miller uses an academic approach to demonstrate the relationship of historic theology to current events concerning Israel for the purpose of encouraging Christians to support Israel s right to exist and defend itself against those who seek its destruction

The Image of the Jew in Flavius Josephus' Paraphrase of the Bible Paul Spilsbury,1998

Between Athens and Jerusalem John J. Collins,1986

The Essenes, the Scrolls, and the Dead Sea Joan E. Taylor,2012-11-16

Ever since the discovery of the Dead Sea Scrolls in caves near the site of Qumran in 1947 this mysterious cache of manuscripts has been associated with the Essenes a sect configured as marginal and isolated Scholarly consensus has held that an Essene library was hidden ahead of the Roman advance in 68 CE when Qumran was partly destroyed With much doubt now expressed about aspects of this view The Essenes the Scrolls and the Dead Sea systematically reviews the surviving historical sources and supports an understanding of the Essenes as an influential legal society at the centre of Judaeen religious life held in much esteem by many and protected by the Herodian dynasty thus appearing as Herodians in the Gospels Opposed to the Hasmoneans the Essenes combined sophisticated legal expertise and autonomy with an austere regimen of practical work including a specialisation in medicine and pharmacology Their presence along the north western Dead Sea is strongly indicated by two independent sources Dio Chrysostom and Pliny the Elder and coheres with the archaeology The Dead Sea Scrolls represent not an isolated library quickly hidden but burials of manuscripts from numerous Essene collections placed in jars in caves for long term preservation The historical context of the Dead Sea area itself and its extraordinary natural resources as well as the archaeology of Qumran confirm the Essenes patronage by Herod and indicate that they harnessed the medicinal material the Dead Sea zone provides to this day

A History of the Jews and Judaism in the Second Temple Period, Volume 3 Lester L. Grabbe,2020-02-20

This is the third volume of the projected four volume history of the Second Temple period collecting all that is known about the Jews from the period of the Maccabaeen revolt to Hasmonean rule and Herod the Great Based directly on primary sources the study addresses aspects such as Jewish literary sources economy Qumran and the Dead Sea Scrolls the Diaspora causes of the Maccabaen revolt and the beginning and end of the Hasmonean kingdom and the reign of Herod the Great Discussed in the context of the wider Hellenistic world and its history and with an extensive up to date secondary bibliography this volume is an invaluable addition to Lester Grabbe s in depth study of the history of Judaism
