Beyond Budgeting How Managers Can Break Free From The Annual Performance Trap:

Beyond Budgeting Jeremy Hope, Robin Fraser, 2003 The annual budgeting process is a trap Pressured by fixed targets and performance incentives managers focus on making the numbers instead of making a difference meeting set goals instead of maximizing potential With their compensation at stake managers often resort to deceitful even unethical behavior In the end everybody loses the employee the company and ultimately the customer Now finance experts Jeremy Hope and Robin Fraser reveal the results of an intensive study aimed at fixing the broken budgeting process They argue that companies must abandon traditional budgeting contracts in favor of a radical new model that links performance measurement to evolving competitive benchmarks and shifts the firm's focus from controlling employee behavior to delivering customer value The Beyond Budgeting model is built on the best practices of companies that have successfully revised their centralized planning and budgeting processes It combines a leadership vision that devolves more authority to operating managers and a finance vision that enables fast decision making through appropriate tools and accessible information Through vivid examples Hope and Fraser illustrate how companies can implement these shared visions and the long term benefits that accrue from embracing them Offering a compelling case for breaking free from the budgeting trap this book paves the way toward making organizations better places to work for invest in and do business with

Beyond Budgeting Jeremy Hope, Robin Fraser, 2003 Based on the decision making needs of front line managers Beyond Budgeting enables readers to take advantage of two major opportunities 1 a set of adaptive management processes that replace centrally controlled predetermined goals with self regulating relative competitive benchmarks and 2 the transfer of power and decision making authority from the center of the organization to the front line BOOK JACKET

Beyond Budgeting Jeremy Hope, Robin Fraser, 2003-02-25 The traditional annual budgeting process characterized by fixed targets and performance incentives is time consuming overcentralized and outdated Worse it often causes dysfunctional and unethical managerial behavior Based on an intensive international study into pioneering companies Beyond Budgeting offers an alternative coherent management model that overcomes the limitations of traditional budgeting Focused around achieving sustained improvement relative to competitors it provides a guiding framework for managing in the twenty first century *Beyond Budgeting*, 2003
