

A high-angle, low-key photograph of a diverse group of young people, likely students, huddled together outdoors on a grassy area. They are all smiling and looking upwards, with their arms raised and hands clasped in the center, creating a sense of unity and teamwork. The lighting is bright, suggesting a sunny day.

Beyond Racial Gridlock Embracing Mutual Responsibility:

Beyond Racial Gridlock George Yancey, 2009-08-20 Sociologist George Yancey critiques four models of race colorblindness Anglo conformity multiculturalism and white responsibility and introduces a new model mutual responsibility He offers hope that people of all races can walk together on a shared path toward racial reconciliation not as adversaries but as collaborators and partners

Beyond Racial Division George A. Yancey, 2022-03-15 We have struggled to effectively address racial tension in the United States While colorblindness ignores our history of injustice antiracism efforts have often alienated people who need to be involved In his model of collaborative conversation and mutual accountability sociologist George Yancey offers an alternative to racial alienation where all seek the common good for all to thrive Multicultural

and Ethnic Children's Literature in the United States Donna L. Gilton, 2007-07-09 This book describes the history and characteristics of ethnic and multicultural children's literature in the U S as well as related materials published elsewhere It relates in great detail the people businesses organizations and institutions that create disseminate promote critique and collect these materials Author Donna Gilton gives a detailed history of U S multicultural and ethnic children's literature throughout several historic periods relating these developments to general social and political U S history Chapters illustrate characteristics of U S multicultural children's books the major issues in the field and multicultural initiatives and mainstream responses while also providing outlines of research possibilities in the field and suggesting other groups of people who should be emphasized more in the future In doing all this Multicultural and Ethnic Children's Literature in the United States brings together valuable and scattered information for the busy and involved librarians teachers parents publishers distributors and community leaders who wish to use and promote this material with children *Journal of Biblical and Theological Studies, Issue 3.1* Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2018-04-18 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics *Color-Courageous Discipleship Student Edition* Michelle T. Sanchez, 2022-11-01 Teens will discover a Christ centered approach to antiracism that will empower them to be transformed

as they transform their world with end of chapter discussion questions for families and youth groups It s time to go beyond saying I m not racist It s time to take action It s time to become a color courageous Christian and stand up to racism wherever you see it in your school in your community and in your own heart and mind In Color Courageous Discipleship Student Edition Michelle T Sanchez shows you how racial righteousness was God s idea in the first place As Michelle explores antiracism from a biblical perspective she helps us see how following Jesus and pursuing antiracism naturally go together understand why this generation is uniquely positioned to seek racial justice and pursue racial equity speak out with grace truth and wisdom whatever your age or stage in life may be engage in color courageous spiritual practices that will strengthen your witness and revitalize your faith step into who God is calling you to be in today s world be inspired to make a difference right where you are Whenever you choose to take color courageous action in Jesus s name you have the opportunity to be transformed and bring transformation to others What could be better This book is your invitation to an antiracist discipleship adventure together with your own world changing generation Rescuing the Gospel from the Cowboys Richard Twiss,2015-06-09 The gospel of Jesus has not always been good news for Native Americans But despite the far reaching effects of colonialism some Natives have forged culturally authentic ways to follow Jesus In his final work Richard Twiss surveys the complicated history of Christian missions among Indigenous peoples and voices a hopeful vision of contextual Native Christian faith **Hostile Environment** George Yancey,2015-04-29 Sociologist George Yancey unpacks the underlying perspectives and root causes of Christianophobia or intense anti Christian hostility He considers to what extent Christians have themselves contributed to this animosity and explores how we can respond more constructively defusing tensions and working toward the common good Beyond Colorblind Sarah Shin,2017-11-14 While society may try to be colorblind we can t ignore that God created us with our ethnic identities and he made them for good Ethnicity and evangelism specialist Sarah Shin reveals how our broken ethnic stories can be restored and redeemed demonstrating God s power to others and bringing good news to the world Discover how your ethnic story can be transformed for compelling witness and mission **Ralph Ellison and Kenneth Burke at the Roots of the Racial Divide** Bryan Crable,2012 Ralph Ellison and Kenneth Burke focuses on the little known but important friendship between two canonical American writers The story of this fifty year friendship however is more than literary biography Bryan Crable argues that the Burke Ellison relationship can be interpreted as a microcosm of the American racial divide Through examination of published writings and unpublished correspondence he reconstructs the dialogue between Burke and Ellison about race that shaped some of their most important works including Burke s A Rhetoric of Motives and Ellison s Invisible Man In addition the book connects this dialogue to changes in American discourse about race Crable shows that these two men were deeply connected intellectually and personally but the social division between white and black Americans produced hesitation embarrassment mystery and estrangement where Ellison and Burke might otherwise have found unity By using Ellison s nonfiction and Burke s rhetorical

theory to articulate a new vocabulary of race the author concludes not with a simplistic healing of the divide but with a challenge to embrace the responsibility inherent to our social order American Literatures Initiative
