Beyond Fundamentalism Biblical Foundations For Evangelical Christianity:

BEYOND FUNDAMENTALISM : (BIBLICAL FOUNDATIONS FOR EVANGELICAL CHRISTIANITY). James Barr,1984 **Between Faith and Criticism** Mark A. Noll,2004 Historian Mark Noll traces evangelicalism from its nineteenth century roots He applies lessons learned in the milieu of Great Britain and North America to answer the question Have evangelicals grown to mature confidence in their views of God and Scripture so they may stand alone if they must between faith and higher critical skepticism This is nuts and bolts history at its best Douglas Jacobsen Fides et Historia This is not only an outstanding study of evangelical biblical scholarship it is the best survey of the twentieth century evangelical thought that we have George Marsden This book will be of immense value to all who want to know what the background to current evangelical biblical scholarship is and who want to explore the likely developments in the future Gerald Bray The Churchman Noll has enriched our knowledge of this history through his mastery of its substance and has come to grips with its findings Todd Nichol Word and World Mark A Noll the McManis Professor of Christian Thought and professor of church history at Wheaton College has written more than ten books including Religion Faith and American Politics and Christian Faith and Practice in the Modern World He edited Confessions and Catechisms of the Reformation His PhD degree is from Vanderbilt University **Deconstructing Evangelicalism** Jamin Andreas Hübner,2020-01-01 This book is electric H bner goes about Deconstructing Evangelicalism with the skills available only to someone formerly embedded in the apologetics oriented take no prisoners Calvinist Piperian Brownian conservative evangelical subculture Brilliant Learned Passionate Creative Angry Hopeful Maybe You must read it for yourself and find out I will be studying this book for a long time to come DAVID GUSHEE Past President American Academy of Religion and Distinguished University Professor of Ethics Mercer University This book is special at once incendiary and charming you are invited into the world of Christian fundamentalism in all of its glory and complexities and traumatic realities This world is a crazy place filled with all of the political zealotry casual sex ism and apocalyptic young earth creationism one could desire H bner s story is a dynamic sobering testament to that reality From the depths of his days as an Internet apologist to his interdisciplinary career as a professor we see the impact of religious fundamentalism on heart mind and body For those who have walked through the valley of the shadow of fear may you be filled with curiosity and joy at the sight of another theologian on the journey From one sojourner to another I am happy to commend to you the work of my colleague and dear friend NICHOLAS RUDOLPH QUIENT Associate Pastor The First Baptist Church of Redlands Co Host of the Sinnergists Podcast and Author of The Perfection of Our Faithful Wills Many of Jamin s experiences mirror my own and I am grateful we were friends while surviving as faculty at evangelical liberal arts colleges Reading this book has once again encouraged me and given me a hopeful way forward as he always has as a friend His theological nuance and understanding highlights why evangelicalism is in many ways so superficial and it will encourage anyone that their own deconstruction can lead to a stronger more robust and more inclusive faith in God I will be passing

along his book to my friends who come to me for help as they struggle with asking questions of who God really is KRISTY WHALEY PhD Theology Candidate University of Glasgow Former Theology Faculty Colorado Christian University

Democratizing Biblical Studies Elisabeth Schüssler Fiorenza, 2009-01-01 Schüssler Fiorenza addresses such questions as What are the educational practices and procedures that are advocated by traditional educational models and how can they be changed What kinds of educational and communicative practices do biblical studies need to develop in order to fashion an emancipatory democratizing rhetorical space and a forum of many voices To envision articulate debate and practice a radical democratic ethos of biblical studies she identifies emerging didactic models that can foster such a radical democratic style of learning Pbk cover

