Beyond Bad Girls Gender Violence And Hype:

Beyond Bad Girls Meda Chesney-Lind, Katherine Irwin, 2013-10-11 In this important new work two respected criminologists challenge the characterization of the new bad girl arguing that it is only a new attempt to punish girls who are not the stereotypical depiction of good Through interviews with young women educators and people in the criminal justice system *Beyond Bad Girls* exposes the formal and informal systems of socio cultural control imposed on girls **The**

Encyclopedia of Theoretical Criminology, 2014-04-07 The Encyclopedia of Theoretical Criminology in zwei Bänden ist zweifelsohne das aktuellste Referenzwerk der theoretischen Kriminologie Fachlich geprägte Beiträge internationaler Experten machen den Leser mit wegweisenden Theorien Konzepten und Schlüsselfiguren vertraut Das Nachschlagewerk präsentiert klassische und zeitgenössische Themen zu den wichtigen Straftatbeständen Zusammenhängen fachspezifische Soziologie Biologie und Psychologie und fachübergreifende Erklärungen zu Kriminalität Kriminalitätsrate und Fragestellungen aus der Rechtssoziologie **Routledge Handbook of Critical Criminology** Walter S. DeKeseredy, Molly Dragiewicz, 2018-04-09

The main objective of the second edition of the Routledge Handbook of Critical Criminology is twofold 1 to provide original chapters that cover contemporary critical criminological theoretical offerings generated over the past five years and 2 to provide chapters on important new substantive topics that are currently being studied and theorized by progressive criminologists Special attention is devoted to new theoretical directions in the field such as southern criminology queer criminology and green criminology The diverse chapters cover not only cutting edge theories but also the variety of research methods used by leading scholars in the field and the rich data generated by their rigorous empirical work In addition some of the chapters suggest innovative and realistic short and long term policy proposals that are typically ignored by mainstream criminology These progressive strategies address some of the most pressing social problems facing contemporary society today which generate much pain and suffering for socially and economically disenfranchised people The new edition of the Handbook is a major work in redefining areas within the context of international multidisciplinary critical research and in highlighting emerging areas such as human trafficking Internet pornography and image based sexual abuse It is specifically designed to be a comprehensive resource for undergraduate and postgraduate students researchers and policymakers

Criminal Justice Policy Stacy L. Mallicoat, Christine L. Gardiner, 2013-10-15 Criminal Justice Policy provides a thematic overview of criminal justice policy and its relationship to the American criminal justice system Scholars practitioners and politicians continually debate the value of these policies in their evaluations of the current system As the nature of this subject involves a host of issues including politics public sentiment research and practice the authors expertly highlight these concerns on criminal justice policy and address the implications for the overall system and society at large This text is organized into three parts Foundations of criminal justice policy focuses on the role of politics best practices and street level bureaucracy in criminal justice policy Criminal justice policy in action provides an analysis of fifteen different policy issues in

criminal justice such as immigration drugs mental health and capital punishment Each section begins with a basic summary of the policy accompanied by a brief synopsis of the framing issues This brief but informative summary draws students attention to essential concepts and ideas provides a roadmap for what they can expect to learn and ensures continuity throughout the text The text concludes with a discussion about the future directions of criminal justice policy Media and Crime in the U.S. Yvonne Jewkes, Travis Linnemann, 2017-07-27 The rise of mobile and social media means that everyday crime news is now more immediate more visual and more democratically produced than ever Offering new and innovative ways of understanding the relationship between media and crime Media and Crime in the U S critically examines the influence of media coverage of crimes on culture and identity in the United States and across the globe With comprehensive coverage of the theories research and key issues acclaimed author Yvonne Jewkes and award winning professor Travis Linnemann have come together to shed light on some of the most troubling questions surrounding media and crime today

Desistance and Children Alexandra Wigzell, Claire Paterson-Young, Tim Bateman, 2024-05-31 Available open access digitally under CC BY NC ND licence Desistance understanding how people move away from offending has become a significant policy focus in recent years with desistance thinking transplanted from the adult to the youth justice system in England and Wales This book is the first to critique this approach to justice involved children many of whom are yet to fully develop an identity criminal or otherwise from which to desist Featuring voices from academia policy and practice this book explores practical approaches to desistance with children in the Child First context It gives new insights into how children can be supported to move away from offending and proposes reforms to make a meaningful difference to children s lives

The Routledge Handbook of International Crime and Justice Studies Bruce Arrigo, Heather Bersot, 2013-08-15 The Routledge Handbook of International Crime and Justice Studies presents the enduring debates and emerging challenges in crime and justice studies from an international and multi disciplinary perspective Guided by the pivotal although vastly under examined role that consumerism politics technology and culture assume in shaping these debates and in organizing these challenges individual chapters probe the global landscape of crime and justice with astonishing clarity and remarkable depth A distinguished collection of experts examine the interdisciplinary field of international crime and justice Their contributions are divided into thematic sections including theory culture and society industries of crime and justice systems of policing law corrections and punishment the criminal enterprise global technologies media crime and culture green criminology political violence public health criminology the political economy of crime and justice All the chapters include full pedagogy and instructional resources for easy referencing or classroom use This Handbook will be useful for students scholars and practitioners of law medicine history economics sociology politics philosophy education public health and social policy
