Beyond And Between The Veil Michael DeBenedictis, 2015-06-21 This compilation of short stories is a collection of narratives that take the characters and reader on a journey beyond and between the veils of reality They are meant to be each and individually either philosophical deep touching thrilling and heartwarming or any random combination of those descriptions and more all at once The intention of this book is to expand upon the two previously published books of poetry Mr Swan's Poems and After The Flight to take the reader onto a journey into deeper rabbit holes and on longer and more drawn out rides that the short story format allows for All of these short stories are original works The date of the final draft of this compiled completed work was Saturday June 20 2015

Comics Beyond Text and Image Benjamin Fraser, 2025-08-08 Comics Beyond Text and Image conceptualizes comics as bodies exploring the substance and the many movements and expressions of comics first and foremost in terms of corporeality The book centers on the metaphor of the comics body as a way of opening up our understandings of what comics do It begins from the position that narrative in comics is corporeal expressed in and through

the visual bodies into which the page can be divided analytically and from the interaction of the human body with the comics body Drawing on the philosophy of Baruch Spinoza the author argues for the primary role of visual narration over textual narration develops a theory of the comics text as a cohesive and variegated cartography and shows how thought is expressed in the extensive space of the comics page This theory is then applied in snapshots of individual comics works that each in their own way continue the philosophical discussions of embodiment This book moves beyond traditional modes of narration or narrative and will appeal to students and scholars of comics studies as well as to those thinking about visual narrative more broadly and to scholars of Spinoza and Deleuze