Pentecostalism and Christian Unity Wolfgang Vondey, 2010-03-01 This volume of ecumenical documents key texts and critical essays is the first collection of its kind exclusively dedicated to Pentecostalism and its contributions to Christian unity In the first part a cadre of internationally renowned scholars addresses the ecumenical heritage and perspectives of the Pentecostal movement since the early twentieth century Part 2 offers a collection of final reports from international dialogues with Pentecostal participation The final part contains programmatic essays in response to The Nature and Mission of the Church a major study on the doctrine of the church published by the World Council of Churches Most of these essays were first presented by the ecumenical studies group of the Society for Pentecostal Studies currently the only organized ecumenical think tank among Pentecostals in North America Since its formation in 2001 the group has encouraged Pentecostal participation in ecumenical concerns has hosted Roman Catholic Pentecostal conversations at the annual meeting of the Society has invited international scholarly debates on ecumenical matters and has engaged in the study of ecumenical consensus statements The essays and documents in this collection model the dedication and commitment among Pentecostals today that engage the challenges and opportunities of Christian unity from the perspective of a tradition that has often been falsely accused of being anti ecumenical This collection presents an invaluable resource for teachers scholars and pastors interested in engaging the global Christian arena from the worldwide and ecumenical image of Pentecostalism Of all of the dialogues with whom the Roman Catholics have been involved in the evangelical community the Pentecostal may be the most interesting and influential The Pentecostal and Catholic communities have experienced serious tension in certain parts of the world especially in Latin America Therefore these dialogues and the reflections brought together in this book should be a rich source for the task of making the results of the dialogues a common heritage in Catholic and Pentecostal seminaries colleges and universities and congregations around the world Dr Vondey has assembled a line up of Pentecostal scholars known for their depth scope and fairness a set of essays that should be of interest well beyond the Catholic and Pentecostal communities Jeffrey Gros FSC Memphis Theological Seminary In the field of ecumenism the common perception is that the youngest and fastest growing movement in global Christianity has been absent Pentecostalism and Christian Unity will not only expose this misunderstanding but also prove to be an invaluable resource

Along with official bilateral documents a series of essays documents the nature of Pentecostal ecumenical engagement and provides mature theological reflection on how to proceed The ecumenical movement will be both enriched and challenged by this contribution Ralph Del Colle Marquette University Contending for the Faith Daniel Richard Carnett,2002 Examines how a southern evangelical denomination was able to become the second largest religious body in a region characterized by cultural racial and religious pluralism and the effect this had on their structure and beliefs **The Invention of the**

Inspired Text John C. Poirier,2021-01-28 John C Poirier examines the theopneustic nature of the Scripture as a response to the view that inspiration lies at the heart of most contemporary Christian theology In contrast to the traditional rendering of the Greek word theopneustos as God inspired in 2 Tim 3 16 Poirier argues that a close look at first and second century uses of theopneustos reveals that the traditional inspirationist understanding of the term did not arise until the time of Origen in the early third century CE and that in every pre Origen use of theopneustos the word instead means life giving Poirier thus conducts a detailed investigation of theopneustos as it appears in the fifth Sibylline Oracle the Testament of Abraham Vettius Valens Pseudo Plutarch Placita Philosophorum and Pseudo Phocylides all of whom understand the word to mean life giving He also studies the use of the cognate term theopnous in Numenius the Corpus Hermeticum on an inscription at the Great Sphinx of Giza and on an inscription at a nymphaeum at Laodicea on the Lycus Poirier argues that a rendering of life giving also fits better within the context of 2 Tim 3 16 and that this meaning survived late enough to figure in a fifth century work by Nonnus of Panopolis He further traces the pre Origen use of theopneustos among the Church Fathers Poirier concludes by addressing the implication of rethinking the traditional understanding of Scripture stressing that the lack of God inspired scripture ultimately does not affect the truth status of the gospel as preached by the apostles **Mormons and the Bible**

Philip L. Barlow,2013-06-27 Philip L Barlow analyzes the approaches taken to the Bible by key Mormon leaders from founder Joseph Smith up to the present day This edition includes an updated preface and bibliography **Faith, Religion &**

Theology Brennan Hill,Paul F. Bieringer,Vandecasteele-Vanneuville,Didier Pollefeyt,2021-11-15 Series Jewish and Christian Heritage 1 Is the Gospel of John anti Jewish What would this mean in the context of the original writer of his community the final text and its first readers Who precisely are the Ioudaioi who are so scathingly criticized in the Gospel Judeans perhaps or some other more specific group than the Jewish nation as a whole What are the implications for New Testament study and for Christian theology in the light of the troubled history of relations between Judaism and Christianity The papers in this volume were presented at the

special international colloquium held in January 2000 in Leuven Belgium which was convened to assemble the world's leading experts on John's Gospel and issues of anti Judaism for a thorough assessment of the state of the question. The result is a fascinating panorama of the issues and of current approaches to them and an extremely valuable resource for further work on anti Judaism in the Christian tradition.
