Beyond Power On Women Men And Morals:

Beyond Power Marilyn French,1985 This examination of the nature and effects of power draws on the wide range of disciplines including anthropology history political science law and theology to investigate the sources of patriarchy

Beyond Power Marilyn French,1985-01-01 *Race, Class, and Gender in the United States* Paula S. Rothenberg,2004
Race Class and Gender in the United States An Integrated Study presents students with a compelling clear study of issues of race gender and sexuality within the context of class Rothenberg offers students 126 readings each providing different perspectives and examining the ways in which race gender class and sexuality are socially constructed Rothenberg deftly and consistently helps students analyze each phenomena as well as the relationships among them thereby deepening their understanding of each issue surrounding race and ethnicity *Values and Educational Leadership* Paul Thomas

Begley,1999-08-12 Studies values and their influences in educational leadership **American Philosophy** Erin McKenna,Scott L. Pratt,2015-02-26 American Philosophy offers the first historically framed introduction to the tradition of American philosophy and its contemporary engagement with the world Born out of the social and political turmoil of the Civil War American philosophy was a means of dealing with conflict and change In the turbulence of the 21st century this remains as relevant as ever Placing the work of present day American philosophers in the context of a history of resistance through a philosophical tradition marked by a commitment to pluralism fallibilism and liberation this book tells the story of a philosophy shaped by major events that call for reflection and illustrates the ways in which philosophy is relevant to lived experience This book presents a survey of the historical development of American philosophy as well as coverage of key contemporary issues in America including race theory feminism indigenous peoples and environmentalism and is the ideal introduction to the work of the major American thinkers past and present and the sheer breadth of their ideas and influence

Reinventing Anarchy, Again Howard J. Ehrlich,1996 This book brings together the major currents of social anarchist theory in a collection of some of the most important writers from the United States Canada England and Australia The book is organized into eight sections What is Anarchism The State and Social Organization Moving Toward Anarchist Society Anarcha feminism Work The Culture of Anarchy The Liberation of Self and finally Reinventing Anarchist Tactics *Poppaea Sabina-The Power of Myth* J P Graham,2018-07-02 The Empress Poppaea Sabina was the second wife of the infamous Emperor Nero Ancient historians treated her harshly while knowing little about her where she came from her early life and what made her the woman she was Like most high status Roman women she married young and lost her first two children She was pregnant with a third when she herself died aged 34 Mystery surrounds her final hours as with so much of her life But beauty charm and intelligence could not in the end save her **Feminism in Contemporary British and Indian**
